Das Auto

Do you speak Volkswagen? Spoken by millions of drivers the world over, Volkswagen is synonymous with superbly German-engineered vehicles that continually up the ante when it comes to high performance, exceptional quality, and thinking blue (that's Volkswagen for green). It goes without saying that this year's lineup of 2011 Volkswagen models – from nimble compacts to powerful SUVs – is no exception to the rule.

Here are a few more adjectives from the Volkswagen vocabulary: aerodynamic, intuitive, nimble, fuel-conscious, eco-friendly. Sounds innovative? Well it is. Wrap it all up with a sleek and curvy exterior and you'll quickly understand that when you're in a Volkswagen, you're not just driving any car – you're driving Das Auto.

Design and
Craftsmanship

The wheel. Reinvented.

Well, perhaps not the wheel but virtually everything that surrounds it. The 2011 Touareg is luxury with an edge, making it so much more than an SUV. It's power and quiet refinement, functionality and versatility, and most importantly it's the ability to feel at home on any road – from the busy city to the quiet countryside. The engineering team in Germany worked diligently to redesign the 2011 Touareg, and what they present to you is a very sophisticated result. A completely redesigned interior space that understands that passengers, as well as drivers, deserve preferential treatment. Proactive safety features, like Intelligent Crash Response System which automatically unlocks all doors, disconnects the battery terminal from the starter, shuts off the fuel supply and turns on the warning hazards and interior lights when a severe crash is detected. There's also a standard navigation system with an ample 8" screen, an 8-way power driver and passenger comfort seat system and an available automatic tailgate that opens and closes simply by pressing a button. This is just a mere sampling of all the innovative thinking and craftsmanship that went into the 2011 Touareg – not just redesigned, but totally reinvented.

Technology and Performance

Innovative technology, at your service.

The all-new Touareg is fully loaded with all the technology features to make your driving experience not only safer but also more enjoyable. There are driver-friendly functions like the electronic parking brake which can be set and released with the touch of a finger, Tire Pressure Monitoring System which notifies you immediately if any tire is losing air, auto-dimming interior mirror and 4MOTION® all-wheel drive system with Torsen differential, giving you a 31-degree climbing angle and stability on any type of ground service. You'll also find a touch-screen navigation system with 3-D landmarks and available rearview camera, so you know what's behind, as well as what's up ahead. A multifunction steering wheel to keep power and control at your fingertips and available power remote rear seats that fold with the touch of a button for total cargo flexibility. The all-new Touareg boasts a multitude of premium features that are designed to exceed expectations, but then again, when it comes to our luxury SUV, exceeding expectations is expected.

Technology and
Performance

Full 8-speed ahead.

The all-new reshaped Touareg is lighter than its predecessor – a giant leap in design engineering – giving you improved aerodynamics and higher fuel efficiency. Speaking of leaps, both the TDI Clean Diesel and 3.6 FSI gas engines now come equipped with an 8-speed automatic transmission with Tiptronic®. More gears reduce engine speed for better fuel economy, which in turn contributes to fewer emissions. But with these impressive engines, efficiency doesn't have to come at the expense of power. The all-new Touareg delivers better overall on-road performance and very competent off-road capabilities – because you never know where your sense of adventure could take you next.

Think Blue.

Think Blue

Think Blue with the Touareg.

Making small changes in our everyday lives to help protect the environment is the foundation of Think Blue. Everyone can help in his or her own way to become a more efficient and eco-friendly driver. It may come as a surprise, but fuel consumption can be drastically reduced just by changing a few driving habits. But that doesn't mean you have to sacrifice pleasure or comfort. With the help of our innovative technologies and low-emission products, you can become a more environmentally-friendly, fuel-friendly, and wallet-friendly driver. And that's good for everyone.

BlueMotion Technologies

BlueMotion™ Technologies isn't just a single technology, it's a range of innovations designed to help the environment and to help you get more out of your driving experience. We're deeply committed to improving every aspect of our vehicles. From improved transmissions and better aerodynamics to weight-reduction technologies that lead to drastically reduced fuel consumption and CO₂ emissions. Here is an innovative technology that makes the Touareg more efficient.

