

2016

# Beetle

Das Auto.

# Unforgettable icon.

**You're the kind of person who likes to stand out.** Luckily, the Beetle does anything but blend in. A trendsetter since its inception, the Beetle is as fun as it is iconic – and it's definitely both. Its distinctive shape and refined feel make for a ride as unique as the driver.

## Technology

A modern take on an original. We loaded the Beetle with our latest technology, so you get the most enhanced driving experience out of it.

## Design & interior

Totally familiar, yet noticeably different, the 2016 Beetle is the best of both worlds – inside and out. It's a modern vehicle with a classic touch.

## Performance

Each Beetle is outfitted with a powerful and efficient 1.8 TSI® engine, so you'll get the performance you've dreamt of in the car of your dreams.

Same iconic Beetle. Brand new tricks.

Good things come in small packages. Great things come in iconic ones. Chock full of available features like App-Connect and a Fender® Premium Audio System, the Beetle exudes your sense of style all the way from how you see it to how you hear it.

Speakers shown for information only. Actual speakers vary in shape and size.

**Available App-Connect (Android Auto™, Apple CarPlay™, MirrorLink™)\***

Connect to the things that matter most. The intuitive interface and voice command actions let you easily search online for songs, directions or even your favourite restaurant. So you'll keep your eyes on the road, and not on your screen.

**Available Fender® Premium Audio System**

The 8-speaker system will have you feeling like you've got the best seat in the house. Or in this case, the best seat on the road.

**Available Discover Media\***

The new Discover Media infotainment system combines next-generation navigation with in-car media entertainment and App-Connect functionality, all controlled from its easy-to-use 6.33" touchscreen colour display.

\*Do not drive distracted.

# The *original* original.

With a modern take on the iconic look, you'll enjoy all the comforts of a contemporary car, with the personality of a free spirit. It's an old-school win-win.

## Iconic design

Nothing looks like the Beetle, and nothing turns more heads than the Beetle. It's a class act in its own class.

## Available Bi-Xenon headlights with LED signature daytime running lights

They're brighter. They last longer. And they consume less energy. When it comes to headlights, they're our best and brightest yet.

# Feel at home away from home.

If what's on the inside counts as much as the outside, the Beetle is two for two. Available ambient lighting and heated front seats are just some of the features that'll make you feel at home while you're on the road.

## Available panoramic sunroof

It's a big world out there. See a whole lot more of it with a panoramic sunroof that spans nearly the entire length of the cabin.

## Available heated front seats and washer nozzles

Enjoy the comfort of a warm seat. And the comfort of knowing that the washer nozzles won't freeze, so you can clean your windshield no matter what it's like outside.

## Available ambient lighting

With three distinctive lighting colours to choose from, all you have to do is step inside and set the mood.

# Forget about performance anxiety.

You might think the Beetle is special when you see it, but you'll know it's special once you drive it. You'll have to get behind the wheel to see just how much the Beetle has going for it. Especially when it's going.

### 1.8 TSI® engine

Power at every turn. The 1.8 TSI® engine makes performance both standard and practical with an estimated fuel consumption rating of 6.9 L/100 km (highway).\*

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	1.8 TSI®	9.5	6.9
Automatic	1.8 TSI®	9.6	7.0

\*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

## Small but solid.

When it comes to the Beetle, safety is never far away. In fact, it's behind, below, and around you. Whether you're zipping through city streets or cruising on the highway, the Beetle has you covered and then some.

### Available Blind Spot Detection\*

Be certain of your surroundings at all times. Radar sensors trigger a blinking symbol on your side mirrors that warn you when an object enters your blind spot.

### Safety cage

You can't see it, but if a collision becomes unavoidable you'll know it's there. Hidden pillars form a rigid safety cell around the cabin, helping to reduce risk of injury or death.

### Driver and passenger airbags

Smarter airbags help keep you safer. Special sensors in the doors deploy our side bolster airbags faster, so your head and torso are offered protection in the event of a side impact.

### Intelligent Crash Response System (ICRS)\*\*

Looking out for you when you need it most, this automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

### Standard rearview camera\*

See what lies on the road behind. With a camera installed behind the Volkswagen emblem on the back of the car, you'll be able to see what's behind you when you're reversing.

### Electronic Stability Control (ESC)

Our technology helps keep your vehicle stable, so you can come to grips with low-grip conditions.

\*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.  
\*\*ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

## Standard Wheels

16" Propeller steel wheel

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2016 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2016 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
