

2015 Golf Sportwagon

Give your cargo
the ride of its life.

More cargo space means you can take everything important to you everywhere you go. Built on the revolutionary MQB platform and lighter chassis, the 2015 Golf Sportwagon combines great handling and powerful acceleration with the versatility of a wagon. Choose from two available engines: the aggressive 170 horsepower, 1.8 TSI engine, or the fuel-efficient 2.0 TDI Clean Diesel. A 115 V power outlet in the cargo area lets you plug in your favourite device or appliance anywhere you stop. And when you're ready to hit the road again, just grab hold of the leather-wrapped multifunction steering wheel and go. Your things will appreciate you taking them along for the ride.

Key Features

Available ambient lighting feature*

The new interior LED lights put less stress on the car's electrical system and use less energy, saving you fuel.

Available KESSEY keyless access with push-button start*

No need to fumble for your keys: Get in and start your car without ever having to take your key out of your pocket.

Available Climatronic® dual-zone electronic climate control*

Fine-tune the climate to within 0.5 degrees of your set temperature for the entire car. Now that's what we call taming the elements.

Available Fender® Premium Audio System*

A 400-watt masterpiece created specifically for Volkswagen by one of the most legendary names in music.

5.8" touch screen infotainment system with proximity sensor

The vivid touch screen infotainment system on the 2015 Golf Sportwagon lets you swipe and pinch zoom, just like a tablet.**

60/40 split-folding rear seats for maximum versatility

The Golf Sportwagon's rear seats offer a world of possibility. With their ability to fold and recline, you can either stretch your cargo space or stretch your legs out.

*Feature is available on higher trims only and/or as an option. See the Specifications page for details. **Image shows available Discover Media. Do not drive distracted.