BLUEMOTION
— TECHNOLOGIES —

Think Blue

TDI – Clean Diesel is the new way of driving diesel. “Clean Diesel” encompasses two things: engine technology that reduces emissions to extremely low levels, and the ultra-low sulphur diesel fuel now available at pumps across the country. As for “TDI”, it stands for Turbocharged Direct Injection, a technologically advanced step in the right direction. The turbocharger supplies the engine with pressurized fresh air for maximum efficiency during cylinder charging. After compression, clean diesel fuel is injected straight into the cylinders at very high pressure. This results in outstanding fuel economy, low emissions and torque to spare. And with engine noise and vibration drastically reduced with more effective engine encapsulation, the old telltale sound of a diesel engine has been reduced to a mere whisper.

To see other examples of Volkswagen BlueMotion Technologies, please visit vw.ca.

This is a dramatization and does not depict what will happen in an accident. All bags will not inflate in real-world accidents and if multiple bags do deploy they will be in various stages of inflating/deflating and will never all be inflated at the same time.

Safety standards come standard.

Every Volkswagen comes standard with many features that work in harmony to both help you avoid an accident and help protect you if an accident is unavoidable. And we are constantly updating it, because when it comes to safety, there is no finish line.

WOKS – One of the newest Touareg safety features, WOKS, or whiplash-optimized head restraints for the front driver and passenger seats, are a new innovation in passive safety providing improved protection in the event of a rear impact.

Intelligent Crash Response System (ICRS) – After the airbags have been deployed, the Intelligent Crash Response System automatically unlocks all doors, disconnects the battery from the starter, disables the fuel pump, and turns on the hazard and interior lights. That's why we call it intelligent.

Auto Hold – Whether you're going up or downhill, Auto Hold controls the hydraulic pressure to help prevent the vehicle from rolling forward or backward once you come to a complete stop. Even if you take your foot off the brake.

Electronic parking brake – No need to pull levers and push pedals to set your parking brake. Just simply pull the electronic brake button, and it will activate. To get going, press the button while your foot is on the brake and it will release.

Electronic Stability Control (ESC) – ESC helps the driver maintain their intended course by generating corrective forces. ESC is most effective when the driver is taking evasive action during sudden manoeuvres, like when avoiding an accident. This feature is standard on all Volkswagen models.

Electronic Brake-pressure Distribution (EBD) – Integrated into the anti-lock braking system, this technology automatically reduces the amount of brake force to the rear wheels to reduce the chance of wheel lock-up.

Fog lights – Additional lights engineered to send a low, wide beam to the road improve visibility in adverse weather conditions. This design effectively reduces the amount of light reflected off rain, fog or snow.

Safety

1. Panoramic power sunroof and roof rails with base roof rack. 2. Snowboard/ski attachment. 3. Heavy-duty trunk liner with cargo organizer blocks. 4. Rear window sun blind.

Accessories

More Volkswagen for your Volkswagen.

How do you make a car as unique as the all-new Touareg even more unique? Personalize it to fit your unique lifestyle. What's more, accessorize your 2011 Touareg before it leaves the dealer's lot and you can include your accessories in your financing package. Plus, when you buy accessories at time of purchase, you receive an extra 3-year limited warranty coverage on these accessories covering parts and labour. Now that's what we call added value.

Wheels – 19" Diorit or beefy 21" Dolomit alloy wheels.

Racks – Load up for the weekend with a base roof rack and a wide assortment of attachments – ski and snowboard rack, kayak holder, Barracuda bike holder and fork mount bike holder.

Luggage platform – For the short-haul and the long-haul, you can really pack it in with an aluminum luggage platform or soft luggage carrier.

Monster Mats – Über-tough floor mats that help keep your carpets from getting dirty.

Roof edge spoiler – For a sportier look that not only improves aerodynamics but also helps to keep the rear hatch window free of dust and dirt.

Cargo organizer blocks – Minimize the clutter by keeping your belongings from rolling around the trunk.

This is just a short selection of the many Volkswagen Original Accessories available for your 2011 Touareg. For more ways to give your Touareg that personal touch, talk to your Volkswagen dealer or visit vw.ca to view a wider selection.

