Make things better. It's what we believe at Toyota. It is a belief grounded in a simple truth:
Better is not a destination. It is a way.
It is a spirit of continuous improvement.

Better is about more than just a car or a truck. It is about before, during, and after. It is about the good we do for each other, our respect for the environment, and all the things we choose to do to simply **make things better.**

2009 Toyota Fleet Guide

Dear Fleet Customers

September 2009

To both prospective new clients and loyal Toyota fleet buyers, thank-you for reviewing our 2009 Toyota Fleet Guide. Regardless of your individual fleet size, we believe that within this guide there is a Toyota model that will meet your needs.

Every Toyota vehicle is manufactured to withstand the rigors of the diverse Canadian climate and comes complete with superior Toyota-built quality, durability, and reliability. Also, with one of the most fuel-efficient line-ups in the industry, Toyota's uncompromising leadership and commitment to the environment through the development of hybrid vehicles and fuel-saving technologies makes us an ideal business partner in today's ever-competitive marketplace. In addition, Toyota remains committed to enhancing our customers' driving experiences by offering sleek and stylish, yet safe and worry-free models that both you and your customers will enjoy.

2009 promises to be an exciting year, highlighted by the following:

- The all-new redesigned **Corolla**, Toyota's all-time best selling car continues to get even better with enhanced features and new Canadian pricing.
- The redesigned **Matrix** features enhancements that continue to prove that it is full of potential.
- MotorTrend Magazine's 2008 Truck of the Year, the tough and dependable Toyota **Tundra** is the ideal work partner.
- Industry leading hybrid offerings including the **Prius**, **Camry Hybrid** and **Highlander Hybrid**, as well as the fuel-sipping **Yaris** are high on performance, yet light on your wallet at the pumps.
- A continued commitment to add value in the form of enhancements across the entire Toyota product line to make the driving experience the best possible for our customers.

For more information about our fleet offerings, I encourage you to visit us online at www.fleet.toyota.ca. Even better, I encourage you to visit your local dealership and test drive our vehicles to discover for yourself what it means to drive a Toyota. It is our continued belief that it is an experience like no other and we look forward to serving your transportation needs.

Sincerely,

Manager, Fleet & Sales Administration

more reasons to choose a Toyota vehicle for your fleet

award winning products & service

product highlights

- Yaris – 2008 ecoENERGY award for class-leading fuel efficiency in the sub-compact segment (manual transmission only).

- Prius – 2008 ecoENERGY award for class-leading fuel efficiency in the mid-size segment. Prius has received this distinction each year since the mid-size version was released in 2004.

- Corolla - 2008 Canadian Driver 50-litre Challenge Winner.

- Tundra - 2008 MotorTrend Truck of the Year, 2008 Truck King Challenge Winner.

corporate recognition

- 2008 CIO 100 Award Honoree, awarded by CIO Magazine for a new customer case management system used in Toyota Canada's Customer Interaction Centre.

new vehicle limited warranty

- No deductibles or transfer fees
- Comprehensive coverage – 36 months or 60,000 kms
- Powertrain components – 60 months or 100,000 kms
- Specified major emission components – 96 months or 130,000 kms
- Corrosion perforation – 60 months, unlimited distance
- Free Road-Side Assistance Program on all Toyota vehicles
- Hybrid-related components – 96 months or 160,000 km

* see your local dealer for further information

built in North America

- Over 60% of all Toyota vehicles sold in Canada are sourced from North American plants.
- Toyota Motor Manufacturing Canada Inc. (TMMC) operates two manufacturing facilities in Southwestern Ontario – the Cambridge, Ontario facility is home to the Corolla, Matrix, and Lexus RX350, and the newly-opened Woodstock, Ontario plant is home to the popular RAV4.

more reasons to choose a Toyota vehicle for your fleet

environmental focus

- Toyota continues to be a leader in developing new automotive technologies that reduce the impact of the automobile on the environment. Fewer emissions and more efficient processes have made Toyota a global leader in this area.
- Toyota Canada Inc. is registered ISO 14001, an international standard for environmental management and performance.
- Toyota honours 15 graduating Canadian high school students for their environmental leadership through the Toyota Earth Day Scholarship Program.
- Toyota helps to transform Canadian school grounds into natural learning environments through the Toyota Evergreen Learning Grounds Program. Typical activities include planting native trees, shrubs and vines; planning shade and seating areas; creating vegetable gardens and other theme zones that transform the traditional asphalt school grounds into dynamic outdoor classrooms.

extensive dealer network and after-sales support

- There are 239 Toyota dealers across Canada that are dedicated to providing you the best possible transportation solutions for your fleet. Find one near you in our Dealer Directory at the back of this guide
- Dealership service staff are dedicated to maintaining your vehicle to ensure that your Fleet remains in top driving condition.

life cycle costs, resale and residual value

- Not only does Toyota provide you with the best products available, but when it comes time to renew your fleet, few automotive manufacturers can match the desirability and residual dollar value of a used Toyota
- The reliability of a Toyota vehicle translates into reduced downtime, ensuring that your fleet is running at optimal levels on a consistent basis.
- Your investment in a Toyota pays back in superior customer satisfaction year after year.

2009 Yaris

new in 2009

- Radiator grille design changed, silver coated interior upholstery tone changed
- Added Zephyr Blue Metallic (8N0) exterior colour
- Deleted Olive Mist Metallic (6U4) and Nautical Blue Metallic (8S6) exterior colours
- Convenience Package and Enhanced Convenience Package – added heated exterior mirrors
- Appearance Package “D” suffix (new): “C” suffix plus 15” alloy wheels, fog lamps, cruise control
- Aero Package “E” suffix (new suffix): “D” suffix plus lower skirt package, rear spoiler

key features

mechanical

- 1.5 litre, 4-cylinder, aluminum alloy block, DOHC, 16-valve, VVT-i, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), tier 2 bin 5 emissions rating, 106 hp @ 6000 rpm, 104 lb. ft. torque @ 4200 rpm, 5-speed manual (optional 4-speed automatic, super Electronically Controlled Transmission (ECT), over-drive), front wheel drive
- Power assisted, front discs and rear drum brakes, available ABS with Electronic Brake force Distribution (EBD)
- Electric power rack and pinion steering

safety

- Dual stage driver and passenger airbag Supplemental Restraint System (SRS), front passenger airbag, front seatbelt pre-tensioners and force limiters, outboard 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, rear centre 3-point lap and shoulder belt, anchor points for child restraint seats, child protector rear door locks, assist grips, engine immobilizer, warnings: low fuel, low washer fluid, door ajar, headlamps on, front driver and passenger seat belt warning

interior

- AM/FM CD with MP3 player, audio auxiliary input jack, 4 speakers, glass imprinted antenna
- Driver seat adjustments: recline, cushion height; headrest - vertical, Passenger seat adjustments: recline; headrest - vertical, Rear seat adjustments: fold down rear seat (60/40), rear centre headrest, rear seat fold down centre armrest
- Cabin air filter, rear seat heater ducts, tachometer, dual vanity mirrors, carpeted cargo area, 3-spoke tilt steering wheel, front centre console box with lid, front seatback pockets, digital clock, front and rear cup holders, carpeted floor mats, 5 passenger seating capacity

exterior

- Full wheel covers, dual exterior mirrors, manual remote control mirrors, electric rear window defroster, UV glass protection, coloured bumpers, intermittent wipers, mist feature, reflector style halogen headlamps

¹ Airbag Notice: The 2009 Yaris Hatchback/4-door features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system.
The 2009 Yaris Hatchback/4-door also features an optional front seat-mounted side airbag and front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags (standard on RS models). Seatbelts must be worn at all times by all occupants.

