

2015

4RUNNER

2015

SEQUOIA

With 4Runner, the trail ends when you tell it to.

The 2015 4Runner is no amateur when it comes to hitting the trails and exploring new areas. In fact, it has more than a 20-year heritage of conquering the unexplored both on and off the road – and it definitely looks the part. With four unique styles to choose from, including an SR5, SR5 Upgrade, Trail Edition, and Limited, there's a perfect one with an exact fit for your needs. Add its reinforced body-on-frame construction, powerful 270 hp V6 engine, and towing capacity of up to 2,131 kg (4,700 lb.), and you're ready to go places that few ever go.

4RUNNER LIMITED Available with 5-passenger or 7-passenger seating, the Limited model features its own distinctive look with a striking chrome-plated grille insert and 20-inch aluminum alloy wheels.

*FRONT COVER
4Runner SR5 V6 Limited shown in Blizzard Pearl.
Sequoia Platinum shown in Silver Sky Metallic.*

4Runner SR5 V6 Trail Edition shown in Barcelona Red Metallic, Limited shown in Blizzard Pearl.

Rugged on the outside, comfortable on the inside.

If there's one thing 4Runner is good at, it's hitting the path less travelled. It features an available Full-Time 4-Wheel Drive and Electronic Locking Rear Differential to give you the power and control to easily hit all of your favourite trails. The Downhill Assist Control (DAC)¹⁰ and Hill-Start Assist Control (HAC)¹⁰ give you added traction when handling steep hills and descending slopes. You can enjoy every exciting moment of your journey in the comfort of a sophisticated interior that is loaded with advanced technology and convenient features. So get out there and have a great time – because 4Runner was engineered ready.

SLIDING REAR CARGO TRAY

40/20/40 FOLDING REAR SEAT

DISPLAY AUDIO SYSTEM⁴ The Display Audio System⁴ features a 6.1-inch touch-screen with Bluetooth^{®3} wireless music streaming, and a unique "text-to-speech" feature that converts text messages from your phone into voice messages, which play through the vehicle's speaker system.

4Runner SR5 V6 Trail Edition shown in Barcelona Red Metallic.

MULTI-TERRAIN SELECT

The roads will change but with Sequoia, the drive never will.

Take a seat behind the wheel and get ready for an adventure like you've never had before. With the 2015 Sequoia, you not only get versatility and premium features, but you also get a powerful 5.7 litre i-FORCE V8 engine with independent double wishbone front and rear suspension, allowing you to have both responsive handling on-road and a smooth ride off-road to tackle the most demanding trails, and the toughest city roads. Complete with an integrated towing hitch and Trailer Sway Control, Sequoia has the power and strength to confidently haul up to 3,220 kg (7,100 lb.) with ease. With Sequoia, you'll be able to take on any landscape out there – even when the going gets tough.

Sequoia Platinum shown in Black.

Rough it, comfortably.

When it comes to taking friends and family out for a drive, Sequoia has everything you need to keep everyone comfortable. It features a sophisticated Tri-Zone Climate Control System for front and rear passengers, and an impressively spacious cabin that seats up to 8. If you're looking to haul gear, Sequoia's second and third-row seats can fold down flat to reveal 3,400 litres (120.1 cu.ft.) of cargo space. And to help give you that added confidence to handle every driving situation, Sequoia is available with a Blind Spot Monitor that notifies you when vehicles are driving to the side and rear of you in areas outside of your view. It also features Front and Rear Clearance Sonars that uses sensors to alert you of the position of objects and their proximity to your vehicle.

Sequoia SR5 shown in Silver Sky Metallic.

PREMIUM FEATURES The Platinum model hosts an array of premium features like heated front and second row perforated leather captain seats, second row centre console, driver's seat memory system, JBL® audio system, and a woodgrain and leather-wrapped steering wheel.

REAR SEAT ENTERTAINMENT SYSTEM Sequoia is available with a rear seat Blu-ray disc player with a 9-inch display for those extra-long road trips.

AUTOMATIC POWER LIFTGATE Closing the available power liftgate is equally convenient. You can press a button inside the cargo area, on the dash, or use the key fob and it will close automatically.

With 4Runner and Sequoia, there's safety in numbers.

