4Runner

 **TOYOTA**
make things better

4Runner

From the steepest inclines to the sharpest descents, the all new 2010 4Runner comes with advanced technology to adapt to whatever you throw at it. Built to handle the most difficult challenges, it has the power and performance to help you get safely through muddy terrain, snow covered landscapes and icy roads. Whatever the condition, 4Runner continues to prove you can live and play in a rugged world without sacrificing power, comfort and style. That's how we make things better with the new 2010 4Runner.

FRONT COVER

4Runner SR5 V6 shown in Salsa Red Pearl.

A. 4Runner SR5 V6 with Limited Package and accessory equipment shown in Shoreline Blue Pearl. **B.** 4Runner SR5 V6 with Trail Edition Package shown in Classic Silver Metallic.

4Runner

Survival in the wilderness favours the strong. Thankfully the all new 4Runner SR5 V6 is engineered to rise above the elements and overcome almost any obstacle. Beneath its rugged exterior, there's a durable body-on-frame construction and advanced traction technologies for true off-road capability. Under the hood is an impressive 270 hp V6 Dual VVT-i engine with 278 lb.ft. of torque, which simultaneously optimizes both power and fuel efficiency so you can have all the muscle you need. Inside, the luxurious and spacious cabin features increased head and hip room so that everyone can experience first class treatment while still roughing it out in the outdoors.

FUEL CONSUMPTION²

12.6 City/9.2 Highway L/100 km
4.0-litre, V6 with automatic transmission

SELECT FEATURES

- 270 hp, 4.0-litre, V6, DOHC, 24-valve, Dual VVT-i engine with 5-speed automatic Super Electronically Controlled Transmission (Super ECT).
- Automatic Disconnecting Differential (ADD), multi-mode one touch 4WD system.
- Power-assisted, 4-wheel ventilated disc brakes.
- Antilock Braking System (ABS).
- AM/FM CD/MP3 player, audio auxiliary input jack, 8-speakers, XM[®] satellite ready antenna with prewire, antenna pole.
- Automatic air conditioning with climate control, cabin air filter, rear seat heater ducts.
- Power 8-way driver's seat.
- Sport fabric seat material, fabric door trim.
- Dual power heated remote-control foldable mirrors.
- 4-spoke tilt and telescopic steering wheel.
- Multi-information display, trip computer.
- Automatic headlamp cancel function.
- 17-inch aluminum alloy wheels.

40/20/40 SECOND-ROW

4Runner's versatility is evident in its second-row seat. Recline it and relax. Or fold its 40/20/40 seat sections to create a variety of passenger and cargo-carrying configurations.

VOICE-ACTIVATED TOUCH-SCREEN DVD NAVIGATION SYSTEM⁵

Take the guesswork out of venturing into the unknown. The available voice-activated touch-screen DVD navigation system⁵ lets you map your whereabouts with the touch of a finger. [Limited Package w/Navigation only]

DUAL-ZONE AUTOMATIC DIGITAL CLIMATE CONTROL

The driver can set one temperature setting, while the front passenger can select a separate setting. Rear ventilation and an air filtration system add to 4Runner's high level of interior comfort. [Limited Package only]

MULTI-TERRAIN SELECT AND CRAWL CONTROL

For specific off-road conditions, there are two driver-selectable features. To enhance off-road performance and traction, Multi-terrain Select lets you choose from four terrain modes: "Mud and Sand," "Loose Rock," "Mogul," or "Rock." For off-road obstacles using extremely low-speeds, the Crawl Control modulates the electronic throttle and brakes, so that you can focus more attention on steering. [Trail Edition Package only]

ENHANCED REAR TAILGATE

4Runner's spacious rear cargo area is available with a sliding rear cargo deck that can hold up to 440 lbs. [Trail Edition Package only]

LEATHER-TRIMMED INTERIOR

The leather-trimmed interior shown in Sand Beige with the flat folding 3rd row bench-seat for additional cargo capacity. [Limited Package only]

4Runner SR5 V6 with Trail Edition Package shown in Classic Silver Metallic.