2009 Corolla

All new model for 2009

- Corolla CE 5-speed manual, 4-speed automatic
- Corolla LE 4-speed automatic
- Corolla S 5-speed manual, 4-speed automatic
- Corolla XRS 5-speed manual, 5-speed automatic with the addition of a 2.4L engine

key features

mechanical

- 1.8 Litre, 4-cylinder, DOHC, 16-Valve, Variable Valve Timing with intelligence (VVT-i), (Dual VVT-i on CE, LE and S), Direct Ignition System (DIS), Electronic Throttle Control System with intelligence (ETCS-i), stainless steel exhaust system, sound insulating engine cover
- 1.8L – 132 hp @ 6,000 rpm with 128 lb. ft. torque @ 4,400 rpm
- 2.4L – 158 hp @ 6,000 rpm with 162 lb. ft. torque @ 4,000 rpm
- ABS with Brake Assist (BA), Electronic Brake Force Distribution (EBD), front ventilated disc brakes
- Electric power steering, rack and pinion

safety

- Dual stage driver and front passenger airbag Supplemental Restraint System (SRS), front passenger airbag status indicator, front seat mounted side airbags, front and rear side curtain airbags, front seatbelt pre-tensioners and force limiters, all-position 3-point lap and shoulder belts, engine immobilizer

interior

- AM/FM Stereo CD, MP3/WMA audio capability, audio auxiliary input jack, title display, Digital Signal Processor (DSP), glass imprinted antenna, XM satellite ready antenna with prewire

- Driver seat adjustments: recline and vertical; headrest - vertical
- Passenger seat adjustments: recline; headrest - vertical
- Rear seat adjustments: fold down (60/40); headrest – vertical
- Tachometer, water temperature gauge, outside temperature gauge, dual vanity mirrors, side window defoggers, 3-spoke steering wheel, telescopic steering wheel, tilt steering
- Driver and passenger opening door pockets, upper and lower glove box, retractable coat hooks and purse changer, centre console storage pockets, front and rear door integrated bottle holders
- Fadeout dome lamp, illuminated entry, carpet floor mats, digital clock, front and rear cup holders, accessory power outlet, cargo area side storage compartments

exterior

- 4-door sedan, temporary spare tire, heated exterior mirrors, power remote mirrors, foldable exterior mirrors, electric rear window defroster with timer, tinted glass, front windshield acoustic glass, daytime running lights with auto on/off feature, halogen headlamps

¹ Airbag Notice: The 2009 Corolla features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Corolla also features a front seat-mounted side airbag and front head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.

² These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication EnerGuide Fuel Consumption Guide.

³ Toyota tests certain phones for compatibility with Bluetooth® technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

⁴ The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

2009 Matrix

All new model for 2009

- Matrix 5-speed manual, 4-speed automatic
- Matrix XR 5-speed manual, 5-speed automatic
- Addition of Matrix XRS 5-speed manual, 5-speed automatic
- Addition of Matrix AWD 4-speed automatic

key features

mechanical

- 1.8 litre, 4-cylinder, DOHC, 16-valve, Dual VVT-i on both intake and exhaust cams, sequential multiport electronic fuel injection, stainless steel exhaust system, sound insulating engine cover, 132 hp @ 6,000 rpm, 128 lb. ft. torque @ 4,400 rpm
- 2.4 litre, 4-cylinder, DOHC, 16-valve, VVT-i, sequential multiport electronic fuel injection, stainless steel exhaust system, 158 hp @ 6,000 rpm, 162 lb. ft. torque @ 4,000 rpm
- ABS with Brake Assist (BA), Electronic Brake force Distribution (EBD), front ventilated disc brakes, rear discs
- Electric power rack and pinion steering

safety

- Dual stage driver and passenger airbag Supplemental Restraint System (SRS), front passenger airbag status indicator, front seat mounted side airbags, front and rear side curtain airbags, active front headrests with whiplash protection, all-position 3-point lap and shoulder belts, engine immobilizer, child protector rear door locks

interior

- Seating capacity of 5, AM/FM stereo compact disc, MP3/WMA audio capability, audio auxiliary input jack, roof mounted antenna

- Driver seat adjustments: recline and cushion height; headrest - vertical
- Passenger seat adjustments: recline; headrest - vertical
- Rear seat adjustments: fold down (60/40); headrest - vertical, fold down seatback
- Optitron electronic gauge, tachometer, water temperature gauge, dual vanity mirrors, 3-spoke telescopic and tilt steering wheel, tonneau cover, illuminated entry, front and rear cup holders, accessory power outlet, cargo area tie-down rings, map pockets

exterior

- 5-door, dual heated exterior mirrors, power remote mirrors, foldable exterior mirrors, electric rear window defroster, tinted glass, high solar energy absorbing window glass, reflector style halogen headlamps

* Airbag Notice: The 2009 Matrix features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Matrix also features a front seat-mounted side airbag and front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

2009 Camry

new in 2009

- Camry LE adds front and rear splash guards as standard equipment
- Camry SE and LE V6 add Vehicle Stability Control (VSC), Traction Control (TRAC), garage door opener and electrochromic rear view mirror with digital compass as standard equipment
- Camry SE V6 adds power moonroof, dual illuminated vanity mirrors, rear reading lamps, power passenger seat and anti-theft system as standard equipment
- Deleted colour: Blue Ribbon Metallic (8T5) all models
- Deleted colour: Barcelona Red Metallic (3R3) on LE, LE V6 and XLE models

key features

mechanical

- 2.4 litre, 4-cylinder, aluminum alloy block, DOHC, balance shafts, 16-valve, VVT-i, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), tier 2 bin 5 emissions rating, stainless steel exhaust system, 158 hp @ 6,000 rpm, 161 lb. ft. torque @ 4,000 rpm (LE and SE base models)
- 3.5 litre, 6-cylinder, aluminum alloy block, DOHC, 24-valve, dual VVT-i on both intake and exhaust cams, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), variable induction system, Acoustic Control Induction System (ACIS) tier 2 bin 5 emissions rating, stainless steel exhaust system, dual exhaust, 268 hp @ 6,200 rpm, 248 lb. ft. torque @ 4,700 rpm (LE V6, SE V6 and XLE V6 models)
- ABS with Brake Assist (BA), Electronic Brake force Distribution (EBD), front ventilated disc brakes, rear discs
- Power rack and pinion steering

safety

- Driver airbag Supplemental Restraint System (SRS), front seat mounted side airbags, front passenger airbag, front driver knee airbag, front and rear side curtain airbags, front seatbelt pre-tensioners and force limiters, outboard 3-point lap and shoulder belts, adjustable "B" pillar should belt anchors, rear centre 3-point lap and shoulder belt, anchor points for child restraint seats, child protector rear door locks, engine immobilizer, warnings: low fuel, low washer fluid

interior

- AM/FM CD with MP3/WMA player, audio auxiliary input jack, steering wheel audio controls
- Cruise control, air conditioning with cabin air filter and rear seat heater ducts, Optitron electronic gauges, tachometer, digital clock, outside temperature gauge, dual trip odometer, water temperature gauge, power door locks, electrochromic rear view mirror with digital compass, power windows with driver side auto down, front console box with lid, front seat back pockets, fadeout dome lamp, door courtesy lamps, glove box lamps, overhead sunglass storage, front and rear cup holders, accessory power outlet, keyless entry with trunk release, door map pockets, tilt and telescopic steering wheel, silver accented interior trim

exterior

- 4-door sedan, dual exterior power remote heated mirrors, electric rear window defogger with timer, high solar energy absorbing window glass, variable intermittent wipers, projector style halogen headlamps, light control system

¹ Airbag Notice: The 2009 Camry features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Camry also features a front seat-mounted side airbag and front head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*

⁴ Toyota tests certain phones for compatibility with Bluetooth[®] technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

