CROSSOVER iAWD

SX4

Way of Life!

Active Ingredient: You

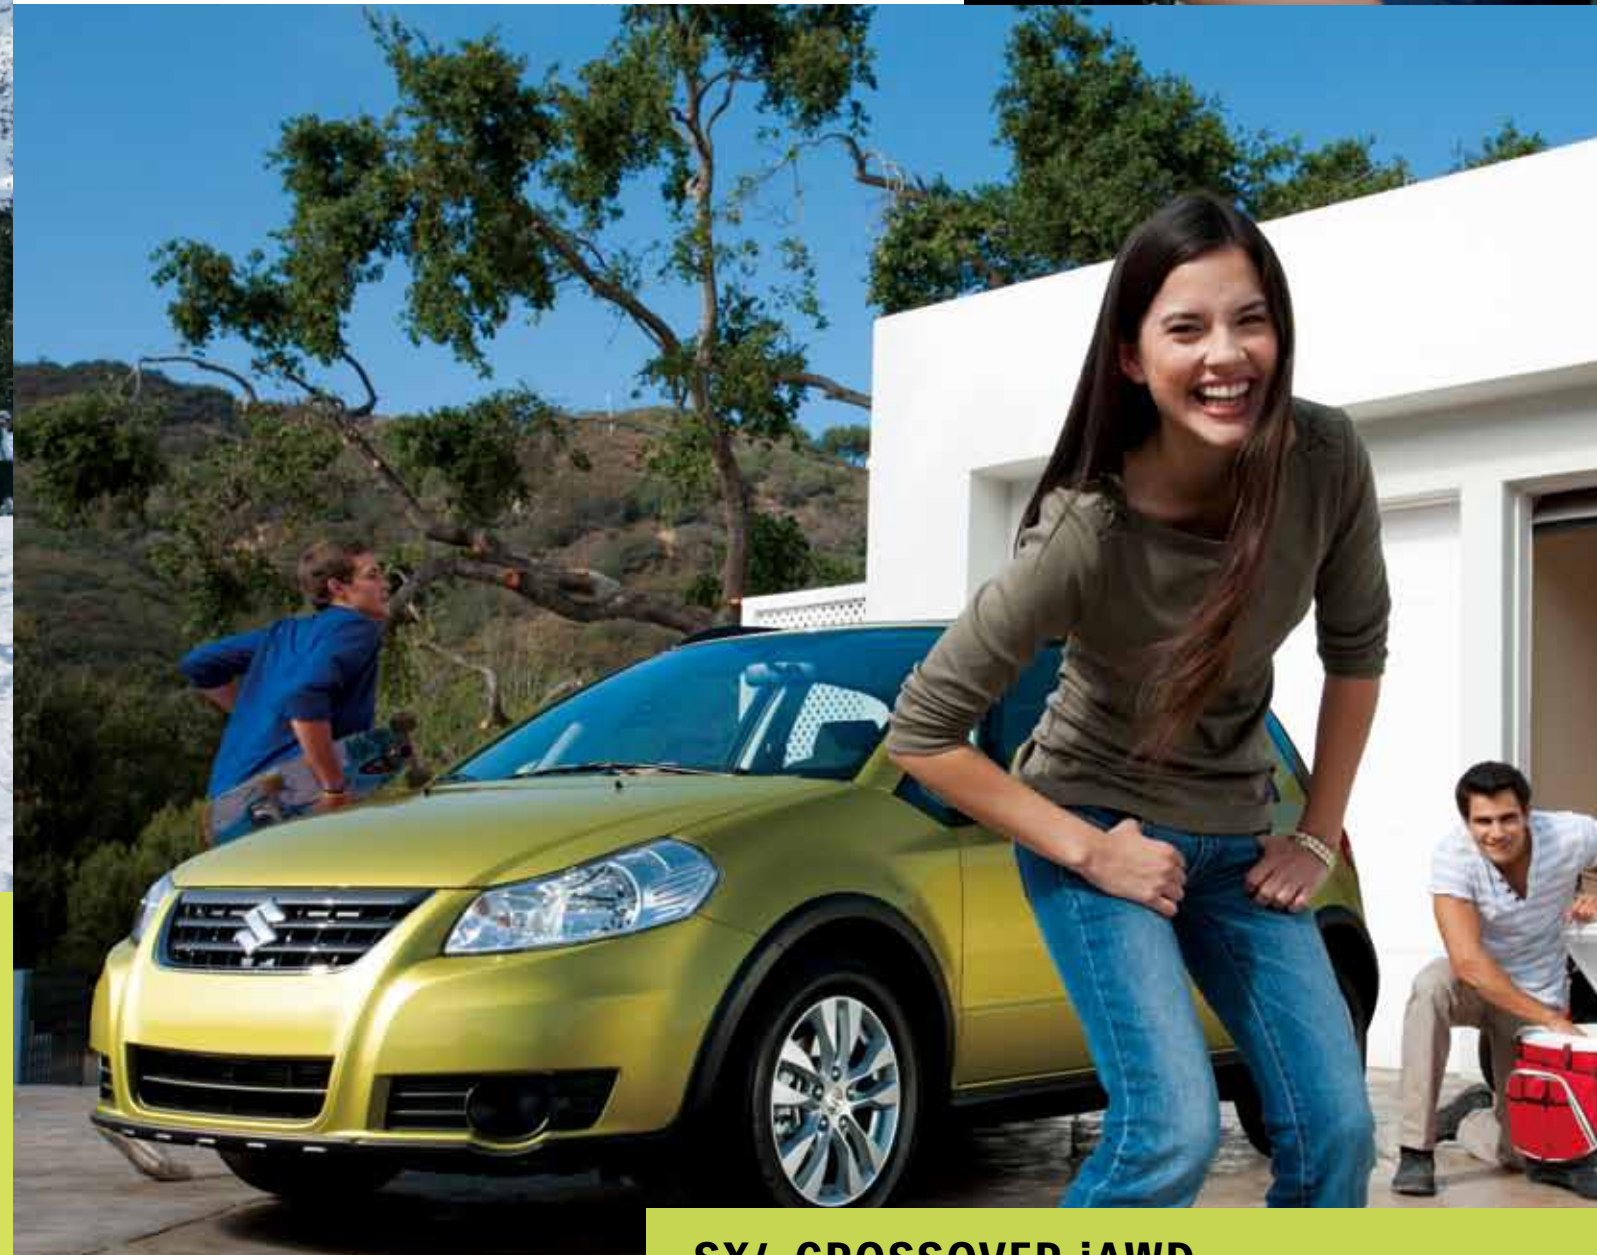

Each day holds new possibilities, how you enjoy them is up to you. You are resourceful, environmentally conscious, connected with nature, and you are always up for exploring the world around you. The SX4 Crossover iAWD was made for this part of you.

SX4 Crossover iAWD - Sporty, energetic, and versatile - for a wide range of road types and conditions.

The Best of Both Worlds

The Suzuki SX4 Crossover iAWD seamlessly blends the functionality and versatility of an SUV with the fuel economy and sporty performance of a hatchback. This is in part thanks to the Intelligent All Wheel Drive (iAWD) innovative technology that allows drivers to select AWD or 2WD with the flip of a switch.

With variable valve timing, plus your choice of a 6-speed manual transmission or the automatic continuously variable transmission (CVT), the SX4 Crossover iAWD is fuel efficient and fun to drive!

SX4 CROSSOVER iAWD

- Fun to drive European-tuned sport suspension
- Fuel efficient
- Loaded with standard features
- Advanced audio system including AM/FM stereo with 6.1" colour touch-screen navigation system standard on all models
- Unique design combines sporty performance with SUV versatility

Advanced Audio System with Garmin Navigation

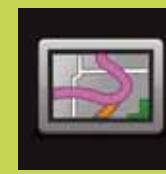

TouchFree Smart Key
When you approach, SX4 senses your TouchFree Smart Key™ allowing you to open your locked door and start your vehicle without ever removing the key from your pocket or purse. (Standard on JLX only.)

Steering Wheel-Mounted Audio Controls