SMART KEY SYSTEM

Unlock doors, open or close the power sliding rear window all at the push of a button. [Limited Package only]

Safety and Performance

SELECT FEATURES

- Antilock Braking System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist (BA).
- Vehicle Stability Control (VSC), Active Traction Control System (A-TRAC).
- Sequential shift mode, VSC cut-off switch.
- Multi-mode one touch 4WD system.
- Available Kinetic Dynamic Suspension System (KDSS) [Trail Edition Package only], X-REAS Sport Suspension.⁶ [Limited Package only]
- Dual-stage driver and front passenger airbags, front seat-mounted side airbags, driver and front passenger knee airbags, roll-sensing front and rear head/side curtain airbags Supplemental Restraint System (SRS).¹
- Front passenger airbag occupancy classification indicator.
- All-position 3-point lap and shoulder belts.
- Front seatbelt pre-tensioners with force limiters.
- Anchor points for child restraint seats.
- Active front headrests with whiplash protection.

X-REAS SPORT SUSPENSION⁶

Designed to improve on-road handling performance and ride comfort, X-REAS⁶ technology links each of the vehicle's shocks to their diagonal counterpart via a gas/hydraulic chamber. During cornering or travelling on a bumpy surface, the gas/hydraulic chamber moves fluid from the cross-linked shock bearing the least amount of force to the shock bearing the greatest amount of force. This helps the wheels maintain contact with the driving surface and helps lessen vehicle body sway and pitch. [Limited Package only]

Vehicles that take on difficult terrain have to be more than just tough. The new 4Runner comes standard with eight airbags, including front seat-mounted side airbags and front and second-row Head/Roll-Sensing Side Curtain Airbags (RSCA) with cut-off switch.

4Runner SR5 V6 interior with Limited Package shown in Sand Beige Leather.

HILL-START ASSIST CONTROL (HAC)

You're stopped during your climb up a trail. What can happen next is why 4Runner comes equipped with a feature called Hill-Start Assist Control, or HAC. Without it, a vehicle can roll backward as the driver switches from the brake to the accelerator. HAC detects when the wheels roll backward, and then gently applies the brakes, helping give the driver time to engage the accelerator.

DOWNHILL ASSIST CONTROL (DAC)

Designed to help provide a controlled descent on steep inclines Downhill Assist Control (DAC), it works by setting a target vehicle speed of approximately 3-6 km/h. To help maintain that target speed, DAC sends a signal that automatically modulates 4Runner's powerful brakes.

Toyota Quality

Quality is built right into the production process from the selection of raw materials, right down to the vehicle's final inspection. And it is the responsibility of everyone to ensure the highest quality possible on each and every vehicle. It's through Toyota's philosophy of 'Kaizen' that we are always looking for ways to continually improve. That's how we make things better.

THE TOYOTA PRODUCTION PROCESS

is one that is constantly evolving. With our "Just-In-Time" practice, the goal is to make certain that during the manufacturing process, only what is needed gets produced. The result is twofold: because there's no excess supply, any issues are exposed and promptly resolved to ensure that everything off of the Toyota assembly line is of exceptional quality.

THE HUMAN TOUCH. As impressive as the machinery is, the achievement of perfect fit and finish is also the result of continuous human touch for every step of the way.

TOYOTA CANADA COLD RESEARCH CENTRE.

Located in Timmins, Ontario, our teams test Toyota vehicles in actual Canadian winter conditions at our cold weather testing track to ensure that they remain dependable throughout the long winter months.

New vehicle warranty summary

NO DEDUCTIBLES – NO TRANSFER FEES

COMPREHENSIVE COVERAGE - 3 YEARS OR 60,000 KM This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS - 5 YEARS OR 100,000 KM This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS - 8 YEARS OR 130,000 KM This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION - 5 YEARS UNLIMITED DISTANCE Any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

Accessories

Personalize your vehicle to enhance its appearance and performance with Toyota Accessory Parts. Your Toyota Dealer can help you select the right accessories to suit your individual style. Many of Toyota's Accessory Parts can be residualized or advanced through Toyota Financial Services when purchased at the time of a new vehicle sale, and all are backed by a Toyota Warranty. To view a complete list of accessories specifically designed for your vehicle, visit customizeyourtoyota.ca, your local Dealer or toyota.ca.