⁵ The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

2009 Avalon

new in 2009

- Added active front headrests with anti-whiplash protection
- Added as standard equipment, XM satellite ready antenna with prewire
- Premium Package with adds driver seat memory system and heated exterior mirrors with memory
- Premium Package with Navigation adds driver seat memory system and heated exterior mirrors with memory

key features

mechanical

- 3.5 litre, 6-cylinder, aluminum alloy block, DOHC, 24-valve, dual VVT-i on both intake and exhaust cams, Electronic Throttle Control System with intelligence (ETCS-i), Acoustic Control Induction System (ACIS) tier 2 bin 5 emissions rating, stainless steel exhaust system, 268 hp @ 6,200 rpm, 248 lb. ft. torque @ 4,700 rpm, front wheel drive, Vehicle Stability Control (VSC), Traction Control (TRAC), 6-speed, automatic, Super Electronically Controlled Transmission (Super ECT), sequential multi-mode shifter, lock up torque converter, transmission cooler
- ABS with Brake Assist (BA), Electronic Brake Force Distribution (EBD), front ventilated disc brakes, rear discs
- Power steering

safety

- Dual stage driver and passenger airbag Supplemental Restraint System (SRS), front passenger airbag status indicator, front seat mounted airbags, front driver knee airbag, front and rear side curtain airbags, front seatbelt pre-tensioners and force limiters, side impact beams, all position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, adjustable "C" pillar shoulder belt anchors, anchor points for child restraint seats, child protector rear door locks, assist grips, anti-theft system, engine immobilizer, warnings: low washer fluid, door

interior

- AM/FM Stereo, in dash 6-disc CD changer, MP3 audio capability, audio auxiliary input jack, shock proof CD memory function, title display, 9 speakers, steering wheel audio and HVAC controls, diversity antenna, glass imprinted antenna, XM satellite ready antenna with prewire

- Cruise control, dual zone automatic climate control, soft-touch heater controls, dust, pollen, deodorizing air filter, rear seat heater ducts, shift position indicator, Optitron electronic gauges, 6.5" LCD display, multi information display, tachometer, water temperature gauge, outside temperature gauge, dual trip odometer, tachometer, electrochromic rear view mirror with digital compass, dual illuminated vanity mirrors, power windows with driver, front passenger auto up/down, windshield shade band, 4-spoke tilt and telescopic, wood and leather wrapped steering wheel and shift knob, woodgrain trim, chrome inner door handles, flock lined glove box, front and rear area, glove box, map and trunk lamps, premium illuminated entry system, accessory power outlet, keyless entry

exterior

- 4-door sedan, dual exterior power remote heated mirrors, electrochromic auto-dimming side exterior mirror, electric rear window defroster with timer, high solar energy absorbing window glass, UV glass protection, tinted glass, front and rear splash guards, power moonroof, moonroof sunshade, coloured bumpers, chrome grille, coloured mirrors and door handles, double fluidics spray washer nozzle, variable intermittent wipers with mist feature, halogen headlamps, light control system, fog lamps

¹ Airbag Notice: The 2009 Avalon features a driver & front passenger airbag and driver knee airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Avalon also features a front seat-mounted side airbag and front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

² These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication: EnerGuide Fuel Consumption Guide.

³ Toyota tests certain phones for compatibility with Bluetooth[®] technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

⁴ The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

2009 RAV4

new in 2009

- Mid model change. Revised: front grille, front bumper, headlamp/fog lamp, rear bumper, rear bumper protector, taillamp designs; deleted: front fender antenna, APX leather packages, Flint Mica [1E0], Savannah Metallic [4R4] and Everglade Metallic [6T6] exterior colours; adopted: roof-mounted antenna, outside rearview mirror with turn signals, active front headrests, DISP switch on steering wheel, VSC cutoff switch; added: fuel economy meter, Magnetic Grey Metallic [1G3], Sandy Beach Metallic [4T8], Pyrite Mica [4T3] and Black Forest Pearl [6T3] exterior colours; AUX input jack relocated, brushed metallic trim is now dark silver finish
- 4-cylinder models. 2.4L engine deleted; adopted: 2.5L engine, Dual VVT-I, Acoustic Control Induction System [ACIS]
- Numerous package upgrades, see specs and features for details

key features

mechanical

- 2.5 litre, 4-cylinder, aluminum alloy block, Dual VVT-i on both intake and exhaust cams, sequential multiport electronic fuel injection, Acoustic Control Induction System (ACIS), tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, stainless steel exhaust system, 179 hp @ 6000 rpm, 172 lb. ft. torque @ 4100 rpm, MacPherson gas struts, coil springs, stabilizer bar, VSC, TRAC, Active Torque Control System, 4-speed automatic, super Electronically Controlled Transmission (super ECT), overdrive, gate type shifter, transmission cooler, ABS power assisted brakes with Electronic Brake force Distribution (EBD), Brake Assist (BA), front ventilated disc brakes, solid rear disc brakes, electric power steering
- 3.5 litre 6-cylinder, 269 hp @ 6200 rpm, 246 lb. ft. @ 4700 rpm, VSC, TRAC, HAC (Hill-start Assist Control), DAC (Downhill Assist Control), 5-speed automatic

safety

- Dual stage driver and passenger airbag Supplemental Restraint System (SRS), front passenger occupancy classification indicator, front seat mounted side airbags, roll-sensing front and rear head/side curtain airbag, front seatbelt pre-tensioners and force limiters, side impact beams, all-position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, anchor points for child restraint seats, child protector rear door locks, active front headrests with

whiplash protection, engine immobilizer, warnings: automatic transmission fluid temperature, low fuel, low washer fluid, door ajar, front driver and passenger seat belt

interior

- AM/FM CD with MP3/WMA player, audio auxiliary input jack, Auto Sound Levelizer (ASL), 6 speakers, roof mounted antenna, air conditioning, rear seat heater ducts, power door locks, instrumentation: fuel economy meter, Optitron electronic gauges, tachometer, water temperature gauge, outside temperature gauge, dual trip odometer, dual vanity mirrors, power windows with driver side auto up/down, dark silver brushed metallic trim, 3-spoke tilt and telescopic steering wheel, large capacity storage box under rear deck, front centre console box, upper and lower glove box, front seat back pockets, cargo lamp, illuminated ignition key, map lamps, illuminated entry, cruise control, digital clock, retained accessory power, overhead sunglass storage, front and rear cup holders, accessory power outlet, keyless entry, cargo area tie-down rings, door map pockets, coat hooks

exterior

- 4-door sport utility, side mirror integrated signal lamps, power remote heated mirrors, electric rear window defroster with timer, high solar energy absorbing window glass, variable intermittent wipers, rear window intermittent wiper/washer, windshield wiper de-icer, halogen headlamps, automatic headlamp cancel function

2009 FJ Cruiser

new in 2009

- Deleted side curtain airbags, redesigned sun visors/vanity mirrors and adopted roll-sensing side curtain airbags with off-switch; active front headrests; front seat map, lamps adopted
- Deleted 2JR Titanium Silver and 2JW Black Diamond exterior colours
- Added 2K8 Silver Fresco Metallic and 2KC Black exterior colours
- Manual model adds Active Traction Control (A-TRAC) with cut off switch to standard equipment
- Automatic model adds Active Traction Control (A-TRAC) with cut off switch and locking rear differential to standard equipment
- Offroad Package and Adventure Package (was "C" Package) add auto-dimming rearview mirror with integrated backup camera and deleted clearance and backup sensor

key features

mechanical

- 4.0 Litre V6 DOHC, 24-valve engine with 239 hp @ 5,200 rpm and 278 lb. ft. of torque @ 3,800 rpm, VVT-i, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, hood struts, stainless steel exhaust system
- 6-speed manual/optional 5-speed automatic transmission
- Full time 4WD, Vehicle Stability Control (VSC), Active Traction Control (A-TRAC), rear differential lock, 2-speed transfer case, engine, fuel tank and transfer case protector plates
- Antilock Braking System (ABS), Electronic Brake force Distribution (EBD), Brake Assist (BA), front ventilated disc brakes, rear discs
- Variable Gear Ratio Steering (VGRS), rack and pinion

safety

- Dual stage driver and front passenger airbag Supplemental Restraint System (SRS), front passenger occupancy classification indicator, front seat mounted side airbags, roll-sensing front and rear head/side curtain airbag, front seatbelt pre-tensioners and force limiters, front seatbelt anchor height adjusters, all-position vertically-adjustable headrests, side impact beams, all-position 3-point lap and shoulder belts, anchor points for child restraint seats, rear high-mount stop lamp with LED, front tow hook, active front headrests with whiplash protection, engine immobilizer, warnings: low coolant, door ajar, direct tire pressure monitoring system, front driver and passenger seatbelt warning

interior

- AM/FM CD with MP3/WMA Player, audio auxiliary input jack, 6 Speakers, air conditioning, cabin air filter, rear seat heater ducts, power door locks, dual vanity mirrors, power windows with driver side auto down, exterior colour-keyed centre instrument panel trim, metallic dash accents, instrumentation: black on white meters, tachometer, voltmeter, water temperature gauge, 4WD indicator, 3-spoke tilt steering wheel, front passenger seatback pocket, cargo lamp, illuminated ignition key, map lamps, front and rear cup holders, accessory power outlet, cargo area tie-down rings, shopping bag hooks, cargo area side storage compartments, door map pockets, coat hooks

exterior

- 2-door sport utility with 2 access doors, foldable exterior mirrors, flip-up rear hatch glass, electric rear window defroster, high solar energy absorbing window glass, two-tone exterior colour (colour-keyed body with white roof top), fender flares, rear step bumper, styled splash guards, blacked-out side window frames, variable intermittent wipers, rear window wiper/washer, halogen headlamps, automatic headlamp cancel function