Keep your eyes on the road with the help of steering wheel-mounted controls. This feature puts control of the audio system and your mobile phone at your fingertips.

The standard multimedia infotainment system offers a host of advanced features including easy-to-use navigation with award-winning software, fuel-saving route guidance, millions of points of interest, full iPod integration, Bluetooth wireless technology, and an audio system that lets you listen to AM/FM radio, audio files on an SD card or USB drive, CDs, and Bluetooth-capable audio devices. All controlled hands-free with voice commands or through the integrated 6.1" colour touch-screen. Standard on all SX4 Crossover iAWD models.

Excitement Within Reach

With the power to make driving on city streets and open highways smooth, the SX4 Crossover iAWD offers uncompromising driving excitement that will never leave you short of energy. When the road throws you a curve, the tight, sporty handling response and road gripping traction of SX4 Crossover iAWD are ready to take it in stride. With a crossover design that fits almost any environment, it will make getting there so much fun that you may just decide to skip your destination!

Where the Advantage Begins

Grip the wheel and feel SX4 Crossover iAWD connecting you with the road. Allow your driving instincts to take full control and go explore uncharted territory of driving excitement. The spacious, bright and comfortable cockpit offers you an intuitively ergonomic layout. It is styled specifically for your driving enjoyment, putting lots of convenient features within your reach. Once you experience the SX4 Crossover iAWD, your cares will be left sitting on the curb.

