

2015 Beetle Convertible

Das Auto.

Welcome to the great outdoors.

Hard to imagine a 210 horsepower, 2.0 TSI engine becoming one with nature, but sit in a 2015 Beetle Convertible with the top down and you'll be seeing German engineering in a whole new light. What's more? Its iconic design, featuring chrome accents and available 17" alloy wheels, will have you looking as good as the wind in your hair feels. Hello, sunshine.

No sun, no problem.

Even when the weather isn't being cooperative, you'll find the 2015 Beetle Convertible is always chock-full of fun features, seemingly saved for a rainy day. Ambient interior lighting sets the mood as you sit comfortably in available leather sport seats, enjoying 400-watts of legendary sound coming from the available Fender® Premium Audio System. Additional driver assistance features like Blind Spot Detection help with visibility to ensure you're in full control of everything but Mother Nature herself.

Key Features

Features

Available 2.0 TSI, 210 horsepower 4-cylinder engine*

The responsive 2.0 TSI turbocharged engine delivers a full 207 lb-ft of torque at just 1,700 rpm. The perfect mix of power and driveability.

Available 18" alloy wheels*

Cast your eyes on these 18" alloy wheels. Careful, though – you might not be able to look away.

Available KESSY keyless access with push-button start*

Unbelievably convenient – start your car without ever having to take your key out of your pocket.

Ambient lighting feature

With three distinctive lighting colours to choose from, all you have to do is step inside and set the mood.

Available Climatronic® dual-zone electronic climate control*

Fine-tune the climate to within 0.5 degrees of your set temperature for the entire car. Now that's what we call taming the elements.

Standard power-folding convertible roof

Let the sun in. The Beetle Convertible can drop its fully automatic top in just over 10 seconds, at speeds of up to 50 km/h.

More Features

Rear spoiler

Nothing says performance quite like a rear spoiler. On the back of the 2015 Beetle Convertible, it's practically screaming it.

Available leather sport seats*

Designed with the drive in mind, contoured leather sport seats provide support, and keep you in the best position to experience everything the Beetle Convertible is capable of.

Standard 6-speed automatic transmission with Tiptronic® and sport mode

Hair-raising performance comes in two powerful modes – Tiptronic® for superior control, and sport mode for an extra boost of performance.

*Feature is available on higher trims only and/or as an option. See the Specifications page for details.

- Bi-Xenon headlights with LED signature Daytime Running Lights (DRL)
- Dashboard in "R-Line" design in Vanadium Grey
- Door sill plates in aluminum
- Front and rear bumpers in "R" design
- R-Line badge on exterior driver and passenger sides
- R-Line badge on steering wheel

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Automatic	1.8 TSI	9.8	7.3
Manual	2.0 TSI	10.4	7.7
Automatic	2.0 TSI	10.3	8.2

TSI – TSI brings together the power of FSI direct fuel injection with the boost of a turbocharger. The end result? An ultra-efficient engine that provides abundant low-end torque, giving you outstanding performance through a wide range of speeds, power when you really need it, ultra-low fuel consumption and, ultimately, lower CO₂ emissions.

DSG – A definite shift for the better, DSG gives you the convenience of an automatic with the performance and efficiency of a manual. DSG is managed by a dual-clutch system, so not only do you shift faster, you also get enhanced acceleration. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic function lets you shift into something a little sportier.

Lightly does it. The lighter you travel, the less fuel you consume. An extra 100 kg of stuff increases your fuel consumption by up to 0.3 L/100 km. So if you've got random items weighing you down, it's time to lighten the load. Driving more efficiently. Just one way that we can all Think Blue.

Think Blue.

* Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information contained in this brochure is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. The estimated fuel consumption ratings for the 2015 Beetle Convertible models are based on Natural Resources Canada's (NRCAN) newly approved fuel consumption criteria and testing methods effective with 2015 model year vehicles. Please note that comparisons to seemingly identical 2015 and 2014 model year and older vehicles will show discrepancies due to the difference in NRCAN approved calculation methods. Please refer to NRCAN's Fuel Consumption Guide 2015 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, drivers habits and vehicle's additional equipment. For more information, please visit <https://www.nrcan.gc.ca/energy/efficiency/transportation/cars-light-trucks/buying/7491>. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Volkswagen Canada. Discrepancies may occur between the mapping and the actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
