>> New born hero.

smart fortwo edition cityflame coupé.

THE CITY IS AT MY FEET — STILL AND DARK.

ROBBED OF ALL VITALITY, LIKE A RECENTLY DECEASED BRIDE UNDER A SHROUD.

JUST THE WAY I LIKE IT.

I'M DEREK DARK, THE PRINCE OF DARKNESS. THEY CALL ME A MENACE, THE SCOURGE OF THE CITY.

ALTHOUGH I ONLY ROB IT OF ITS ...

... ENERGY!?

SO MUCH? SO POWERFUL?

>> New energy for the city.

The smart fortwo edition cityflame is a power to be reckoned with. In blazing flame yellow, with contrasts in black and a challenging sporty look it has just one objective: to revitalise the city with its energy.

THERE'S NO WAY I CAN IGNORE THAT!

LOOK — IT'S ...!

CITYFLAME!

UP THERE — THAT MUST BE HIM! THE GUY WHO HAS A STRANGLEHOLD ON THE CITY.

I'LL HAVE TO DEAL WITH HIM!

RISE OF THE CITYFLAME

The pearlescent effect bodypanels shine in exclusive flame yellow with a brilliance that rivals the city lights. The tridion safety cell in black provides a strong contrast and makes the bodypanels appear even more brilliant. Sporty alloy wheels in a gleaming black finish, and black door mirror caps and radiator grille add to the overall sporty impression.

>> Powerful inside as well.

Your pulse could start beating faster as soon as you get in: the interior welcomes you with a deep black punctuated with contrasting accents in blazing flame yellow. The exclusive seats in leather optic with fabric feature a striking yellow band in leather optic around the backrest and seat cushion. On the black leather optic instrument panel the double stitching in flame yellow catches the eye. The knee pad in leather optic also features a contrast of black and yellow.

Hot looks without getting hot under the collar – the smart fortwo edition cityflame comes with air conditioning as standard for your very own feel-good temperature. In addition, the large panoramic roof (coupé), 5-speed automatic with manual shift mode and the multimedia touchscreen navigation and surround sound systems come as standard and further enhance the comfort. Shift paddles on the 3-spoke leather sports steering wheel with flame yellow stitching allow you to change gear motorsport-style.

The standard multimedia touchscreen system has a 16.5 cm (6.5") touchscreen display, navigation with perspective map display and voice control, Bluetooth® hands-free function for your telephone, AUX/USB port for your mobile music player, iPod® interface that allows you to use your iPod® on the touchscreen, CD/DVD player, SD card slot, picture viewer and many other functions. Also, for a brilliant whole new sound experience, the smart surround sound-system includes 2 high performance in-door speakers, 2 rear-fill speakers, 2 tweeters in mirror triangles, subwoofer and 8x40 watt amplifiers. Your favourite songs have never sounded so good.

The pictures also show optional equipment that is not included in the standard specification of the smart fortwo edition cityflame.

I FLEX MY MUSCLES, ...

NO ...
HRRGH!

... SHOW HIM HIS LIMITS ...

MY ENERGY ... IT'S GONE!

... AND GIVE BACK TO MY CITY WHAT RIGHTLY BELONGS TO IT!

JUST THE WAY I LIKE IT.
