

# Sienna

2008

 **TOYOTA**  
make things better

# Sienna 2008

A joy to drive. After all, the first word in functionality is fun.

Cover vehicle:  
Sienna CE FWD shown in  
Salsa Red Pearl.

Just because necessity dictates you need a functional vehicle, where is it written that you can't enjoy it? Case in point: the 2008 Toyota Sienna. With a 266 hp 3.5 Litre V6 engine, it's definitely "unminivanish." Available in either 7- or 8-seat models, Sienna has a multitude of features including front seat-mounted side airbags with front and rear head/side curtain airbags for all three seating rows, illuminated keyless entry and power heated, remote-control folding exterior mirrors.

All standard equipment on all 2008 Siennas. Just one way that we make things better.

2008 Sienna models:  
Top Left: Sienna XLE AWD Limited  
shown in Arctic Frost Pearl.  
Left: Sienna LE  
shown in Desert Sand Mica.  
Top Right: Sienna CE FWD  
shown in Blue Mirage Metallic.

Sienna XLE AWD Limited shown in Black.

## Sensible indulgence.

### “pinch protection” and indexing seats...

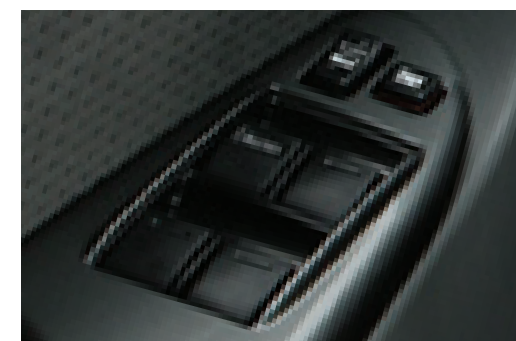

What else do you call the Sienna XLE AWD Limited? Especially when it comes with leather-trimmed seats, wood-grain style interior trim, a 10-speaker JBL surround-sound audio system, three separate climate controls (for driver, front passenger and rear passenger), power windows in both front and second rows, power rear door and standard All-Wheel Drive. Factor in an available rear-seat audio/video entertainment system, heated seats, a front centre console box that can be installed between the front or second row seats, power sliding passenger doors with “jam protection” and “pinch protection”, indexing seats and 2 cup holders for every passenger and you could have a very difficult time convincing your passengers to leave.

Left: The seriously spacious and luxurious leather interior of the Sienna XLE AWD Limited.

Above: The elegant cockpit of the Sienna XLE AWD Limited features burled wood accents and an available navigation system.

Sienna LE. Elegantly accommodating.

## Anyone for multi-tasking?

In terms of adaptability, there aren't too many curve balls you can throw at the luxurious Sienna LE with its highly responsive 266 hp VVT-i 3.5 Litre V6 engine. Not when you can get your choice of 7- or 8-passenger seating and the option of All-Wheel Drive. Standard equipment consists of such creature comforts as front row and second row power windows, power door locks, power dual sliding rear doors, exterior heated mirrors, dual air conditioning, cruise control, rear window defroster with timer and wiper/washer, and an instrument panel control switch for remote operation of the rear quarter windows. Anyone for multi-tasking?

Left: The stylish Sienna LE cockpit – ready for business or pleasure.

Far Left: Sienna LE shown in Desert Sand Mica.

## If you really want to explore the limits of space...

Because we're talking Sienna, it goes without saying that the Sienna CE has more passenger room and cargo capacity than can be imagined. If you really want to explore the limits of space, fold down the passenger seat, stow the Split & Stow 3rd Row™, remove the second row and you're looking at 4.22 m<sup>3</sup> (149 cu.ft.) of possibilities. You can also expect standard items such as sliding doors with power windows, dual air conditioning, tilt & telescopic steering wheel, 6-speaker AM/FM MP3/WMA/CD audio system and a folding tray table between the front row seats that folds down to create a walk-through space. For added practicality, there is the Sienna CE AWD which is equipped with all the features of the CE plus privacy glass and 17" alloy wheels. All you have to do is decide whether you want all this in a 7- or 8-passenger model.\* We never told you it was going to be easy.