Volkswagen Original
Parts. Service. Accessories.

A luxurious SUV that's easy to fall in love with.

The all-new exceptionally stylish Touareg lets you savour the smoothest highway and the toughest terrain without sacrificing the finer things in life, like heated seats and ambient interior lighting. Redesigned inside and out to be lighter, bigger, and more aerodynamic, we've upped the ante on comfort and luxury. Choose between a powerful 3.6 FSI or 3.0 TDI Clean Diesel; either way, your pulse will race. With a wide range of options from three very well-thought-out trimlines, you'll find a Touareg with the refinement and power discerning drivers expect – and deserve.

2011 Touareg

Touareg V6 Gas Execline shown with accessory ski rack. Vehicle is sold equipped with all-season tires. Use of winter tires may be mandatory in your province or territory. Make sure your vehicle has the proper tires at all times.

2011 Touareg >
Exterior

In an upper class of its own.

Exterior – More than redesigned, the all-new Touareg is completely reimagined. From the bold new exterior lines to the luxuriously appointed interior, we've made sure Touareg drivers are left wanting nothing more. Thanks to "intelligent downsizing", the Touareg features reduced weight and improved aerodynamics. All this while increasing in size – 12 mm wider and 41 mm longer. So not only is the Touareg an elegantly streamlined vehicle with a rugged edge, it delivers the intelligent touch of improved fuel efficiency. Fully loaded with features that you'll soon find you can't live without, such as front fog lights, rain sensors with automatic wiper speed control, halogen projector lens headlights or the available and attractive Bi-Xenon headlights with LED treatment for added detail. Silver roof rails and privacy glass punctuate the appearance for a premium feel that's sure to turn a few heads. Also available for the first time in the Touareg is an elegant panoramic sunroof with power sunshade and an automatic tailgate that you can open or close with the touch of a button on your remote. Wrapped in a sleek new exterior design and loaded with impressive features, the 2011 Touareg is a premium SUV that looks as good as it feels.

1. 60/40 split-folding rear seats. 2. Panoramic power sunroof. 3. Sliding rear seats with recline.

2011 Touareg >
Interior/Engine

Interior – An SUV doesn't need to be this comfortable, but we created one anyway. Highly functional luxury that attends to all of your on-board needs – and especially your on-board wants. Wherever you're heading in life, the Touareg is equipped to get you and your passengers there in the style that you're accustomed to – and then some. A navigation system with 3-D landmarks, multifunction steering wheel, big-screen full-colour on-board computer and the infinite versatility of the 60/40 split-folding rear seats which adjust forward or back and recline are just the beginning of a very exclusive list of standard features. You'll find electrically adjustable 8-way driver and front passenger seats in rich leatherette and a Bluetooth® system with voice activation that can instantly download your songs and address book. Also available is a heated steering wheel and heated rear seats, the KESSY keyless access system with start and stop ignition button, 12-way power front seats and the Dynaudio® Confidence Sound System with high-end audio performance from 12 very strategically placed speakers to name a few. Luxury has never sounded so good. With all the above amenities and many more, the Touareg will get you where you're going in first-class comfort and style.

Engine – Underneath the stylish sculpted hood of the 2011 Touareg, you have the choice of two imposing engines. The 3.6 FSI, 280-horsepower engine commanding 265 lb-ft of torque. Or choose the 225-horsepower 3.0 TDI and get an impressive 406 lb-ft of torque from a remarkably quiet TDI Clean Diesel engine. A tough choice, indeed. Both options come with an 8-speed automatic transmission with Tiptronic® that effortlessly delivers the power and performance you need for whatever lies ahead, even with up to 3,500 kg in tow.* Active features like standard 4MOTION all-wheel drive system will assist you on even the most exciting excursions with exceptional traction, handling and stability. So whether you're off to the driving range or to corners unknown – the Touareg's muscle will get you there safe and sound and even a little exhilarated.

* When equipped with factory-installed towing hitch option.