--	---

¹ Airbag Notice: The 2009 FJ Cruiser features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 FJ Cruiser also features a front seat-mounted side airbag and a roll-sensing front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

⁴ The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

key features

mechanical

- 4.0 Litre V6, DOHC, 24-valve, VVT-i, 236 hp @ 5,200 rpm, 266 lb. ft. torque @ 4,000 rpm, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, hood struts, stainless steel exhaust system, towing capacity 2,268 kg (5,000 lbs.)
- 4.7 Litre V8, DOHC, 32-valve, VVT-i, 260 hp @ 5,400 rpm, 306 lb. ft. torque @ 3,400 rpm, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), engine oil cooler, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, hood struts, stainless steel exhaust system
- Power assisted, Antilock Braking System (ABS), Electronic Brake force Distribution (EBD), Brake Assist (BA), front ventilated disc brakes, rear discs, Vehicle Stability Control (VSC), HAC (Hill-start Assist Control), DAC (Downhill Assist Control), Active Traction Control System (A-TRAC), engine, fuel tank and transfer case protector plates, 5-speed automatic Super Electronically Controlled Transmission (Super ECT), overdrive, overdrive cancel switch, lock up torque converter, transmission cooler, rack and pinion power steering

safety

- Dual stage driver and passenger airbag Supplemental Restraint System (SRS), front seat mounted side airbags, roll-sensing front and rear head/side curtain airbag, front seatbelt pre-tensioners and force limiters, all-position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, anchor points for child restraint seats, child protector rear

door locks, front tow hook, assist grips, anti-theft system, engine immobilizer, power tailgate lock, glove box lock, warnings: low fuel, low washer fluid, door ajar, tire pressure monitoring system, front driver and passenger seat belt warning, tailgate open

interior

- AM/FM CD with MP3 audio capability, audio auxiliary input jack, diversity antenna, glass imprinted antenna, air conditioning, automatic temperature control, cabin air filter, rear seat heater ducts, power door locks, power rear hatch window with auto up and jam protection, side window defoggers, tonneau cover, interior truck/cargo access, metallic dash accents, 4-spoke tilt steering wheel, cargo lamp, illuminated ignition key, illuminated entry, cruise control, digital clock, retained accessory power, overhead sunglass storage, driver's coin case compartment, keyless entry with trunk release, cargo area tie-down rings, cargo area side storage compartments, auto easy closer rear hatch, door map pockets, coat hooks, map lights

exterior

- 4-door sport utility, dual exterior power remote, foldable mirrors, electric rear window defroster with timer, privacy glass, high solar energy absorbing window glass, front splash guards, rear splash guards, colour keyed fender flares, rear bumper protector, rear step bumper, coloured bodyside cladding, coloured door handles, trailer hitch, 7 pin trailer wire harness, variable intermittent wipers, intermittent rear window wiper/washer, reflector style halogen headlamps, fog lamps

¹ Airbag Notice: The 2009 4Runner features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 4Runner also features a front seat-mounted side airbag and a roll-sensing front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

⁵ X-REAS Sport Suspension does not increase payload.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur which would not be reflected in this brochure. Built in Japan

2009 Sequoia

new in 2009

- 1D6 Silver Sky exterior colour now called 1D6 Silvery Sky Metallic, 4T3 Pyrite exterior colour now called 4T3 Pyrite Mica
- SR5 4.7L – 6T8 Timberland Mica: interior colour now Sand Beige
- New model: SR5 5.7L – similar to 4.7L plus 5.7 i-FORCE V8 engine, 6-speed automatic transmission with tow/haul mode, 20" 5-spoke alloy wheels, 14-speaker JBL Synthesis audio system, 4-channel amplifier, Bluetooth capability, leather-wrapped steering wheel, steering wheel audio controls, auto-dimming inside rearview mirror with compass, integrated garage door opener
- Limited 5.7L – Technology Package now called Entertainment Package

key features

mechanical

- 4.7 Litre, i-FORCE, V8, 32-Valve, DOHC, 32-valve, VVT-i, 276 hp @ 5,400 rpm, 313 lb. ft. torque @ 3,400 rpm, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), engine oil cooler, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, hood struts, stainless steel exhaust system
- 5.7 Litre, i-FORCE, V8, crank hold electronic starter control, DOHC, 32-Valve, dual VVT-i on both intake and exhaust cams, 381 hp @ 5,600 rpm, 401 lb. ft. torque @ 3,600 rpm, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), engine oil cooler, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, hood struts, stainless steel exhaust system
- Auto limited slip rear differential, 4WD part time, Vehicle Stability Control (VSC), Active Traction Control (A-TRAC), centre differential lock, 2-speed transfer case, automatic disconnecting differential, one-touch 4WD, engine and transfer case protector plates, automatic Super Electronically Controlled Transmission (Super ECT), overdrive, lock up torque converter, transmission cooler, automatic transmission fluid warmer, sequential shift mode
- Power assisted ABS brakes with Brake Assist, Electronic Brake force Distribution (EBD), front and rear ventilated disc brakes, rack and pinion power steering

safety

- Dual stage driver and passenger airbag Supplemental Restraint System (SRS), front passenger airbag status indicator, front seat mounted side airbags, roll-sensing front and rear head/side curtain airbag, front seatbelt pre-tensioners and force

limiters, all-position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, adjustable "C" pillar shoulder belt anchors, anchor points for child restraint seats, child protector rear door locks, front tow hook, assist grips, anti-theft system, engine immobilizer, power tailgate lock, warnings: low fuel, low washer fluid, door ajar, tire pressure monitoring system

interior

- AM/FM, in dash CD changer, MP3/WMA audio capability, audio auxiliary input jack, diversity antenna, glass imprinted antenna
- 3-zone independent automatic climate control, cabin air filter, rear seat heater ducts, power door locks, power windows with driver and front passenger auto up/down, side window defoggers, power tailgate window, simulated leather door trim, 4-spoke tilt and telescopic steering wheel, front centre console box, front seat back pockets, cargo lamp, driver and passenger footwell lamp, illuminated ignition key, map lamps, illuminated entry, front and rear clearance sonar, cruise control, digital clock, retained accessory power, garage door remote/sunglass storage, front and rear cup holders, accessory power outlet, keyless entry, cargo area tie-down rings, shopping bag hooks, door map pockets

exterior

- 4-door sport utility, rear privacy glass, high solar energy absorbing window glass, brake control connector, variable intermittent wipers, intermittent rear window wiper/washer, windshield wiper de-icer, automatic headlamp system, reflector style, halogen headlamps, headlamp washers, fog lights

¹ Airbag Notice: The 2009 Sequoia features a driver & front passenger airbag Supplemental Restraint System (SRS) which activates only in a front-end collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2008 Sequoia also features a front seat-mounted side airbag Supplemental Restraint System (SRS) and a front and rear head/side curtain airbag Supplemental Restraint System (SRS) which activate only in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*

⁴ Toyota tests certain phones for compatibility with Bluetooth[®] technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