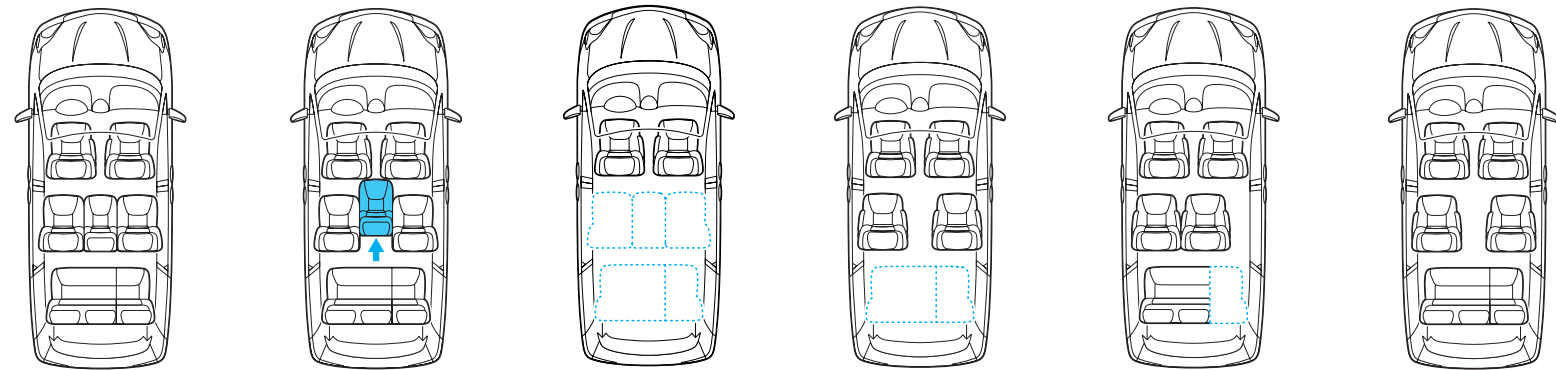

\*8-Passenger not available in Sienna CE AWD.

Left: Sienna CE AWD shown in Silver Shadow Pearl.

Below: Sienna CE FWD shown in Slate Metallic.

## Versatility and adaptability.

### 8-passenger configuration.

Most automobile seats leave your baby frustratingly out of reach. Not any more, with Sienna's available Front and Centre™ second row seat. In 8-passenger Siennas, the centre section of the second row can be moved forward by 30% to get closer to the one you love. And guess what else the second row can do? It can be removed entirely. Then, stow the third row seat into the floor and you have enough room for, say, a 4 x 8 sheet of plywood. The continually adaptable Sienna – because in your family, who knows what's next?