Personalize your 4Runner with interior and exterior accessories that suit your individual needs.

- All-Season Mats
- Bike/Ski/Snow Board Carrier
- Block Heater
- Bluetooth®
- Cargo Liner
- Cargo Nets – 2nd & 3rd Row
- Emergency Assistance Kit
- First Aid Kit
- Hitch Mounted Bike Carrier
- Hood Deflector

- Licence Plate Protector
- Remote Engine Starter
- Roof Rail Crossbars
- Tonneau Cover
- Towing Accessories
- XM® Satellite Radio

Roof Rail Crossbars

Hood Deflector Protect your vehicle with a high impact deflector that minimizes damage caused by road debris, pebbles and insects.

XM® Satellite Radio Tune in and listen to thousands of commercial free radio stations of your choice.

Bluetooth® Keep your hands on the wheel and your eyes on the road as you talk conveniently and safely through the Bluetooth® hands free system.

Remote Engine Starter

Cargo Net

Cargo Liner Protect your interior with this durable vinyl liner which features a raised lip to contain spills for easy cleanup.

Tonneau Cover

Discover more with Toyota

At Toyota, our goal is to continuously make things better for you. That's why we offer a wide range of programs and services before and after your vehicle purchase designed to help make your Toyota experience the best it can be.

Fewer emissions and pollutants.¹ More kilometres on less fuel. And designed with power and performance in mind. Available in Prius, Camry and Highlander, these latest generation Toyota hybrids offer you the best of all worlds.

Toyota Dealers are dedicated to making the experience of owning a Toyota both satisfying and rewarding. We service your Toyota the way we built it. So you can count on quality parts and professional service.

If you're looking at leasing or financing, we're here to help. We provide competitive interest rates, flexible terms, and an easy online pre-approval process. The toughest decision should be choosing which Toyota you want. Visit us at www.toyotafinancialservices.ca.

Enhance your Toyota ownership experience by joining Club Toyota – a complimentary and exclusive online service for Toyota owners. Benefit from an abundance of interactive services, and information conveniently at your fingertips. Register today at clubtoyota.ca.

With Extra Care Protection you receive inflation protected coverage from mechanical failures, road emergencies, and much more. It's affordable peace of mind. Consult your Toyota Dealer for details.

The Toyota Mobility program is dedicated to addressing the transportation needs of Toyota Owners who have a disability, or know a family member with a disability or mobility issue. The program offers cash assistance, resource information and financing for adaptive equipment for their vehicle.

All new Toyota cars and trucks include a full tank of gas, roadside assistance and floor mats.

¹Compared against similarly equipped conventional gasoline powered vehicles. Based on North American sales data and Federal Tier 2 engine emission requirements.

Working together to make things better.

Through education, inspiration, financial support and a long standing commitment to the environment, Toyota Canada is proud to contribute to the Toyota Canada Foundation and to various community programs that are devoted to the betterment of our planet. ¹All Toyota vehicles shown in this brochure, have Supplemental Restraint Systems (SRS) which, depending on the model, may include driver and front passenger airbags, front seat-mounted side airbags or side curtain airbags. For important safety information about the Supplemental Restraint System in a vehicle, please see the Owner's Manual or contact your local Toyota Dealer.

²These estimates are based on the Government of Canada's approved criteria and testing methods. The actual fuel consumption of this vehicle may vary. Refer to the Government of Canada publication *EnerGuide Fuel Consumption Guide*.

³Payload = Passengers, Equipment, Luggage and Cargo.

⁴Toyota tests certain phones for compatibility with Bluetooth® technology. Please see your Toyota Dealer for details. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the service coverage available in your area.

⁵The Toyota DVD based navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota Dealer for further details.

⁶X-REAS Sport Suspension does not increase payload.
