

2015 Jetta GLI

Das Auto.

Let the joyrides begin.

Once you get in the new Jetta GLI, it will take you for one heck of a drive. With nimble handling and race-inspired design, its 210 horsepower 2.0 TSI engine will set your heart racing with serious performance. Add stylish interior detailing and an aggressive front grille, and you have one sophisticated road warrior. Jump into the 2015 Jetta GLI and experience the ride for yourself.

Please drive safely and obey all traffic laws, including speed limits.

Inhale. Pause. Exhale. Repeat.

The Jetta GLI has been known to take one's breath away. A masterpiece of German engineering, the 2015 Jetta GLI combines performance, aesthetics and innovation throughout the vehicle. Red stitching accents the contours of the sport seats while the distinctive honeycomb grille, alloy pedals and bright red calipers display just the right amount of muscle. Not to mention, the available and outstanding Fender® Premium Audio System sets the soundtrack to every ride. It's no wonder our engineers call it breathtaking.

Key Features

Features

Available 18" Mallory alloy wheels*

When you add 18" alloy wheels to your GLI, you're adding some serious style. Expect to be stared at.

2.0 TSI engine with 210 hp

The responsive 2.0 TSI turbocharged engine delivers a full 207 lb-ft of torque at just 1,700 rpm. The perfect mix of power and driveability.

Available RNS 510 touch screen navigation system*

No matter where the finish line is, always find your way back with the Jetta GLI's touch screen navigation system.

Available Fender® Premium Audio System*

Feel like you're in the front row every time you drive your Jetta GLI. From one of the most respected names in music, this 400-watt, 8-speaker system with subwoofer was made exclusively for Volkswagen.

Available Bi-Xenon headlights with Adaptive Front-light System (AFS)*

In every way, our lights go farther. When night falls, Bi-Xenon lights shine brighter than halogen or regular filament bulbs, and, with AFS, can turn up to 13 degrees around corners.

Available Blind Spot Detection*

Blind Spot Detection uses radar sensors to detect when an object enters the blind spot on either the driver or passenger side of the vehicle.

More Features

KESSY keyless access with push-button start

No need to fumble for your keys: Get in and start your car without ever having to take your key out of your pocket.

Intelligent Crash Response System (ICRS)

In a collision, ICRS performs multiple safety functions, such as unlocking all doors, turning off power to the fuel pump and turning on the hazard lights.**

Jetta GLI-tuned sport suspension and XDS

When it comes to handling, Jetta GLI-tuned suspension maximizes traction, reduces understeer and improves overall response around corners.

*Feature is available on higher trims only and/or as an option. See the Specifications page for details.

**ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

Think Blue. It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI	10.3	7.2
Automatic DSG	2.0 TSI	10.0	7.3

DSG – A definite shift for the better, DSG gives you the convenience of an automatic with the performance and efficiency of a manual. DSG is managed by a dual-clutch system, so not only do you shift faster, you also get enhanced acceleration. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic function lets you shift into something a little sportier.

TSI – TSI brings together the power of direct fuel injection with the extra boost of a turbocharger. The end result? An ultra-efficient engine that provides abundant low-end torque, giving you outstanding performance through a wide range of speeds, power when you need it, ultra-low fuel consumption and, ultimately, lower CO₂ emissions.

Lightly does it. The lighter you travel, the less fuel you consume. An extra 100 kg of stuff increases your fuel consumption by up to 0.3 L/100 km. So if you've got random items weighing you down, it's time to lighten the load. Driving more efficiently. Just one way that we can all Think Blue.

Think Blue.

Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. The estimated fuel consumption ratings for the 2015 Jetta GLI models are based on Natural Resources Canada's (NRCAN) newly approved fuel consumption criteria and testing methods effective with 2015 model year vehicles. Please note that comparisons to seemingly identical 2015 and 2014 model year and older vehicles will show discrepancies due to the difference in NRCAN approved calculation methods. Please refer to NRCAN's Fuel Consumption Guide 2015 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver's habits and vehicle's additional equipment.
