

 **TOYOTA** Sequoia 2006

2006 Sequoia, the full-size SUV, powered by a commanding 273 horsepower, 4.7 Litre, i-FORCE V8, DOHC, 32-valve, VVT-i engine and 5-speed electronically controlled overdrive automatic transmission, is everything you've ever wanted. Sequoia is an all-environment vehicle – from the wilds of the great outdoors to the often treacherous byways of the city. The ride is quiet and smooth, the driving sure and responsive. In today's world of SUV's, you've never felt anything like it.

Sequoia06

FOR THE ROAD WELL-TRAVELLED.

NEW VEHICLE WARRANTY SUMMARY

No Deductibles – No Transfer Fees

Comprehensive Coverage - 3 years or 60,000 km

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

Powertrain Components - 5 years or 100,000 km

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

Major Emission Control Components - 8 years or 130,000 km

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

Corrosion Perforation - 5 years unlimited distance

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

VEHICLE COVERAGE

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's the most affordable way to guarantee your peace of mind. Consult your Toyota Dealer for details.

TOYOTA EXPERIENCE Toyota Dealers The part you can't replace are dedicated to making the experience of owning a Toyota both satisfying and rewarding. Our highly skilled, Toyota-trained technicians are here to make sure you enjoy many years of trouble-free driving. “That new Toyota feeling - we help you keep it.”

• Towing Hitch, 7-Pin Trailer Wire Harness	• •	

* Airbag Notice: The 2006 Sequoia features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a full frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2006 Sequoia features a front seat-mounted side airbag Supplemental Restraint System (SRS) and a roll-sensing front and rear head/side curtain airbag Supplemental Restraint System (SRS) which activate only in a side-impact collision of sufficient magnitude to inflate the bags. Roll-sensing airbags are designed to deploy at severe tilt degree roll or lateral G-force.
Seatbelts must be worn at all times by all occupants.
