

# 2016 Beetle Classic Convertible

Unforgettable icon.

In the 2016 Beetle Classic Convertible, the past and the future come together flawlessly. Looks inspired by the original Beetle, including 17" Heritage alloy wheels, are a reminder of this iconic car's unique history. Meanwhile, next-generation technology, both under the hood and inside the cabin, leaves the past behind. Take for instance its powerful engine, which blends performance with remarkable efficiency. Or, consider the 6.33" Discover Media infotainment system with touchscreen and App-Connect, which seamlessly integrates your smartphone apps into your driving experience. With modern technology and classic looks, every drive in this convertible is a glimpse into the unforgettable future of this icon's past.

## Exteriors & Interiors

	Checked Beige/Brown special two-tone cloth and leatherette	Alloy wheels

Reflex Silver Metallic	✓	Black
Deep Black Pearl	✓	Black

## Key Features

### Standard power-folding convertible roof

Let the sun in. The Beetle Classic Convertible can drop its fully automatic top in just over 10 seconds, at speeds of up to 50 km/h.

### Two-tone checkered fabric

We took a stylish page out of history with the Beetle Classic Convertible's two-tone cloth and leatherette seating surfaces with contrast stitching. So you'll have an interior that looks as good as it feels.

### Rear spoiler

Nothing says performance quite like a rear spoiler. On the back of the 2016 Beetle Classic Convertible, it's practically screaming it.

### App-Connect†

Think smart, with App-Connect, using either Android Auto™ from Google®, CarPlay™ from Apple®, or MirrorLink™. Its intuitive interface and powerful voice command actions let you easily search online for songs, directions or even your favourite restaurant, so you'll keep your eyes on the road, and not on your screen.

### 17" Heritage alloy wheels

These retro-inspired wheels from the original Beetle model make every drive a trip down memory lane.

### Standard rearview camera††

Parking has never been easier with the rearview camera. It's literally like having eyes in the back of your head.

†Do not drive distracted. ††Driver assistance feature. Drivers must continue to perform manual checks before proceeding.

### Engine:

- 1.8 TSI® 170 HP, 6-speed automatic transmission with Tiptronic®
- Maximum torque: 184 lb-ft at 1,500–4,750 rpm
