

Passat

2013

Das Auto.

Premium, meet Affordable.

There is a great deal to get acquainted with in the 2013 Passat. Beneath that sleek, sophisticated exterior lies the most spacious Passat yet. And that interior is loaded with class-leading premium features. Designed and engineered in Germany and built in North America, the Passat represents a new generation in classic sedan design. This is a car built to handle the rigours of Canadian driving with the refinement and exhilaration you'd expect from Volkswagen.

Affordable, meet Premium.

As you'd expect, the Passat is also a responsibly affordable choice. Not that you'd know from the host of comforts, including heated seats, a leather-wrapped multifunction steering wheel, Bluetooth® connectivity and a multifunction trip computer. With the Passat, you'll always travel in style, but you'll also always be firmly parked at the intersection of Premium and Affordable.

Key Features

Features

KESSY keyless access with start and stop button*

Unbelievably convenient – unlock and start your car without ever having to take your key out of your purse or your pocket.

Three impressive fuel-efficient engines

2.5L 170-horsepower, 3.6 FSI 280-horsepower and 2.0 TDI Clean Diesel.

Available Fender® premium audio system*

Recreate that live concert-going experience every time you take your Passat for a drive. Developed for Volkswagen and tuned for the Passat, this 400-watt system with 8 speakers and a subwoofer packs the power and precision you'd expect from one of the world's best-known names in music.

Leather/Dinamica seating surfaces*

The richness of leather combined with premium, sport-inspired insets.

Available Sport Package*

Your Passat will look even sleeker when you add premium features like 18" Bristol alloy wheels, sport seats, carbon fibre-look trim and a rear spoiler.

Power sunroof*

Invite the sun for a drive with the touch of a button.

More Features

Available RNS 510 navigation system*

When a car is this much fun to drive, you may not mind getting lost. But with touch-screen navigation you'll always find your way.

Standard Climatronic® dual-zone electronic climate control

Fine-tune the climate to within half a degree of your set temperature for the entire car. Now that's what we call taming the elements.

17" alloy wheels*

Why not see what your Passat would look like with 17" alloy wheels and all-season tires to match? Careful, though – you might not be able to look away.

TDI Clean Diesel – Simply put, it's the new way of driving diesel. We're very proud of our diesel technology, which reduces emissions to extremely low levels and gives you outstanding fuel economy as well as exhilarating torque. TDI isn't just diesel, it's Clean Diesel.

DSG – A definite shift for the better. DSG stands for Direct Shift Gearbox. In essence, it gives you the convenience of an automatic with the performance and efficiency of a manual. Here's how it works. DSG is managed by dual electronically controlled clutches, so not only do you shift faster, you also get enhanced acceleration and reduced fuel consumption. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic® function lets you shift into something a little sportier.

Take it easy and save. When you drive calmly, apply the brakes less frequently, and coast with your car's momentum, you consume much less fuel. So go with the flow. Just one way that we can all Think Blue.

Think Blue.
