

Touareg

2013

Das Auto.

Equally at home on or off the Autobahn.

Sure, size is important when it comes to SUVs, but it's definitely not the only way that the Touareg measures up. In fact, the Touareg is equal parts brawn and brains. On the one hand, it's more than capable of tackling a rugged, 31-degree incline. On the other hand, it comes standard with heatable, 8-way electrically adjustable front seats and a voice-activated Bluetooth® system that can instantly download your songs and address book to a 60 GB hard drive. It has a touch-screen navigation system with 3-D landmarks and an available automatic tailgate that opens and closes at the touch of a button. It even boasts a legion of innovations and weight-reduction technologies that substantially reduce fuel consumption and CO₂ emissions. All of which is to say that the Touareg is a redefinition of everything an SUV can and should be.

Riding high.

The exceptionally stylish 2013 Touareg lets you savour the smoothest highway and the toughest terrain without sacrificing the finer things in life. Start by choosing from two exceptionally powerful, impressively efficient engines: the 3.6 FSI or the 3.0 TDI Clean Diesel. Then choose from three very well-thought-out trimlines that all start with standard features like 4MOTION® all-wheel drive, fuel-efficient 8-speed automatic transmission, power heatable and adjustable exterior mirrors, a Media Device Interface with iPod® connectivity and Climatronic® dual-zone climate control. But the list of available luxuries keeps on going: KESSY keyless access, panoramic power sunroof, Bi-Xenon headlights with LED technology, standard power tailgate and Park Distance Control (PDC), just to name a few. Whether you're looking for luxury, utility or both, the Touareg is up to the task.

Key Features

Features

Available Bi-Xenon headlights with AFS and LED Daytime Running Lights*

In every way, our lights go farther. Not only brighter than regular bulbs, the Bi-Xenon lights with Adaptive Front-light System turn up to 13 degrees around corners before you do. On top of that, the LED Daytime Running Lights last significantly longer than traditional headlights.

KESSEY keyless access with start and stop button*

Whether you're in a hurry or simply have your hands full, KESSEY keyless access allows you to unlock the doors and start your engine without having to reach for your key.

Available panoramic power sunroof*

The panoramic, power-sliding sunroof gives a whole new meaning to the term "open road".

Power rear seat backrest release*

Lower your rear seats with the simple push of a button from the rear cargo area.

Power tailgate with remote open and close function

Access your Touareg's cargo area with ease. All it takes is one touch to open the tailgate and another to close it.

Standard RNS 850 navigation with voice control and 3-D map display

Find your way with the touch of a finger or the sound of a command on an 8-inch high-resolution touch screen.

More Features

3,500 kg towing capacity

With a 3,500 kg towing capacity, the 2013 Touareg can haul all your toys, no matter how big they may be.

Heatable rear seats and steering wheel for warm comfort*

Leave the ice age behind. Frozen fingertips and shivering seats are a thing of the past with heated comfort.

Two engine configurations with fuel-efficient 8-speed automatic transmission with Tiptronic*

Take the 3.6 FSI 280-horsepower engine. Or take the more-than-1,450-km-per-tank TDI Clean Diesel engine.** Either way, you win with fuel-efficient 8-speed automatic transmission with Tiptronic*.

* Feature is available on higher trims and/or as an option. See the Specifications page for details.

** Based on estimated fuel consumption rating determined using Natural Resources Canada's approved criteria and methods of 6.7 L/100 km (highway) for the 2013 Touareg TDI Clean Diesel equipped with automatic transmission and a 100 L fuel tank capacity. City rating is 10.8 L/100 km. Your fuel consumption may vary.

