# LISTEN TO SOMETHING BETTER THAN A BACKSEAT DRIVER.

>> A big idea for those who want it all.

Limited edition pure sound.

Style, comfort and rock 'n roll – the new limited edition smart pure sound has it all. Features that were originally only available as options on the smart fortwo now come standard on this edition – like an interactive multimedia touchscreen navigation system, 7 speaker surround sound system, comfort package, alloy wheels, deep black, crystal white and rally red colour options, and as always, impressive fuel economy. At \$15,990, you'll enjoy more car for less – and get it all at once.

smart – a Daimler brand

## >> Standard features of the limited edition smart pure sound.

### comfort package:

The additional features of the comfort package ensure a comfortable and safe trip, every time. From air conditioning with automatic temperature control to the folding armrest, you'll feel right at home in your smart fortwo.

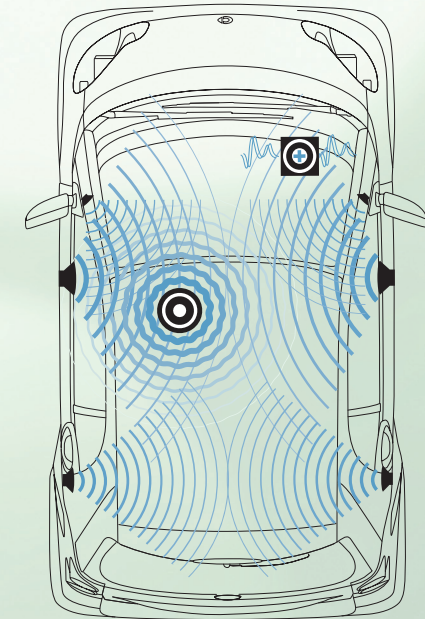

### alloy wheels:

Leave an impression on roads – and minds. New 12-spoke alloy wheels (15") with wide all season tires (165/60 R15 at the front and 195/50 R15 at the rear) add sportiness to the limited edition smart pure sound's rounded-out style.

### touchscreen multimedia system:

This intuitive multimedia system features a 6.5" touchscreen display, interactive map display, Bluetooth hands-free for your phone, AUX/USB port and an iPod® interface that allows you to control your music via the touchscreen, CD/DVD player and a picture viewer for your favourite photos.

### surround sound system:

Get a 7 speaker surround experience with a subwoofer, 8-channel digital amp and perfectly matched tweeters, mid-range and rear-fill loudspeakers. Your favourite music never sounded so good – a little ear candy for your little eye candy.