⁵ The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

2009 Sienna

new in 2009

- Added: Blizzard Pearl exterior colour (070)
- Deleted: Arctic Frost Pearl exterior colour (071)
- CE FWD 7-Passenger adds rear privacy glass and power flip-out side rear windows
- Limited AWD 7-Passenger adds Navigation Package (B Suffix) with voice-activated DVD-based navigation system and backup camera

key features

mechanical

- 3.5 litre, 6-cylinder, DOHC, 24-valve, VVT-i, aluminum alloy block, sequential multiport electronic fuel injection, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, stainless steel exhaust system, Vehicle Stability Control (VSC), Traction Control (TRAC), 5-speed automatic ECT transmission with overdrive cancel switch, lock up torque converter and transmission cooler, rack and pinion power steering

safety

- Middle seat adjustable seatbelt anchors, dual stage driver and passenger airbag Supplemental Restraint System (SRS), front passenger airbag status indicator, front seat-mounted side airbags, front and rear head/side curtain airbags, front seatbelt pre-tensioners and force limiters, all-position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, anchor points for child restraint seats, engine immobilizer, warnings: low fuel, low engine oil level, low coolant, low washer fluid, door ajar, tire pressure, front driver and passenger seat belt warning

interior

- AM/FM CD with MP3 audio capability, audio auxiliary input jack, Auto Sound Levelizer (ASL), steering wheel audio controls, air conditioning with rear seat heater ducts, power door locks, tachometer, water temperature gauge, dual vanity mirrors, conversation mirror, power windows, side window defoggers, tilt and telescopic steering wheel, illuminated entry, cruise control, retained accessory power, overhead sunglass storage, front and rear cup holders, accessory power outlet, keyless entry, cargo area tie-down rings, shopping bag hooks, door map pockets

exterior

- Passenger van with dual sliding doors, remote heated mirrors, power flip-out side rear windows, electric rear window defroster with timer, rear privacy glass, high solar energy absorbing window glass, roof rack, front and rear splash guards, variable intermittent wipers, rear window wiper/washer – intermittent, windshield wiper de-icer, reflector style halogen headlamps

¹ Airbag Notice: The 2009 Sienna features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Sienna also features a front seat-mounted side airbag and front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

2009 Tacoma 4x2

All new model for 2009

- Added for all models: front seat-mounted side airbags, roll-sensing curtain side airbags, active front headrests, TRAC, Vehicle Stability Control (VSC), LED rear combination tail lamps, revised front grille inner colour, improved audio head unit appearance, MP3/WMA capability and audio input mini jack, XM satellite radio antenna
- Seat upholstery changed on SR5 grade
- Added for 4x2 Access Cab (4-cylinder) model: rear speakers moved from door location to ceiling, rear seat console, power windows and power door lock. B Package now Air Conditioning Package
- Added for 4x2 Access Cab V6 X-Runner model: smoked headlamps, rear speakers moved from door location to ceiling, rear seat console, new subwoofer (7 speakers in total), auto-dimming rearview mirror with integrated backup camera
- Deleted for all models: Exterior colours - Radiant Red (3L5), Desert Sand Mica (4Q2), Indigo Ink (8P4); Interior colour - oak
- Added for all models: Exterior colours: Barcelona Red Metallic (3R3), Pyrite Mica (4T3), Magnetic Grey Metallic (1G3), Timberland Mica (6T8); Interior colour - sand beige

key features

mechanical

- [4x2 Access Cab] 2.7 litre, 4-cylinder, DOHC, 16-valve, VVT-i, sequential multiport electronic fuel injection, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, stainless steel exhaust system, 159 hp @ 5,200 rpm, 180 lb.ft. torque @ 3,800 rpm, 5-speed, manual, overdrive or available 4-speed, automatic, Electronically Controlled Transmission (ECT), overdrive, lock-up torque converter
- [4x2 X-Runner Access Cab] 4.0 litre, V6, DOHC, 24-valve, VVT-i, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, stainless steel exhaust system, 236 hp @ 5,200 rpm, 266 lb.ft. torque @ 4,000 rpm, 6-speed, manual, overdrive
- ABS, power assisted Electronic Brake force Distribution (EBD), Brake Assist (BA), front ventilated disc brakes, rear drums
- Power rack and pinion steering
- Towing Capacity: 1587 kg (3,500 lbs.)

safety

- Dual stage driver and front passenger airbag Supplemental Restraint System (SRS), front passenger airbag status/occupancy classification indicator, front seat mounted side airbags, roll-sensing front and rear head/side curtain airbags, front seatbelt pre-tensioners and force limiters, adjustable "B" pillar shoulder belt

anchors, anchor points for child restraint seats, front tow hook, assist grips, active front headrests with whiplash protection, engine immobilizer, warnings: low fuel, low engine oil level, tire pressure monitoring system

interior

- AM/FM Stereo CD, MP3/WMA audio capability, audio auxiliary input jack
- Power door locks, tachometer, water temperature gauge, power windows with drive side auto down, side window defoggers, digital clock, overhead sunglass storage, front and rear cup holders, accessory power outlet, cigarette lighter, door map pockets, 4 spoke tilt and telescoping steering wheel

exterior

- Dual exterior mirrors, 6 foot cargo bed, cargo bed tie downs, double wall cargo bed, composite (SMC) cargo bed, removable tailgate, tie down cleat (set of 4), halogen headlamps, light emitting diode (LED) rear tail lamps

¹ Airbag Notice: The 2009 Tacoma features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Tacoma also features a front seat-mounted side airbag and a roll-sensing front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

2009 Tacoma 4x4

new in 2009

- Added for all models: front seat-mounted side airbags, roll-sensing curtain side airbags, active front headrests, A-TRAC, Vehicle Stability Control (VSC), LED rear combination tail lamps, revised front grille inner colour, improved audio head unit appearance, MP3/WMA capability and audio input mini jack, XM satellite radio antenna
- Seat upholstery changed on SR5 grade
- Added for 4x4 Access Cab manual model: new 4-cylinder model equipped similar to 4x4 Access Cab V6 manual A-suffix excluding V6 engine and 6-speed manual transmission. Available SR5 Power Package
- Added for 4x4 Access Cab V6 model: rear speakers moved from door location to ceiling, rear seat console, power windows and power door locks
- 4x4 Access Cab V6 and 4x4 Double Cab V6: Offroad Package + Towing Package now TRD Offroad Package with auto-dimming rearview mirror with integrated backup camera, A-TRAC cutoff switch, smoked headlamps, improved suspension tuning
- 4x4 Double Cab V6: SR5 Power Package adds new auto-dimming rearview mirror with integrated backup camera. TRD Sport + Leather Package adds leather seat surfaces, simulated leather door trim, heated front seats with high/low setting
- Deleted for all models: Exterior colours - Radiant Red (3L5), Desert Sand Mica (4Q2), Indigo Ink (8P4); Interior colour - oak
- Added for all models: Exterior colours: Barcelona Red Metallic (3R3), Pyrite Mica (4T3), Magnetic Grey Metallic (1G3), Timberland Mica (6T8); Interior colour - sand beige

key features

mechanical

- [4x4 Access Cab] 2.7 litre, 4-cylinder, DOHC, 16-valve, VVT-i, sequential multiport electronic fuel injection, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, stainless steel exhaust system, 159 hp @ 5,900 rpm, 180 lb.ft. torque @ 3,800 rpm, 5-speed, manual, overdrive
- [4x4 Access Cab V6, and Double Cab V6] 4.0 litre, V6, DOHC, 24-valve, VVT-i, , sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, stainless steel exhaust, 236 hp @ 5,200 rpm, 266 lb.ft. torque @ 4,000 rpm, 6-speed, manual, overdrive (4x4 Access Cab V6 and Double Cab V6), 5-speed automatic, Super Electronically Controlled Transmission (Super ECT), overdrive, lock-up torque converter (4x4 Double Cab V6 automatic and optional for 4x4 Access Cab)
- 4WD part time, Vehicle Stability Control (VSC), Active Traction Control System (ATAC), 2-speed transfer case, A.D.D. (Automatic Disconnecting Differential, one-touch 4WD, engine undercover
- ABS, power assisted Electronic Brake force Distribution (EBD), Brake Assist (BA), front ventilated disc brakes, rear drums
- Power rack and pinion steering
- Towing Capacity: 1587 kg [3,500 lbs.] 4x4 Access Cab
2268 kg [5,000 lbs.] 4x4 Access Cab V6, Double Cab V6

safety

- Dual stage driver and front passenger airbag Supplemental Restraint System (SRS), front passenger airbag status/occupancy classification indicator, front seat mounted side airbags, roll-sensing front and rear head/side curtain airbags, front seatbelt pre-tensioners and force limiters, adjustable "B" pillar shoulder belt anchors, anchor points for child restraint seats, front tow hook, assist grips, active front headrests with whiplash protection, engine immobilizer, warnings: low fuel, low engine oil level, tire pressure monitoring system

interior

- AM/FM Stereo CD, MP3/WMA audio capability, audio auxiliary input jack, 6 speakers
- Power door locks, tachometer, water temperature gauge, 4WD indicator, power windows with drive side auto down, side window defoggers, digital clock, overhead sunglass storage, front and rear cup holders, accessory power outlet, cigarette lighter, door map pockets, 4 spoke tilt and telescoping steering wheel

exterior

- Dual exterior mirrors, 6 foot cargo bed (5 foot cargo bed for 4x4 Double Cab V6 Manual), cargo bed tie downs, double wall cargo bed, composite (SMC) cargo bed, removable tailgate, tie down cleat (set of 4), halogen headlamps, light emitting diode (LED) rear tail lamps