Specifications

Comfortline

Engines:

3.6 FSI 280 hp, 8-speed automatic transmission with Tiptronic® 4MOTION®

Maximum torque: 266 lb-ft at 3,000–4,000 rpm

3.0 TDI 240 hp, 8-speed automatic transmission with Tiptronic® 4MOTION®

Maximum torque: 406 lb-ft at 1,750–2,250 rpm

Comfortline includes:

18" Tacora alloy wheels with anti-theft locks and all-season tires

60/40 split-folding/sliding rear seats with centre armrest, pass-through and recline feature

8-way power adjustable front seats with lumbar support

Auto-dimming interior mirror

Automatic headlights with "coming home" feature

Bluetooth® mobile phone connectivity with voice activation

Cargo volume: 32.1 ft³ (909 L)

Climatronic® dual-zone electronic climate control

Cruise control

Digital compass

Diversity antenna

Driver and front passenger front and side airbags and front and rear Side Curtain Protection®

Electronic Stability Control (ESC)

Front fog lights

Halogen projector lens headlights

Heatable front seats and washer nozzles

Interior lighting package

Leather-wrapped multifunction steering wheel and shift knob

Media Device Interface (MDI) with iPod® connectivity

Multifunction trip computer and indicator

Power heatable and adjustable exterior mirrors

Power tailgate

Privacy glass

Rain sensor with automatic wiper speed control

Rearview camera

Remote central-locking system

RNS 850 navigation system – touch screen with 60 GB hard drive

Silver roof rails

SIRIUS® Satellite Radio integrated

Tire Pressure Monitoring System (TPMS)

Optional Equipment:

Panoramic power sunroof

Towing hitch (pin adapter, ball mount and ball not included)

Sport Package

– 20" Pikes Peak alloy wheels with anti-theft locks and all-season tires

– Bi-Xenon headlights with LED technology and Adaptive Front-light System (AFS)

– Sport suspension

Highline

Engines:

3.6 FSI 280 hp, 8-speed automatic transmission with Tiptronic® 4MOTION®

Maximum torque: 266 lb-ft at 3,000–4,000 rpm

3.0 TDI 240 hp, 8-speed automatic transmission with Tiptronic® 4MOTION®

Maximum torque: 406 lb-ft at 1,750–2,250 rpm

Highline includes Comfortline plus:

12-way power adjustable front seats with power lumbar support

Bi-Xenon headlights with LED technology and Adaptive Front-light System (AFS)

Centre armrest (2-piece slideable)

Genuine Burr Walnut wood inserts

Heatable steering wheel

HomeLink® garage door opener

KESY keyless access with start and stop button

Leather seating surfaces

Memory for driver seat and exterior mirrors

Panoramic power sunroof

Power rear seat backrest release

Optional Equipment:

Towing hitch (pin adapter, ball mount and ball not included)

Sport Package

– 20" Pikes Peak alloy wheels with anti-theft locks and all-season tires

– Sport suspension

Execline

Engines:

3.6 FSI 280 hp, 8-speed automatic transmission with Tiptronic® 4MOTION®

Maximum torque: 266 lb-ft at 3,000–4,000 rpm

3.0 TDI 240 hp, 8-speed automatic transmission with Tiptronic® 4MOTION®

Maximum torque: 406 lb-ft at 1,750–2,250 rpm

Execline includes Highline plus:

20" Pikes Peak alloy wheels with anti-theft locks and all-season tires

Dynaudio® premium audio system – 620-watt digital sound package with 12 speakers

Heatable rear seats

LED technology tail lights

Manual rear sunshades

Park Distance Control (PDC)

Power adjustable steering wheel with memory

Optional Equipment:

Towing hitch (pin adapter, ball mount and ball not included)

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Automatic	3.6 FSI	12.3	8.8
Automatic	3.0 TDI	10.8	6.7

* Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption may vary.

TDI Clean Diesel – Simply put, it's the new way of driving diesel. We're very proud of our diesel technology, which reduces emissions to extremely low levels and gives you outstanding fuel economy as well as exhilarating torque. TDI isn't just diesel, it's Clean Diesel.

FSI – The innovative direct fuel injection system stands out for its power and outstanding fuel efficiency. How does it work? Unlike in conventional gas engines, fuel is injected straight into the combustion chamber. Due to Volkswagen's specially designed combustion chamber geometry, which mixes air and fuel within a few thousandths of a second, there's an extremely quick response from the accelerator pedal. Consequently, FSI engines offer great fuel economy and enhanced driving pleasure.

Well-oiled for impressive savings. Low-viscosity oil lubricates an engine quickly and significantly reduces emissions. This is especially important when starting a cold engine and on short journeys. While a bit more expensive, it can cut your fuel consumption by as much as 5% – saving you money in the long run. Just one way that we can all Think Blue.

Think Blue.
