

RAV4 | 09

 **TOYOTA**
make things better

09 RAV4

Inside and out, you'll find the unexpected with the new 2009 RAV4. With a surprisingly spacious interior, RAV4 combines remarkable fuel-economy and agility into one sleek package. Available with a 4-cylinder or V6 engine, the Base, Sport and Limited models come standard with 4WD to ensure quick work is made of the asphalt, no matter what the weather condition. When things exceed expectation, that's how we make things better with the 2009 RAV4.

FRONT COVER

Limited V6 4WD shown in Classic Silver Metallic.

A Limited V6 4WD shown in Classic Silver Metallic. **B** Sideview mirror mounted turn signals.

A

Base 4WD/V6 4WD

RAV4 Base offers a level of standard features that's anything but basic. For starters, its all-new fuel-efficient 2.5-litre 4-cylinder is rated at 179 hp. That's the kind of responsive power you might not expect from a 4-cylinder engine. If you're looking for a little more punch, RAV4 Base is also available with a 3.5-litre, 269 hp V6 engine. And how's this for exceeding expectations - every RAV4 model comes standard with 4WD.

B

C

D

A Base V6 4WD with 17-inch aluminum alloy wheels shown in Sandy Beach Metallic. **B** Base V6 4WD interior shown in Ash. Optional interior comfortably seats up to seven passengers. **C** With just a pull of the cargo area one-touch levers, the second row folds flat to form a surface ideal for loading your gear. **D** The 60/40 split fold-down second row seats are remarkably versatile and have a variety of cargo and passenger-carrying configurations.

KEY FEATURES • 179 hp, 2.5-litre, 4-cylinder, DOHC, 16-valve, Dual VVT-i engine with sequential multiport electronic fuel injection. • 269 hp, 3.5-litre, V6, DOHC, 24-valve, Dual VVT-i engine with sequential multiport electronic fuel injection. • Power-assisted, ventilated front discs, solid rear disc brakes. • Antilock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA). • Super Electronically Controlled Transmission (Super ECT) with gate-type shifter. • AM/FM CD/MP3/WMA player, 6-speakers, audio auxiliary input jack. • Air conditioning, rear seat heater ducts. • Fabric seat material. • 60/40 split rear bench seat with fold-down seat back. • 50/50 Split and Stow 3rd Row™ bench seat (optional Base V6 4WD only). • Active front headrests. • Dual-stage driver and front passenger airbags, front seat-mounted side airbags, roll-sensing front and rear head/side curtain airbags Supplemental Restraint System (SRS).¹ • Coloured moulded spare tire cover. • P225/65R17 all-season radial tires. • 17-inch styled steel wheels. • Automatic headlamp cancel function.

Sport 4WD/V6 4WD

The RAV4 Sport offers style and grace in one performance minded package. Its unique 18-inch aluminum alloy wheels, power/tilt slide moonroof with sunshade and 6-speaker audio system all enhance your driving experience. Plus an available leather interior with heated driver and front passenger seats complete RAV4 Sport's sleek design, inside and out.

- A** RAV4 Sport 4WD shown in Pacific Blue Metallic.
- B** The roomy Sport 4WD interior shown in optional Dark Charcoal leather. The rear seats fold down flat so that you can make the most of the 2.07 cubic metres (73 cubic feet) of space.
- C** No matter where you take your RAV4, your tunes can always travel with you. An auxiliary audio jack for MP3/WMA devices is located on the front centre console.