Built in Fremont, California, USA

2009 Tundra 4x2

new in 2009

- Revised model and package names
- Regular Cab models: resin colour and chrome front bumper deleted, black resin front bumper and windshield de-icer adopted
- All models: 1D6 Silver Sky exterior colour changed to 1D6 Silver Sky Metallic, 4T3 Pyrite exterior colour changed to 4T3 Pyrite Mica
- Regular Cab and Long bed models add exterior colours 3L5 Radiant Red and 8T7 Blue Streak Metallic
- 4x2 CrewMax Limited 5.7L C Package (Navigation) discontinued

key features

mechanical

- 4.7L V8, i-FORCE, Crank Hold Electronic Starter Control, DOHC, 32-valve, VVT-i, 276 hp @ 5,400 rpm, 313 ft. lb. torque @ 3,400 rpm, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), engine oil cooler, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, hood struts, stainless steel exhaust system
- 5.7L V8, i-FORCE, Crank Hold Electronic Starter Control, DOHC, 32-valve, dual VVT-i on both intake and exhaust cams, 381 hp @ 5,600 rpm, 401 ft. lb. torque @ 3,600 rpm, sequential multiport electronic fuel injection, Electronic Throttle Control System with intelligence (ETCS-i), engine oil cooler, tier 2 bin 5 emissions rating, heavy duty battery, starter, alternator and heater, hood struts, stainless steel exhaust system
- Suspension: Front: double wishbone type, gas shock absorbers, coil springs, stabilizer bar. Rear: heavy duty multi leaf springs, bias mounted gas shock absorbers. Auto limited slip rear differential, Vehicle Stability Control (VSC), Traction Control (TRAC), rack and pinion power steering, ABS, power assisted, Electronic Brake Force Distribution (EBD), Brake Assist (BA), front and rear ventilated disc brakes, 14" front wheel disc brakes, Transmission: sequential shift mode

safety

- Front passenger airbag status/occupancy classification indicator, driver and passenger airbag Supplemental Restraint System (SRS), front seat mounted side airbags, front head/side curtain airbags, roll-sensing front and rear head/side curtain airbag, all-position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, anti-theft system, engine immobilizer, glove box lock, warnings: automatic transmission fluid temperature, low fuel, low washer fluid, door ajar, tire pressure monitoring system

interior

- AM/FM stereo compact disc, MP3/WMA audio capability, audio auxiliary input jack, antenna pole, air conditioning with dual zone control, 4-spoke tilt steering wheel, cruise control, overhead sunglass storage, accessory power outlet, cigarette lighter, ashtray, Instrumentation: tachometer, voltmeter, water temperature gauge, automatic transmission oil temperature gauge, dual trip odometer

exterior

- High solar energy absorbing window glass, front splash guards, rear splash guards, rear step bumper, electronic trailer brake control connector, bed rail caps, easy lower and lift tailgate, cargo bed tie-downs, removable locking tailgate

- Airbag Notice:** The 2009 Tundra 4x4 features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 4Runner also features a front seat-mounted side airbag and a roll-sensing front and rear head/ side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.
- These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication EnerGuide Fuel Consumption Guide.
- Payload = Passengers, Equipment, Luggage and Cargo.
- Toyota tests certain phones for compatibility with Bluetooth® technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.
- The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.

Built in Texas, USA

TRD Off-Road Package Plus: 20" Aluminum Alloy Wheels, P275/55R20 Tires, Coloured Grille, Special Edition Badging, Stainless Steel Side Step Bars, Bed Liner, Scuff Plates, Aluminum Sport Pedals w/Rubber Inserts, Dash Kit-Trim, Tri-Fold Hard Tonneau Cover, TRD Dual Exhaust System, Special Edition Decals, (Delete Raised White Letter Tires, Front Bilstein Shock Absorbers, Rear Bilstein Shock Absorbers, Towing Equipment, TRD Decals)

5-Passenger Package:

Bed Rail System, Tie-Down Cleats, Console Mounted Gate-Type Shifter Lever, Front Bucket Seats, Power 8-way Driver Seat, Tilt & Telescopic Steering Wheel, Overhead Console Box, Front Console Storage Box w/Lid, 18" Aluminum Alloy Wheels w/Wheel Locks, P275/65R18 Tires, Accessory Meter

CREWMAX TRD Off-Road Package:

5-Passenger Package plus: Front & Rear Bilstein Shock Absorbers, P275/65R18 Raised White Letter Tires, Unique Alloy Wheels, 6-Disc CD Changer, Integrated Garage Door Opener, Front & Rear Clearance Sonar, Power Moonroof Auto-Dimming Rear View Mirror w/Digital Compass, Vehicle Anti-Theft System, Fog Lamps, Map Lamps, TRD Decals

Double Cab LTD & CREWMAX LTD Navigation Package:

DVD-Based Navigation System5 w/Backup Camera, 7.0" LCD Display, 4-Disc CD Changer (Delete 6-Disc CD Changer)

¹ Airbag Notice: The 2009 Tundra 4x4 features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate, in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 4Runner also features a front seat-mounted side airbag and a roll-sensing front and rear head/ side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. Seatbelts must be worn at all times by all occupants.

² These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication EnerGuide Fuel Consumption Guide.

³ Payload = Passengers, Equipment, Luggage and Cargo.

⁴ Toyota tests certain phones for compatibility with Bluetooth® technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

⁵ The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.

Hybrid information guide

what is a Hybrid?

Toyota uses the word “hybrid” to differentiate a class of vehicle that relies on two sources of power. In the case of current Toyota models, that means electricity and gasoline. These two power sources work together (and, at some points, independently) to propel the car forward and continuously provide the most efficient mix of gas and electric power to the wheels.

the benefits of Hybrids

5 reasons to drive these innovative vehicles:

1

low (exhaust) emissions

During start up or while idling in traffic, the vehicle only requires power from the high efficiency electric motor. This greatly reduces harmful smog forming emissions associated with burning fuel.

2

outstanding fuel efficiency

Hybrid vehicles require less fuel to travel the same distance as their non-hybrid counterparts. This efficient use of energy makes environmental and economic sense.

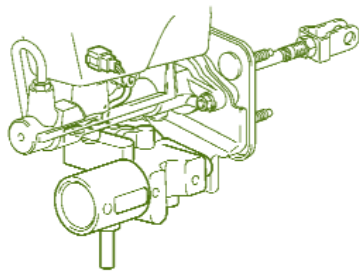

3

high performance

The electric motor assists the gas engine during acceleration by providing additional torque. Drivers enjoy increased power and smooth acceleration.

4

reduced maintenance (costs and frequency)

The regenerative braking system reduces the wear on brakes and increases longevity of pads and rotors. Hybrids also have fewer parts: an electric motor charges the 12-volt battery, eliminating the need for an alternator; and electric power steering replaces the power steering pump and related belts and hoses. Fewer parts and less wear mean less frequent and lower maintenance costs.

5

government rebates

Some Provincial governments* have made hybrid ownership even more attractive by offering rebates on hybrid vehicles. Toyota Dealers have already assisted many hybrid model customers with their hassle-free rebates.

