

Golf Wagon 2014

Das Auto.

It even packs fun.

Whoever said you had to leave fun behind to be practical? The sporty 2014 Golf Wagon features up to 1.89 cubic metres of cargo space and a powerful 170-horsepower engine, which means this is one station wagon with some serious get-up-and-go. Further distancing it from the wood panelled estate cars of your youth, the Golf Wagon's available TDI Clean Diesel engine is efficient enough to turn any road trip into a road voyage.

You're looking at a winner.

A two-time winner, in fact. For the second year in a row, the Golf Wagon picks up the title of Wagon of the Year from Auto123.com

Vroom to spare.

The 2014 Golf Wagon packs more than just cargo. It also packs some serious punch. With 170 horsepower and 177 lb-ft of torque, the engine's got more than enough stuff to get you and your passengers wherever you need to go. Combine that with dynamic handling and the driveability you'd expect to find in a Volkswagen, and you've got yourself one seriously welcoming wagon.

Key Features

Features

Premium 8 touch-screen radio*

So much fun right at your fingertips – literally. This touch-screen unit, with 6-disc CD changer, gives you all the music you could possibly want, in one sleek, powerful package.

Available TDI Clean Diesel engine*

Volkswagen's TDI Clean Diesel engine offers the perfect combination of efficiency and performance. Partner that with the versatility of the Golf Wagon and you're off to the races.

Heatable front seats and washer nozzles

Enjoy the comfort of heated seats on a chilly day, and clean your windshield no matter what it's like outside.

Media Device Interface (MDI) with iPod® connectivity*

Take all of your tunes with you. Just plug in the MDI with iPod® adapter to easily access all of your music.

60/40 split-folding rear seats with centre armrest and pass-through

Fit even larger items in an already large 1.89 m³ of cargo space with easy access either through or on top of the folded rear seats.

Climatronic® dual-zone electronic climate control*

Create a climate that's perfectly tailored to your needs, whether you're the driver or the passenger. Now that's what we call taming the elements.

More Features

Available RNS 315 navigation system*

This rarely-seen-in-this-class feature will get you wherever you're going and back home again, without a single "I think it's a left?"

Panoramic power sunroof*

Whether it's wide open or securely shut, the lengthy panoramic, power-sliding sunroof gives every passenger their share of the sun.

Bluetooth® Mobile Phone Connectivity*

Say hello to hands-free freedom. Bluetooth® with voice command gives you seamless phonebook access, music streaming and, of course, voice calling.

*Feature is available on higher trims and/or as an option. See the Specifications page for details.

*Delayed introduction

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption**	Engine	City L/100 km	Highway L/100 km

Automatic	2.5L	9.6	6.5
Manual	2.0 TDI	6.7	4.6
Automatic DSG	2.0 TDI	7.0	4.9

TDI Clean Diesel – Simply put, it's the new way of driving diesel. We're very proud of our diesel technology, which reduces emissions to extremely low levels and gives you outstanding fuel economy as well as exhilarating torque. TDI isn't just diesel, it's Clean Diesel.

DSG – A definite shift for the better. DSG stands for Direct Shift Gearbox. In essence, it gives you the convenience of an automatic with the performance and efficiency of a manual. Here's how it works: DSG is managed by dual electronically controlled clutches, so not only do you shift faster, you also get enhanced acceleration and reduced fuel consumption. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic® function lets you shift into something a little sportier.

A warm engine – a cool way to save. Your engine uses the most fuel when cold. So if you're always driving short distances, you're not optimizing usage. If possible, try combining shorter trips. You'll consume less fuel and save more money. Just one way that we can all Think Blue.

Think Blue.