When you're driving down the open road, it's good to know that the 2015 4Runner and Sequoia are full of safety features. With 8 standard airbags¹, including dual-stage driver and front passenger airbags, driver and front passenger knee airbags, front seat-mounted side airbags, and roll-sensing front and rear head/side curtain airbags, you and your passengers can have peace of mind knowing that they've got safety all around them. Add on the fact that Toyota's commitment to safety and its dedication to reliability is proven by the fact that over 85% of vehicles sold in Canada in the past 20 years are still on the road today*, and you've got more reasons than ever to sit behind the wheel.

4Runner SR5 V6 Trail Edition shown in Barcelona Red Metallic.

Sequoia Limited shown in Black.

2015 4Runner and Sequoia come standard with the Star Safety System™. This integration of active safety features is designed to protect occupants by helping drivers avoid accidents in the first place.

Visit toyota.ca

VSC VEHICLE STABILITY CONTROL

Helps prevent slips and loss of traction by reducing engine power and applying the brake force to the wheels that need it.⁶

TRAC TRACTION CONTROL

Helps maintain traction on wet, icy, loose or uneven surfaces by applying brake force to the spinning wheel(s).

ABS ANTI-LOCK BRAKE SYSTEM

Prevents brakes from locking up by "pulsing" brake pressure to each wheel to help you stay in control in emergency braking situations.

EBD ELECTRONIC BRAKE-FORCE DISTRIBUTION

Redistributes brake force to help keep the rear wheels from locking up during sudden braking situations.

BA BRAKE ASSIST

Detects sudden or "panic" braking and adds the full pressure needed to help prevent a collision.⁷

SST SMART STOP TECHNOLOGY

Smart Stop Technology is designed to reduce engine power when the brake is firmly applied helping to bring the vehicle to a stop, even if the accelerator pedal is fully depressed.⁸

Committed to Canadian Communities

Being a leader in the automotive industry does not simply start and finish with making great vehicles. It also means being a leader in the community. Toyota Canada, and its dealerships across the country support non-profit programs that work to make a difference for Canadians in the areas of environment, safety education and quality.

Together with Evergreen, we established the Toyota Evergreen Learning Grounds program, designed to transform Canadian school grounds into natural learning environments so students can have a healthy place to play, learn, and develop a genuine respect for nature. Toyota also supports kartSTART, a program educating Canadian youth about vehicle safety in vehicles that fit them, go-karts. As part of our ongoing commitment to innovation, Toyota's Collaborative Safety Research Center is partnered with the University of Toronto in a study designing feedback (alerts) in vehicles to help induce safer driving behaviours.

Visit us at toyota.ca to learn more about our programs and commitment to Canadian communities.

New vehicle warranty summary – No deductibles – no transfer fees

COMPREHENSIVE COVERAGE 3 years or 60,000 km. This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 years or 100,000 km. This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 years or 130,000 km. This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 years/unlimited distance. This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

Disclaimers

(1) All Toyota vehicles shown in this brochure have Supplemental Restraint Systems (SRS). For important safety information about the Supplemental Restraint System in a particular vehicle, please see the Owner's Manual or contact your local Toyota Dealer. (2) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors. (3) Toyota tests certain Bluetooth® capable phones for compatibility with Toyota vehicles. Note that the recommendation of Toyota is not a warranty of the performance for any phone and that some problems may occur with any type of handset based on the phone software version or the service coverage available in your area. Some vehicles equipped with Bluetooth® technology are available with bilingual compatibility. Please see your Toyota Dealer for details. (4) Driving while distracted can result in loss of vehicle control. Always drive safely, obey traffic laws and focus on the road and traffic conditions while driving. (5) The Toyota Navigation System is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Rely on your common sense to decide whether or not to follow a specified route. Detailed coverage is not available for every city or roadway. Optional periodic geographic updates are available at an additional cost. The Navigational systems in some vehicles are available with bilingual capability. Please see your Navigation System Owner's Manual and your Toyota Dealer for further details. (6) Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details. (7) Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. (8) Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions, driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your Owner's Manual for further details. (9) Do not rely exclusively on the Blind Spot Monitor System and Rear Cross-Traffic Alert System. They are not collision-avoidance systems or substitutes for safe and attentive driving. (10) DAC is designed to help the driver maintain vehicle control and speed on steep downhill descents. HAC is designed to help minimize backward rolling on steep ascents. This system is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.