KEY FEATURES • 179 hp, 2.5-litre, 4-cylinder, DOHC, 16-valve, Dual VVT-i engine with sequential multiport electronic fuel injection. • 269 hp, 3.5-litre, V6, DOHC, 24-valve, Dual VVT-i engine with sequential multiport electronic fuel injection. • Power-assisted, ventilated front disc and solid rear disc brakes. • Vehicle Stability Control (VSC), Traction Control System (TRAC). • AM/FM CD/MP3/WMA player, 6-speakers, audio auxiliary input jack. • Air conditioning, rear seat heater ducts. • Auto-dimming rear view mirror with integrated backup camera. • Sport badges. • Dual-stage driver and front passenger airbags, front seat-mounted side airbags, roll-sensing front and rear head/side curtain airbags Supplemental Restraint System (SRS).¹ • P235/55R18 all-season radial tires. • 18-inch aluminum alloy wheels. • Optional DVD based navigation system.⁵

A

Limited 4WD/V6 4WD

From the smooth contours of the centre console to the soft textures of the optional leather seats – every aspect of RAV4 Limited has been designed with refined elegance and comfort in mind. With the innovative Smart Key System you can start RAV4 Limited with the push-button ignition, while the integrated switches on the leather-wrapped steering wheel let you control the 6-disc in-dash 6-speaker stereo system. The luxurious interior and innovative features of the Limited allow you and your passengers to enjoy an exceptional driving experience.

B

C

A Limited V6 4WD shown in Classic Silver Metallic. **B** The elegant RAV4 Limited 4WD interior shown in optional Ash leather. **C** The sleek design of the Limited 4WD cockpit. **D** The backup camera displays what it sees behind you on the auto-dimming rearview mirror.

KEY FEATURES • 179 hp, 2.5-litre, 4-cylinder, DOHC, 16-valve, Dual VVT-i engine with sequential multiport electronic fuel injection. • 269 hp, 3.5-litre, V6, DOHC, 24-valve, Dual VVT-i engine with sequential multiport electronic fuel injection. • Power-assisted, ventilated front disc and solid rear disc brakes. • Vehicle Stability Control (VSC), Traction Control System (TRAC), active torque control 4WD. • AM/FM CD/MP3/WMA 6-disc changer, 6-speakers, audio auxiliary input jack. • Dual zone automatic climate control, soft touch heater controls, rear seat heater ducts. • Tonneau cover, cargo area multi-purpose net. • Push Button Start, Smart Key System. • 8-way adjustable driver's seat. • Dual-stage driver and front passenger airbags, front seat-mounted side airbags, roll-sensing front and rear head/side curtain airbags Supplemental Restraint System (SRS).¹ • P225/65R17 all-season radial tires. • 17-inch aluminum alloy wheels. • Fog lamps. • Automatic headlamp system.

D

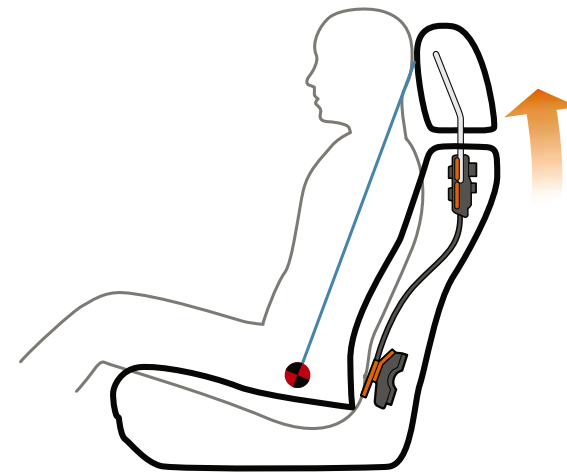

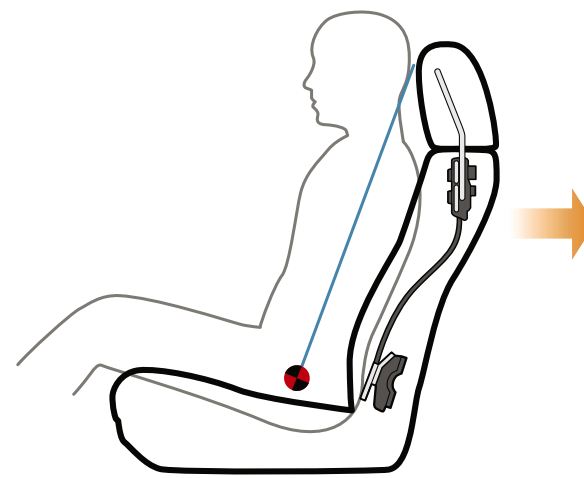

RAV4 Base V6 4WD with optional interior.

