>> smart fortwo coupé edition light yellow

>> The quantity is limited. The style isn't.

Standing apart from the crowd has always been a defining virtue of smart and now, you can have it made in a whole new shade. We've given the distinctive character of the smart fortwo pure an even more stimulating presence: the edition light yellow. With body panels in luminous light yellow paintwork, perfectly accented by a black tridion safety cell, this special edition is styled as brilliantly as it is engineered. Inside, an upgraded and dramatic design black interior welcomes you with the enhanced comfort of standard air conditioning featuring automatic temperature control and pollen filter. After all, keeping your cool is about more than just appearances.

The smart fortwo edition light yellow coupe is equipped with all the standard features of the smart fortwo pure:

- > Full size driver and passenger air bags
- > Head/thorax side air bags
- > 2-Spoke leather steering wheel and shift knob
- > esp® electronic stability program with hill start assist
- > tridion safety cell
- > Power windows
- > Central locking with radio remote control, immobilizer and panic button
- > Radio 9 (integrated CD player and power output 4x25 Watts)

Plus these additional features:

- > Body panels in light yellow
- > Design black interior
- > Air conditioning with automatic temperature control and pollen filter

Well equipped from \$15,800