All-Wheel Drive	4MOTION all-wheel drive system with low range gear and adaptive torque distribution	S	S	S
Brakes	ABS Plus (Anti-lock Braking System)	S	S	S
	Power-assisted front vented disc brakes, rear vented disc brakes	S	S	S
	Electronic Brake-pressure Distribution (EBD)	S	S	S
	Hydraulic Brake Assistant (HBA)	S	S	S
Emissions	Tier II, BIN5	S	S	S
Engine	3.6L FSI, 280 horsepower, 265 lb-ft torque, 10.6° VR6, 6 cylinder, 24 valve with direct injection	S	S	S
	3.0 TDI 225 horsepower, 406 lb-ft torque, V6, 6 cylinder, turbocharged, common rail, 24 valve	S	S	S
Locking Differential	Centre locking differential	S	S	S
Side Protection	Anti-intrusion side door beams	S	S	S
Steering	Servotronic power-assisted steering	S	S	S
Suspension	Front double-wishbone independent steel spring suspension	S	S	S
	Rear four-link independent steel spring suspension	S	S	S
	Sport suspension (standard on TDI Execline)	P	P	P
Traction Control	Anti-Slip Regulation (ASR)	S	S	S
	Electronic Differential Lock (EDL)	S	S	S
	Engine Braking Assist (EBA)	S	S	S
	Electronic Stability Control (ESC)	S	S	S
	Hill Descent Assist (HDA)	S	S	S
	Hill Climb Assist (HCA) – engages only in low-range gear	S	S	S
Transmission	8-speed automatic transmission with Tiptronic®, Dynamic Shift Program (DSP) and Sport mode	S	S	S

3.6L Technical Specifications

ENGINE	
Type	3.6L FSI, 10.6° VR6, 6 cylinder, 24 valve with direct injection
Bore	3.50 in 89.0 mm
Stroke	3.79 in 96.4 mm
Displacement	194.6 in ³ 3,597 cm ³
Compression Ratio	12.0:1
Horsepower (SAE) @ rpm	280 @ 6,200 rpm (206 kW @ 6,200 rpm)
Maximum Torque, lb-ft @ rpm	265 @ 2,500–5,000 rpm (360 Nm @ 2,500–5,000 rpm)
Fuel Requirement	Premium fuel recommended for maximum performance
ENGINE DESIGN	
Arrangement	Front mounted, longitudinal
Cylinder Block	Cast iron
Crank Shaft	Forged steel, seven main bearings
Cylinder Head	Aluminum alloy, cross-flow
Valve Train	Dual overhead camshaft, chain driven, four valves per cylinder, maintenance-free hydraulic lifters, variable valve timing
Cooling System	Water cooled, water pump, cross-flow radiator, thermostatically controlled electric radiator fan
Lubrication	Chain-driven duocentric oil pump
Fuel/Air Supply	Direct injection, variable intake manifold, variable intake and exhaust cam timing
Emissions	Tier II, BIN5
ELECTRICAL SYSTEM	
Alternator – A/Ah	180A, air cooled
Battery – A/Ah	450/95
Ignition	Digital electronic, with knock sensor
DRIVETRAIN	
Drivetrain	4MOTION all-wheel drive system with low-range gear and adaptive torque distribution
CAPACITIES	
Fuel Tank	85 L
STEERING	
Type	Hydraulic power steering
Turns (lock to lock)	2.6
Turning Circle (curb to curb)	30.9 ft 11.9 m
Ratio	12.7:1
INTERIOR VOLUME – SAE	
EPA Class	Light Truck
Seating Capacity	Five
Passenger Volume	101.4 ft ³ 2.9 m ³
Cargo Volume	32.1 ft ³ 0.9 m ³
Cargo Volume with rear seats folded	70.9 ft ³ 1.6 m ³