*The British Columbia government has some rebates for fuel efficient vehicles.

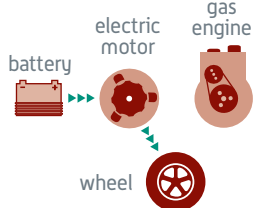

how does it work?

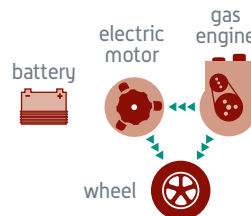

starting off

Electric power stored in the hybrid battery is used to turn the motor and accelerate the vehicle from a stopped position.

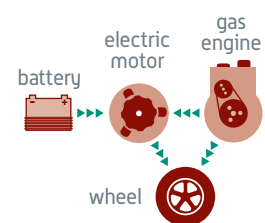

normal driving

A sophisticated computer management system monitors the driving conditions and intelligently controls both the gas engine and electric motor to generate the optimal power and fuel efficiency. Any surplus energy is stored in the battery.

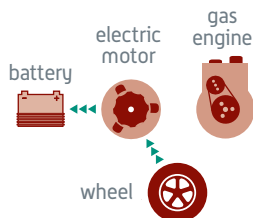

full acceleration

Power output from the electric motor is maximized to provide a boost during full acceleration.

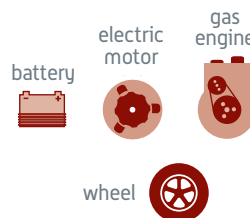

deceleration

The electric motor functions as a generator during deceleration and braking. Recaptured energy is used to recharge the battery.

at rest

Braking to a stop at a traffic light, the gas is first cut off. Wasteful idling is avoided. This conserves fuel and minimizes CO² emissions.

mild hybrid vehicle vs. full hybrid vehicle

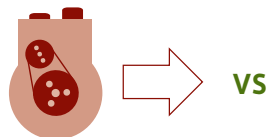

Not all hybrid systems are created equal; some are significantly more capable and efficient than other less sophisticated systems. There are two levels of hybridization, mild and full. The chart below illustrates some of the key differences between the two systems:

MILD

gasoline launch

Power from an internal combustion engine is required to start driving

mild energy recovery

Mild regenerative braking recovers only part of the energy released when the brake is pressed

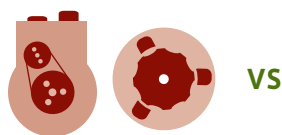

relatively small battery

gasoline engine required

Mild hybrids always require power from the internal combustion engine

FULL

electric launch

Full Hybrids can accelerate under electric power alone (from a complete stop)

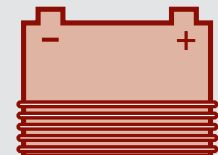

significant energy recovery

Significant regenerative braking funnels energy generated from braking and deceleration directly to the battery for later use

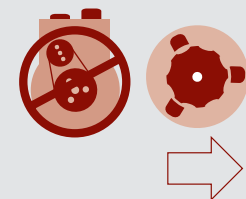

larger, more powerful batteries

can operate on electric motor only

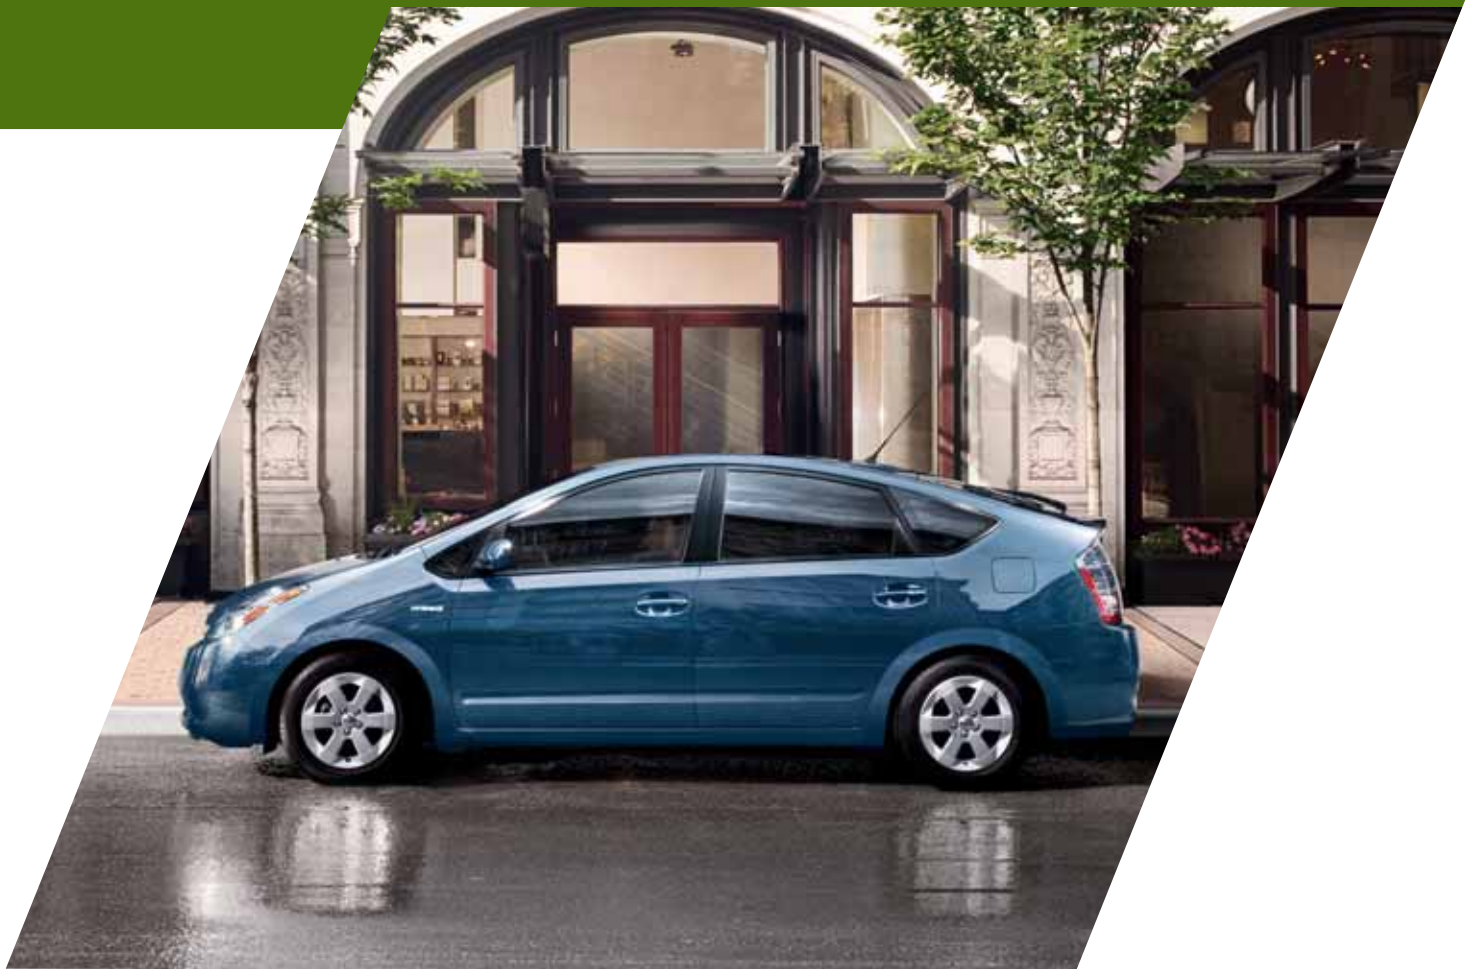

Full hybrids can run solely in electric mode with the gas engine off for short, low speed distances

All Toyota Hybrids are full hybrids!

Toyota's Hybrid Synergy Drive provides outstanding fuel efficiency, reduced emissions, and improved performance.

