

2015 Golf GTI

Das Auto.

Live faster.

The Golf GTI is fast. The kind of fast you're really going to notice. And it's not just the 210 horsepower and 258 lb-ft of torque generated by the 2.0 TSI engine that will make you sit up and take notice. The new, advanced MQB platform also makes the Golf GTI lighter, incredibly fuel-efficient, and really fun to drive. Welcome to the fast lane.

Initiate warp speed.

A blur when it gets going, the Golf GTI even looks fast when it's standing still. The classic red accents – red interior stitching and bright-red brake calipers – combine with the new available 18" Austin alloy wheels and LED fog lights for an aggressive look that's unmistakably GTI. And with a variable cargo load floor that can fit just about anything, it's practical, too. It's not science fiction; it's the new Golf GTI.

Key Features

Features

Driver profile selection*

Using the touch screen, you can choose between three different settings (Normal, Sport and Individual) for a drive that's tailored to you.

Optional 18" Austin alloy wheels

Wide, aggressive 18" Austin alloy wheels grab hold of the road and help you corner like a pro.

Ambient interior lighting

The new interior LED lights put less stress on the car's electrical system and use less energy, saving you fuel.

Direct steering

With direct steering, it's possible to turn your Golf GTI with smaller movements of the steering wheel, making precision driving easier than ever.

Available front LED fog lights**

Not just nice to look at, front LED fog lights give you unparalleled visibility. And they are extra-efficient, using less energy and lasting longer than traditional bulbs.

5.8" touch screen infotainment system with proximity sensor*

The intuitive touch screen infotainment system on the Golf GTI lets you swipe and pinch zoom, just like a tablet.

More Features

Available Fender® Premium Audio System**

A 400-watt masterpiece created specifically for Volkswagen by one of the most legendary names in music.

Available panorama tilt/slide sunroof**

Only one word describes a sunroof that tilts, slides and is big enough to allow every passenger a view of the sky: Wow.

Available KESSEY keyless access with push-button start**

Unbelievably convenient – start your car with the push of a button without ever having to take your key out of your pocket.

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption**	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI	9.4	6.9
Automatic DSG	2.0 TSI	9.5	7.2

A warm engine – a cool way to save. Your engine uses the most fuel when cold. So if you're always driving short distances, you're not optimizing usage. If possible, try combining shorter trips. You'll consume less fuel and save more money. Just one way that we can all Think Blue.

Think Blue.