### 7-passenger configuration.

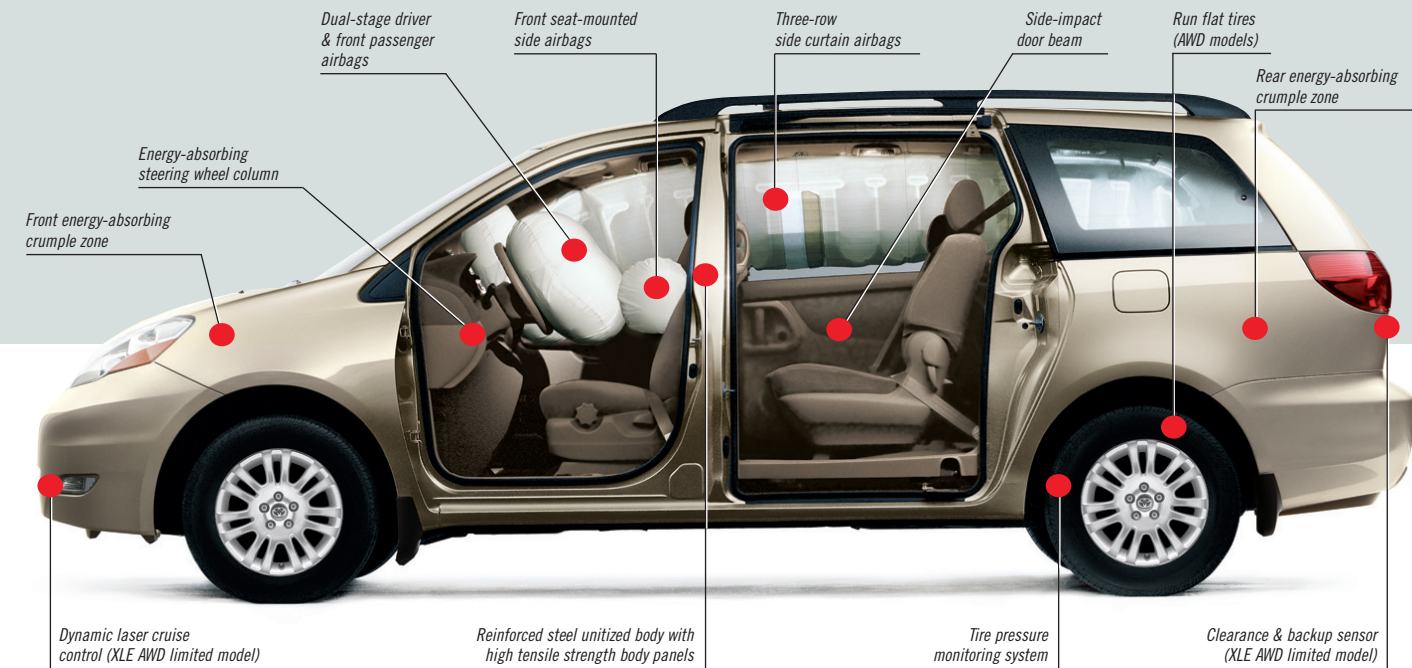

When you're raising kids, it pays to stay nimble. With Sienna, you can. In 7-passenger Siennas, a second row captain seat moves laterally to create side-by-side seating – and room for, say, a couple of kids' bikes. Fold the Split & Stow 3rd Row™ and remove the second row, and all of Sienna's 4.22 m<sup>3</sup> (149 cu. ft.) of cargo volume is at your service. Life keeps changing – but Sienna changes right along with it.

## Safety Features:

The Toyota Sienna has been a past recipient of some of the highest safety accolades in the automotive industry.

We expect no less for the 2008 Sienna, which boasts many advanced features such as those listed below:

- Driver and front passenger dual-stage airbag Supplemental Restraint System (SRS).
- Driver and front passenger seat-mounted front and rear head/side curtain airbag Supplemental Restraint System (SRS).
- 3-point seatbelts in all seating positions.
- Dual power sliding doors with “jam protection” and “pinch protection” (LE & XLE AWD Limited only).
- Vehicle Stability Control (VSC) and Traction Control (TRAC).
- Tire pressure monitoring system.
- 4-Wheel Antilock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA).
- Child-seat lower anchors and top tether anchors for four rear-seat positions (five on 8-passenger models).
- Windshield wiper de-icer.
- Auto-dimming electrochromic inside rear view mirror (XLE AWD Limited model).
- All-season run flat tires (AWD models only).

Dress it up. Drive it out.

Express yourself. Optimize your vehicle's appearance and enhance its performance by adding the Toyota Accessories custom designed for your model. Many of Toyota's Customization Parts are either residualized or advanced through Toyota Financial Services (TFS) when purchased at the time of vehicle sale. And all are backed by Toyota's Vehicle Warranty. For more information, please visit [customizeyourtoyota.ca](http://customizeyourtoyota.ca), your local Dealer or [toyota.ca](http://toyota.ca).

Enhance the look and functionality of your new Sienna by choosing from the following list of Accessories:

- All-Season Mats
- Ashtray & Lighter
- Navigation w/Backup Camera
- Block Heater
- Cargo Box
- Cargo Liner
- Cargo Net
- Dash Accent Kit
- Door Sill Protectors
- EC Mirror
- Emergency Assistance Kit
- Exhaust Tip
- First Aid Kit
- Hood Deflector
- Interior Bike Rack
- Licence Plate Cover
- Navigation System
- Owner's Manual Wallet
- Park Pilot/Assist
- Running Boards
- Security System
- Towing Accessories

## 2008 Colours:

<sup>1</sup> Stone Fabric on CE/LE models.

<sup>2</sup> Stone Leather on XLE AWD Limited model, optional on LE FWD 7-passenger.

<sup>3</sup> Fawn Fabric on CE/LE models.

<sup>4</sup> Fawn Leather on XLE AWD Limited model, optional on LE FWD 7-passenger.

Please see your Toyota Dealer for details.

### NEW VEHICLE WARRANTY SUMMARY

**No Deductibles – No Transfer Fees**

#### Comprehensive Coverage - 3 years or 60,000 km

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

#### Powertrain Components - 5 years or 100,000 km

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

#### Major Emission Control Components - 8 years or 130,000 km

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

#### Corrosion Perforation - 5 years unlimited distance

Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

### VEHICLE COVERAGE

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's the most affordable way to guarantee your peace of mind. Consult your Toyota Dealer for details.

Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. We service your Toyota the way we built it. So you can count on quality parts and professional service for life.

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at [www.toyotafinancialservices.ca](http://www.toyotafinancialservices.ca).

Fewer emissions and pollutants. More kilometres on less fuel. And power and performance second to none. Available in Prius, Camry and Highlander, these latest generation Toyota hybrids offer you the best of all worlds.

### Club Toyota

Enhance your Toyota ownership experience by joining Club Toyota – a complimentary and exclusive online service for Toyota owners. Benefit from an abundance of interactive, convenient services, and information conveniently at your fingertips. Register today at [toyota.ca](http://toyota.ca).

○ ○ ○

\* Airbag Notice: The 2008 Sienna features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2008 Sienna also features a front seat-mounted side airbag Supplemental Restraint System (SRS) and a front and rear head/side curtain airbag Supplemental Restraint System (SRS) which activate only in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*