2009 Prius

new in 2009

- Prius 5-door Liftback Special Edition: added 15" aluminum alloy wheels, deleted 16" aluminum alloy wheels
- "D" suffix Special Edition Premium Package and "E" suffix Special Edition Premium with Navigation Package: added 16" aluminum alloy wheels

key features

mechanical

- Toyota Hybrid System (THS), Hybrid System Net Power 110 hp, 1.5 litre, 4-cylinder, aluminum alloy block, DOHC, 16-valve, VVT-i, electronically fuel injected, tier 2 bin 3 emission rating, stainless steel exhaust system, 295 lb. ft torque @ 0-1200 rpm (electric motor), 500V battery, suspension – front: independent, MacPherson gas struts, stabilizer bar, rear: torsion beam type, stabilizer bar, front wheel drive, Traction Control (TRAC), Continuously Variable Transmission (CVT), power assisted ABS brakes with Brake Assist (BA), Electronic Brake force Distribution (EBD), front ventilated disc brakes, rear drums, electric power rack and pinion steering

safety

- Front passenger occupancy classification indicator, driver and passenger airbag Supplemental Restraint System (SRS), front seat mounted side airbags, front and rear/side curtain airbags, front seatbelt pretensioners and force limiters, all-position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, anchor points for child restraint seats, child protector rear door locks, assist grips, anti-theft system, engine immobilizer, warnings: low fuel, door ajar, head lamps on, tire pressure monitoring system

interior

- AM/FM stereo compact disc, 6 speakers, steering wheel audio and HVAC controls, roof mounted antenna, air conditioning, automatic temperature control, cabin air filter, rear seat heater ducts,

key lockout protection, power door locks, multi information display: outside temperature gauge, dual trip odometer, electrochromic rear view mirror, dual illuminated vanity mirrors, power window with drive side auto up/down, side window defoggers, carpeted cargo area, tonneau cover, cargo net, chrome inner door handles, 4-spoke tilt steering wheel, centre console box with armrest, console box (overhead), upper and lower glove box, front seat back pockets, cargo lamp, glove box lamp, map lamps, illuminated entry, push button start, cruise control, accessory power outlet, keyless entry, digital clock, retained accessory power, garage door opener, front and rear cup holders, luggage belt

exterior

- 5-door liftback, aluminum alloy wheels, wheel locks, heated exterior mirrors, power remote mirrors, electric rear window defroster with timer, tinted glass, high solar energy absorbing window glass, front and rear splash guards, coloured bumpers, rear spoiler, mirrors, grille and door handles, variable intermittent wipers, rear window intermittent wiper/washer, halogen headlamps, light control system, fog lamps

2009 Camry Hybrid

new in 2009

- Added power moonroof, dual illuminated vanity mirrors, rear reading lamps as standard equipment
- Deleted colour: Barcelona Red Metallic (3R3) and Blue Ribbon Metallic (8T5)
- "A" suffix deleted and "B" suffix is new base (deleted 4-way power passenger seat, leather seat surfaces and heated front seats).
- New "C" suffix added with 4-way power passenger seat, leather seat surfaces, heated front seats, DVD-based navigation system

key features

mechanical

- 2.4 litre, Hybrid Net Power 187 hp, 4-cylinder DOHC, 16-valve, VVT-i, Hybrid Synergy Drive (HSD) and Electronic Throttle Control with intelligence (ETCS-i)
- Front suspension – Macpherson gas struts, coil springs, stabilizer bar
- Rear suspension – Independent, Macpherson gas struts, dual link, coil
- Front wheel drive, Vehicle Dynamics Integrated Management (VDIM), Vehicle Stability Control (VSC), Traction Control (TRAC), Continuously Variable Transmission (CVT), power assisted ABS brakes with Electronic Brake force Distribution (EBD), Brake Assist (BA)
- Electric power rack and pinion steering

safety

- Driver airbag Supplemental Restraint System (SRS), front and rear side / curtain airbags, front passenger airbag, front driver knee airbag, front seat mounted side airbags, front seatbelt pre-tensioners and force limiters, outboard and rear centre 3-point lap and shoulder belts, anchor points for child restraint seats, child protector rear door locks, engine immobilizer

interior

- JBL synthesis audio system, AM/FM CD with MP3/WMA player, in dash 6-disc CD changer, audio auxiliary input jack, blue tooth capability, 8 speakers, steering wheel audio controls
- Driver seat adjustment – 8-way power, power lumbar support, recline and vertical, headrest – vertical
- Passenger seat adjustment – recline, headrest – vertical
- Key lockout protection, power door locks, Optitron electronic analog gauges with multi-function display (instantaneous fuel economy meter, water temperature gauge, outside temperature gauge, dual trip odometer), electrochromic rear view mirror with digital compass, dual illuminated vanity mirrors, power windows with drive side auto down, silver accented interior trim, leather wrapped steering wheel and shift knob, telescopic and tilt steering wheel, front console box with lid, front seat back pockets, fadeout dome lamp, door courtesy lamp, glove box lamp, rear reading lamps, push button start, cruise control, smart key system, retained accessory power, garage door opener, front and rear cup holders, accessory power outlet, keyless entry with trunk release, door map pockets

packages

Hybrid Premium Package w/Navigation⁵:

4-Way Power Adjustable Passenger Seat, Leather Seat Surfaces, Heated Front Seats, DVD Based Navigation System w/7" LCD Display Screen, 4-Disc CD Changer (Delete 6-Disc Changer) ○

¹ Airbag Notice: The 2009 Camry features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 Camry also features a front seat-mounted side airbag and front head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*

⁴ Toyota tests certain phones for compatibility with Bluetooth® technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

⁵ The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

2009 Highlander Hybrid

new in 2009

- Comfort Package – “C” Suffix becomes “B” Suffix adding automatic headlamp system
- New Leather Package adds Comfort Package plus leather seat surfaces, heated driver and front passenger seats
- Highlander Hybrid Limited adopts XM satellite ready antenna with prewire

key features

mechanical

- 3.3 Litre, V6, aluminum alloy block, DOHC, 24-valve, VVT-i, 270 hp, 212 lb. ft. torque @ 4,400 rpm, sequential multiport electronic fuel injection, tier 2 bin 3 emissions rating, Hybrid Synergy Drive, front and rear high output, permanent magnet, electric motors, heavy duty battery, starter, alternator and heater, hood strut, stainless steel exhaust system, towing capacity 1,587 kg (3,500 lbs.)
- Antilock Braking System (ABS), Electronic Brake force Distribution (EBD), Brake Assist (BA), front ventilated disc brakes, rear ventilated disc brakes, integrated regenerative braking system, Electronically Controlled Hydraulic Braking System (ECB2)
- Electronically Controlled continuously Variable Transmission (ECVT), power split device, transmission cooler, Vehicle Dynamics Integrated Management (VDIM), Traction Control (TRAC), on demand electronic 4WD, engine undercover
- Electric power, rack and pinion steering

safety

- Dual stage driver and passenger airbag Supplemental Restraint System (SRS), front passenger airbag status/occupancy classification indicator, front seat mounted side airbags, driver knee airbag, roll-sensing front and rear head/side curtain airbag, front seatbelt pretensioners and force limiters, side impact beams, all-position 3-point lap and shoulder belts, adjustable "B" pillar shoulder belt anchors, anchor points for

child restraint seats, front tow hook, assist grips, anti-theft system, engine immobilizer, warnings: low fuel, low washer fluid, door ajar, direct tire pressure monitoring system, headlamps on, front driver and passenger seat belt warning

interior

- AM/FM stereo compact disc, MP3/WMA audio capability, audio auxiliary input jack, air conditioning, rear seat heater ducts, power door locks, Instrumentation: 3.5" LCD display, Optitron instrumentation gauges, multi information display, kilowatt power meter, water temperature gauge, outside temperature gauge, dual trip odometer, dual vanity mirrors, power windows with driver side auto down, woodgrain trim, tilt and telescopic steering wheel, front console box with lid, door courtesy lamps, map lamps, push button start, cruise control, smart key system, retained accessory power, overhead sunglass storage, front and rear cup holders, cargo area tie-down rings, shopping bag hooks, door map pockets, coat hooks, illuminated entry with fadeout

exterior

- 4-door sport utility, electric rear window defroster with timer, high solar energy absorbing window glass, variable intermittent wipers, rear window intermittent wiper/washer, windshield wiper de-icer, reflector style halogen headlamps