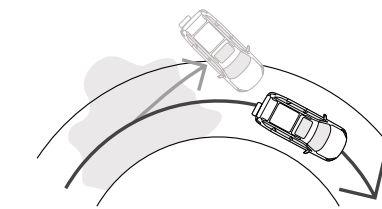

Safety and Performance

Toyota engineered RAV4 to earn the confidence of its driver. Which is why RAV4 is available with several advanced traction technologies including available Electronic On-Demand 4-wheel drive (4WD), which helps optimize grip when necessary by automatically switching from fuel-efficient front-wheel-drive (FWD) to 4WD mode. The RAV4's advanced airbag system¹ includes both driver and front passenger airbags and is complemented by front seat-mounted side airbags as well as first- and second-row Roll-Sensing side Curtain Airbags (RSCA).

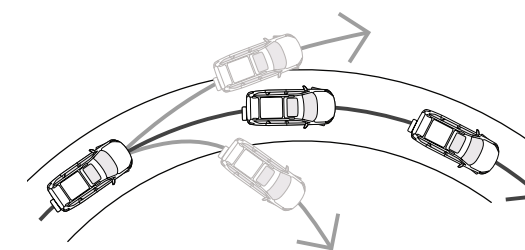

SAFETY FEATURES • Antilock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA). • Vehicle Stability Control (VSC), Traction Control System (TRAC), active torque control 4WD. • Hill-Start Assist Control (HAC) and Downhill Assist Control (DAC) (V6 models only). • Dual-stage driver and front passenger airbags, front seat-mounted side airbags, roll-sensing front and rear head/side curtain airbags Supplemental Restraint System (SRS).² • Front passenger airbag occupancy classification indicator. • All-position 3-point lap and shoulder belts. • Front seatbelt pre-tensioners with force limiters. • Anchor points for child restraint seats. • Active front headrests with whiplash protection.

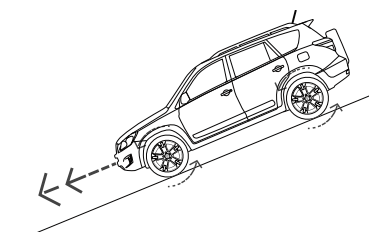

ACTIVE FRONT HEADREST In the event of certain rear-end collisions, a mechanism in the lumbar region of the front seats triggers the movement of the headrests up and forward to help position the headrests to better support the occupant's head.

TRACTION CONTROL (TRAC) If a wheel loses traction, TRAC limits engine output and/or applies the brake to the spinning wheel, and transfers torque to the wheel that's still got traction.

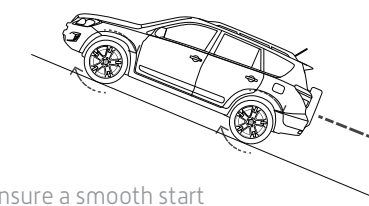

ENHANCED VEHICLE STABILITY CONTROL (VSC) To help improve control in situations that could cause a vehicle to slip sideways while cornering, RAV4 uses Enhanced VSC. It adjusts engine power, braking and steering assist torque to help the driver steer in the direction that provides the greatest control.

DOWNHILL ASSIST CONTROL (DAC)

Available DAC sets a target speed of approximately 6-9 km/hr on steep declines. The system applies the brakes, helping eliminate wheel-locking for a more controlled descent.

HILL START ASSIST CONTROL (HAC)

Available HAC helps ensure a smooth start on inclines, braking for 2-3 seconds to help prevent vehicle rollback as the driver switches from the brake pedal to the accelerator.

