

2015 Golf

New and improved
and improved
and improved.

The All-New Golf is all about the details. That's why we've refined everything right down to the chassis. With its new, lighter MQB platform (or "Modularer Querbaukasten" if you have the time), the 2015 Golf boasts impressive fuel efficiency and incredibly flexible cargo space. From there, we added a few more details to make driving the 2015 Golf a little more fun: the available panoramic sunroof tilts and slides to let the sun in from every angle, and the available Fender® Premium Audio System is perfectly designed for the cabin acoustics in the Golf. When you really mind the details, you get a Golf that's anything but average.

Key Features

1.8 TSI engine

This award-winning turbocharged engine delivers 170 horsepower and 184 lb-ft of torque. In plain English, it's fast.

Available Fender® Premium Audio System**

A 400-watt masterpiece created specifically for Volkswagen by one of the most legendary names in music.

5.8" touch screen infotainment system with proximity sensor

The vivid touch screen infotainment system on the All-New 2015 Golf lets you swipe and pinch zoom, just like a tablet.*

Available rearview camera**

As soon as you shift gears to reverse, a camera pops out from behind the VW badge on the rear hatch to give you a full view of what's going on back there. With a rearview camera that's protected from salt, snow and dirt, you can always see what's happening behind you.

Available panoramic sunroof**

Only one word describes a sunroof that tilts, slides and is big enough to allow every passenger a view of the sky: Wow.

Available Bi-Xenon headlights with Adaptive Front-light System (AFS)**

Not only brighter than regular bulbs, Bi-Xenon headlights with AFS turn up to 13 degrees around corners before you do.

*Image shows available Discover Media. Do not drive distracted.

**Feature is available on higher trims only and/or as an option. See the Specifications page for details.

Trendline (TL)

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Volkswagen Canada. Discrepancies may occur between the mapping and the actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