	Front	Rear
Volume	56.8 ft ³ 1.6 m ³	44.6 ft ³ 1.3 m ³
Head Room	39.6 in 1,005 mm	38.9 in 989 mm
Shoulder Room	59.8 in 1,520 mm	56.7 in 1,441 mm
Leg Room	41.4 in 1,052 mm	34.9 in 886 mm
BODY, CHASSIS AND SUSPENSION		
Type	Unibody construction	
Front Suspension	Front double-wishbone independent steel spring suspension	
Rear Suspension	Rear four-link independent steel spring suspension	
Service Brakes	Front: Power-assisted front vented disc brakes (330 mm x 32 mm) Rear: Power-assisted rear vented disc brakes (330 mm x 28 mm)	
Anti-lock Braking System	Standard, all four wheels with Electronic Stability Control (ESC)	
Parking Brake	Electromechanical parking brake with Auto Hold function	
Drag Coefficient	.37	
DIMENSIONS		
Wheelbase	113.9 in 2,893 mm	
Front Track	64.9 in 1,650 mm	
Rear Track	65.7 in 1,670 mm	
Length	188.8 in 4,795 mm	
Width	76.4 in 1,940 mm	
Height	68.2 in 1,732 mm	
Ground Clearance – Standard steel spring suspension	7.9 in 200 mm	
WEIGHTS		
Curb Weight	2,137 kg	
Payload	663 kg	
Towing Capacity (max. braked trailer)	3,500 kg (with factory-installed Towing Hitch option)	
Maximum Roof Cargo Weight	100 kg	
FUEL CONSUMPTION ¹		
City L/100 km	12.3	
Highway L/100 km	8.8	
OFF-ROAD CAPABILITIES		
Standard steel spring suspension		
Approach Angle 26°	Departure Angle 26°	Breakover Angle 21°
Lateral Driving Angle 35°	Static Angle 45°	Maximum Gradient 31°
Fording Depth 500 mm		

¹Natural Resources Canada estimates only. Your fuel consumption may vary.

3.0 TDI 4MOTION Technical Specifications

ENGINE	
Type	3.0 TDI, 90°, 6 cylinder, 24 valve engine
Bore	3.27 in 83.0 mm
Stroke	3.60 in 91.4 mm
Displacement	181.1 in ³ 2,967 cm ³
Compression Ratio	16.8:1
Horsepower (SAE) @ rpm	225 @ 3,500–4,000 rpm (165 kW @ 4,000 rpm)
Maximum Torque, lb-ft @ rpm	406 @ 1,750–2,250 rpm (550 Nm @ 1,750 to 2,250 rpm)
Fuel Requirement	Ultra-low sulphur diesel
ENGINE DESIGN	
Arrangement	Front mounted, longitudinal
Cylinder Block	Vermicular cast iron
Crank Shaft	Forged steel, four main bearings
Cylinder Head	Aluminum alloy, cross-flow
Valve Train	Dual overhead camshaft, chain driven, four valves per cylinder, maintenance-free hydraulic lifters
Cooling System	Water cooled, thermostatically controlled electric radiator fan
Lubrication	Volume flow-controlled oil pump (chain driven)
Fuel/Air Supply	Common rail injection system with 2,000 bar (29,000 psi) maximum pressure and piezo injectors with 8-hole nozzles
Emissions	Tier II, BIN5
ELECTRICAL SYSTEM	
Alternator – A/Ah	220A, air cooled
Battery – A/Ah	450/85
DRIVETRAIN	
Drivetrain	4MOTION all-wheel drive system with Torsen differential and adaptive torque distribution
CAPACITIES	
Fuel Tank	85 L
STEERING	
Type	Servotronic power-assisted steering
Turns (lock to lock)	2.63
Turning Circle (curb to curb)	30.9 ft 11.9 m
Ratio	12.7:1
INTERIOR VOLUME – SAE	
EPA Class	Light Truck
Seating Capacity	Five
Passenger Volume	101.4 ft ³ 2.9 m ³
Cargo Volume	32.1 ft ³ 0.9 m ³
Cargo Volume with rear seats folded	70.9 ft ³ 1.6 m ³

