

# 2015 Passat

Das Auto.

# Business in the front. Family in the back.

One look at the Passat and you'll know it means business. Available 19" Luxor alloy wheels give it a powerful stance, while the spacious interior and optional rearview camera feel nothing short of executive. Take it for a drive, and suddenly, the available 150 horsepower, 2.0 TDI engine makes any commute feel like a weekend joyride. So what gives? Well, nothing. Because when it comes to balancing business and pleasure, there's no need to compromise.

## Life-size.

The 2015 Passat is the mid-size sedan German-engineered to fit your life. That's why we designed it a little bigger than most, with impressive rear legroom and a cavernous 450 L of trunk space. Sit inside and you'll see premium quality and craftsmanship throughout the spacious cabin. Thanks to great features like available leather seating with Dinamica® inserts, an available Fender® Premium Audio System and power sunroof, this is one room upgrade you can enjoy every day.

## Key Features

### Features

#### Three impressive engines

TSI, TDI or VR6. Three distinct combinations of power and efficiency. Choose the one that's right for you.

#### Available Sport Package\*

Give your Passat a bit more edge with premium features like 19" Luxor alloy wheels, carbon interior trim and a rear spoiler.

#### Available leather/Dinamica® seating surfaces\*

The richness of leather combined with premium, sport-inspired inserts.

#### Available Fender® Premium Audio System\*

A 400-watt, award-winning masterpiece created specifically for Volkswagen by one of the most legendary names in music.

#### Available power sunroof\*

Invite the sun for a drive with the touch of a button.

#### Available KESSY keyless access with push-button start\*

Unbelievably convenient – start your car without ever having to take your key out of your pocket.

### More Features

#### Available RNS 510 navigation system\*

When a car's this much fun to drive, you may not mind getting lost. But with touch screen navigation you'll always find your way.

#### Climatronic® dual-zone electronic climate control

Fine-tune the climate to within 0.5 degrees of your set temperature for the entire car. Now that's what we call taming the elements.

#### Available 18" Bristol alloy wheels\*

Cast your eyes on these 18" alloy wheels. Careful though – you might not be able to look away.

\*Feature is available on higher trims only and/or as an option. See the Specifications page for details.

**Think Blue.** It's how we put more thought into what and how you drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	1.8 TSI	9.8	6.7
Automatic	1.8 TSI	9.7	6.6
Manual	2.0 TDI	7.9	5.4
Automatic	2.0 TDI	7.9	5.6
Automatic DSG	3.6 L	11.9	8.5

**TSI** – TSI brings together the power of FSI direct fuel injection with the boost of a turbocharger. The end result? An ultra-efficient engine that provides abundant low-end torque, giving you outstanding performance through a wide range of speeds, power when you really need it, ultra-low fuel consumption and, ultimately, lower CO<sub>2</sub> emissions.

**DSG** – A definite shift for the better, DSG gives you the convenience of an automatic with the performance and efficiency of a manual. DSG is managed by a dual-clutch system, so not only do you shift faster, you also get enhanced acceleration. In fact, thanks to DSG, each shift takes less than 4/100ths of a second. And if you're the manual type, a quick flip of the Tiptronic function lets you shift into something a little sportier.

Lightly does it. The lighter you travel, the less fuel you consume. An extra 100 kg of stuff increases your fuel consumption by up to 0.3 L/100 km. So if you've got random items weighing you down, it's time to lighten the load. Driving more efficiently. Just one way that we can all Think Blue.
