To avoid injury from an inflating airbag always place children twelve years old and under in the rear seat. Always move both driver and passenger seats as far back from airbags as practical; never transport a child in a rear-facing seat in the front seat. Always use the seat belts and buckle up properly. 2009 SWIFT+ AT A GLANCE

- Newly designed, fuel-efficient 1.6 litre engine
- Interior and exterior redesign

Good thing. Small package.

Don't let the compact size fool you, because the 2009 Suzuki Swift+ is ready to impress. Start with the new 1.6 litre 4 cylinder engine – a spirited performer offering unbelievable fuel economy – that compliments today's active and social lifestyle. The hatchback design makes for a deceptively spacious cargo area, with 60/40 split folding rear seats furthering its versatility. Add in the contemporary exterior and interior redesign, and the result is a vehicle that will never cease to amaze drivers, passengers and onlookers alike.

Surrounded by comfort. Amenities that make you feel right at home.

Stay cool in the heat with optional air conditioning.

Music to your ears: an AM/FM/CD/MP3 player with 4-speaker system comes standard.

A better look around reveals sun visors with vanity mirrors.

The height adjustable driver's seat and tilt steering wheel make for a more comfortable drive.

Built to move. Engineering that will both impress and exhilarate.

A 5-speed manual transmission and available 4-speed automatic transmission are geared to make both city and highway driving a pleasure.

The new 1.6 litre DOHC 4 cylinder engine has the power to make driving fun while offering outstanding fuel efficiency.

For an even smoother ride and better maneuverability, the 2009 Swift+ features a revised suspension.

It's got your back. Safety features that ensure you stay just that – safe.

Driver and passenger front airbags and front seat mounted side airbags come standard.