	Front	Rear
Volume	56.8 ft ³ 1.6 m ³	44.6 ft ³ 1.3 m ³
Head Room	39.6 in 1,005 mm	38.9 in 989 mm
Shoulder Room	59.8 in 1,520 mm	56.7 in 1,441 mm
Leg Room	41.4 in 1,052 mm	34.9 in 886 mm
BODY, CHASSIS AND SUSPENSION		
Type	Unibody construction	
Front Suspension	Front double-wishbone independent steel spring suspension	
Rear Suspension	Rear four-link independent steel spring suspension	
Service Brakes	Front: Power-assisted front vented disc brakes (330 mm x 32 mm) Rear: Power-assisted rear vented disc brakes (330 mm x 28 mm)	
Anti-lock Braking System	Standard, all four wheels with Electronic Stability Control (ESC)	
Parking Brake	Electromechanical parking brake with Auto Hold function	
Drag Coefficient	.37	
DIMENSIONS		
Wheelbase	113.9 in 2,893 mm	
Front Track	64.9 in 1,650 mm	
Rear Track	65.7 in 1,670 mm	
Length	188.8 in 4,795 mm	
Width	76.4 in 1,940 mm	
Height	68.2 in 1,732 mm	
Ground Clearance – Standard steel spring suspension	7.9 in 200 mm	
WEIGHTS		
Curb Weight	2,256 kg	
Payload	604 kg	
Towing Capacity (max. braked trailer)	3,500 kg (with factory-installed Towing Hitch option)	
Maximum Roof Cargo Weight	100 kg	
FUEL CONSUMPTION ¹		
City L/100 km	11.1	
Highway L/100 km	7.0	
OFF-ROAD CAPABILITIES		
Standard steel spring suspension		
Approach Angle 26°	Departure Angle 26°	Breakover Angle 21°
Lateral Driving Angle 35°	Static Angle 45°	Maximum Gradient 31°
Fording Depth 500 mm

Extra Extra

Volkswagen Original

Parts. Service. Accessories.

If it's not a Volkswagen Original part, well, then it's not an authentic Volkswagen part. When it comes to repairs and maintenance, make sure you leave your Volkswagen in the tender, loving hands of Volkswagen Parts & Service. They know your vehicle inside out. Visit vw.ca or your nearest dealer for details.

VolkswagenCollection

Official merchandise.

Show them how much you love Volkswagen. Official merchandise from keychains to sportbags, clothes and more – everything you need to say, I love Das Auto. Visit vwcollection.ca.

VolkswagenPlus

Owner Privilege Program.

It's a real plus being a Volkswagen owner. The VolkswagenPlus Owner Privilege Program entitles you to a whole lot of perks including exclusive invitations to all kinds of events and many more exclusive privileges. What's more, you get your own password-protected website that keeps you informed about everything related to your vehicle – tips, service reminders, warranty and roadside assistance information and finance/leasing information. Activate your membership today, it's free. Visit volkswagenplus.ca.

Follow the Volkswagen community.

From the Autobahn to the information highway, get informed on all that's Volkswagen. You can watch videos, get the latest news, find out about all the upcoming Volkswagen events, join clubs and forums and a whole lot more. Join the thousands of friends of Das Auto on vwcommunity.ca.

Golf

Jetta

Eos

CC

Tiguan

Touareg

Warranty and Roadside Assistance

- 4-year/80,000 km (whichever occurs first) new vehicle limited warranty
- 5-year/100,000 km (whichever occurs first) powertrain limited warranty
- 12-year/unlimited distance limited warranty against corrosion perforation
- 4-year/80,000 km (whichever occurs first) 24-hour roadside assistance

Graduate to a Volkswagen

Because everyone deserves to start out in the right direction. If you've graduated in the past two years, choose to buy a new 2011 or 2010 Volkswagen, and a maximum \$750 rebate* will be applied to your transaction amount. Now that's a nice feather in your graduation cap. Visit vw.ca or your nearest dealer for details.

*Certain conditions apply.

Volkswagen Finance

A multitude of financing options are available, including payment and leasing options, to make it easy for you to climb into an all-new Touareg. Visit vw.ca for more information.

Items, specifications, availability, standard features, options, fabrics, and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about availability of options and verify that the vehicle you requested includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Make sure your vehicle has the proper tires at all times. Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Refer to the *EnerGuide 2011* for Natural Resources Canada's estimated fuel consumption figures. Actual fuel consumption may vary based on driving conditions, driver habits and vehicle's additional equipment. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age.