NEW VEHICLE WARRANTY SUMMARY NO DEDUCTIBLES – NO TRANSFER FEES

COMPREHENSIVE COVERAGE – 3 YEARS OR 60,000 KM This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS – 5 YEARS OR 100,000 KM This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS – 8 YEARS OR 130,000 KM This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION – 5 YEARS UNLIMITED DISTANCE Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCOVER MORE WITH TOYOTA

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's affordable peace of mind. Consult your Toyota Dealer for details.

Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. We service your Toyota the way we built it. So you can count on quality parts and professional service.

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca.

Fewer emissions and pollutants! More kilometres on less fuel. And power and performance second to none. Available in Prius, Camry and Highlander, these latest generation Toyota hybrids offer you the best of all worlds.

Toyota Graduate Program This program assists new graduates in their purchase of a New or Certified Used Toyota. The program differs depending on the model chosen. Be sure to ask your Dealer when purchasing your Toyota. Some conditions may apply.

All new Toyota cars and trucks include a full tank of gas, roadside assistance and floor mats.

The Toyota Mobility program is dedicated to addressing the transportation needs of Toyota Owners who have a disability, or know a family member with a disability or mobility issue. The program offers cash assistance, resource information and financing for adaptive equipment for their vehicle.

CLUB | TOYOTA Enhance your Toyota ownership experience by joining Club Toyota – a complimentary and exclusive online service for Toyota owners.

Benefit from an abundance of interactive, convenient services, and information conveniently at your fingertips. Register today at clubtoyota.ca.

⁵Compared against similarly equipped conventional gasoline powered vehicles. Based on North American sales data and Federal Tier 2 engine emission requirements.

Toyota Canada in the Community.

Toyota has a long-standing commitment to the environment both globally and in Canada. This is defined in the Toyota Earth Charter to "Always be concerned about the environment" even as we "Contribute toward a prosperous 21st Century society." Toyota is committed to giving back to the communities in which we live and operate, to make Canada a better place to live.

Toyota Canada Inc. and Earth Day Canada established the Toyota Earth Day Scholarship Program in 2003 to recognize and reward graduating high school students who have distinguished themselves through environmental, volunteer and academic excellence. Each year, 15 scholarships are awarded coast to coast, allowing Canada's future environmental leaders to continue their studies. For more information visit earthday.ca/scholarship

Toyota Canada Inc. and its Dealerships partnered with Evergreen in 2000 to create the Toyota Evergreen Learning Grounds Program, that is transforming Canadian school grounds into natural learning environments. For more information visit evergreen.ca

Toyota Canada Inc. and its Dealers are National Sponsors of Special Olympics Canada, which is dedicated to making a difference in the lives of Special Olympics athletes. Toyota Canada Inc. reaches out to Special Olympics athletes whenever possible through participation in events at a local, regional, provincial and national level. For more information visit specialolympics.ca

¹Airbag Notice: The 2009 RAV4 features a driver & front passenger airbag Supplemental Restraint System (SRS) which usually activates in a full-frontal collision of sufficient magnitude to inflate the bags. In moderate frontal collisions, the airbags may not inflate; in a rear or side collision the airbags are designed not to inflate, so the primary protection is provided by the lap and shoulder belt system. The 2009 RAV4 also features a front seat-mounted side airbag and roll-sensing front and rear head/side curtain airbag Supplemental Restraint System (SRS) which usually activates in a side-impact collision of sufficient magnitude to inflate the bags. *Seatbelts must be worn at all times by all occupants.*

²These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication *EnerGuide Fuel Consumption Guide*.

³Payload = Passengers, Equipment, Luggage and Cargo.

⁴The Toyota voice-activated DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

Make things better.

It's what we believe at Toyota. It is a belief grounded in a simple truth:

Better is not a destination. It is a way. It is a spirit of continuous improvement.

A path we travel along where every thing we do in the name of better improves the vehicles we build, the experience of our customers, and the world we live in. Better is about more than just a car or a truck. It is about before, during, and after. It is about the good we do for each other, our respect for the environment, and all the things we choose to do to simply **make things better.**