When you add on Suzuki's list of unique and standard features, the result is a friendly designed crossover that offers drivers the perfect mix of driving adventure and practicality.

Luggage room

The 60/40-split rear seats fold down to allow larger items to be stowed in the back while still providing space for two occupants. Folding down both of the rear seats creates a convenient space leaving plenty of space for you to fill.

Standard air conditioning with automatic climate control

Move up to the JLX model and enjoy the convenience of automatic climate control well positioned for both the driver and front passenger, making it easy to adjust interior conditions exactly to your liking.

Unique side windows and large side mirrors

For a brighter and better view of the road, the added side windows and large side mirrors allow you to see more around you and feel more connected to the outdoors.

Confidence In Your Car

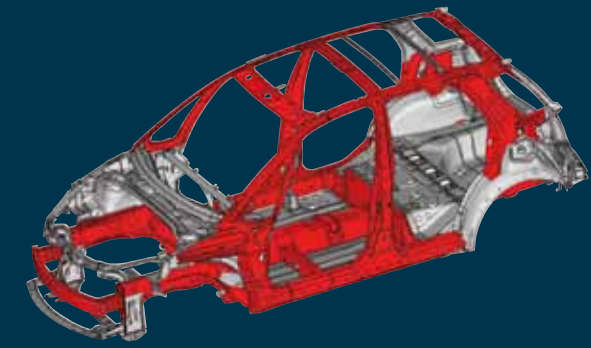

Complete with a variety of advanced active as well as passive safety features, the SX4 gives you the peace of mind to concentrate on having fun behind the wheel – no matter how tough the driving conditions are. Moreover, the strong, rigid body is an extra safety feature.

Note: The SRS airbags are shown inflated for illustrative purposes

Preventive measures

SX4 is designed to provide the driver with ample visibility to all sides by elevating the driver's seat position and minimizing blind spots. The eight-airbag system combining two front airbags, front and rear side airbags and left and right curtain airbags comes standard to help prevent injury in the event of a collision.

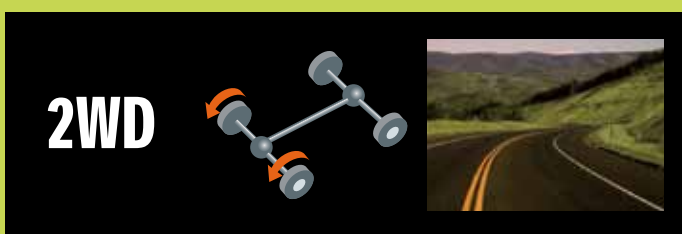

Safety-engineered body

The SX4 body combines a rigid frame that directs collision energy around the cabin and away from occupants, and numerous crumple zones that help to absorb and dissipate collision energy before it can reach the interior. This design is further enhanced by side impact door beams, reconfigured side members, and other reinforcements throughout.

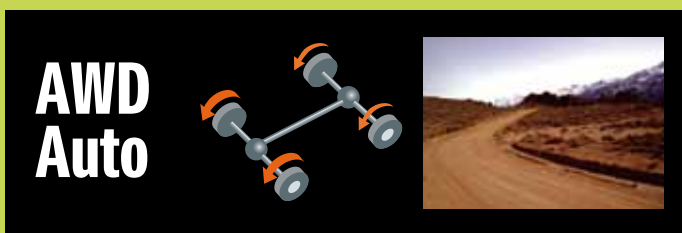

iAWD switchable three-mode driving

With Intelligent AWD technology the driver is able to select 2WD, AWD Auto or AWD Lock at the flip of a switch. It's your choice!

The 2WD mode transmits power primarily to the front wheels, providing a drive that's quiet, fuel-efficient and perfect for dry pavement conditions.

For the rougher roads or rainy conditions that can occur during everyday driving, the AWD Auto mode provides superior traction, with rear torque automatically increasing when front wheel-slip is detected.

In slippery mud or snow, the AWD Lock mode provides constant torque to both axles, for easier manoeuvrability in low-traction conditions. At speeds over 60 km/h the system automatically switches to, and remains in, AWD Auto mode.

ACCESSORIES: Exterior

SPLASH GUARDS, PLATE STYLE

Splash Guards help protect the finish of your Suzuki from minor road debris. Custom engineered for a perfect fit. Embossed with the "S" logo for added flair.

WINDOW VISOR SET

Window Visors help keep out the wind and rain while allowing fresh air in. Made of tough, durable acrylic for aerodynamic style and function. Set of 4.
