

# 2016 Golf Sportwagon

Das Auto.

**Unforgettable versatility.**

**Adventure waits around every corner,** unless you drive the new Golf Sportwagon – then adventure is just trying to keep up. With its incredible combination of performance and practicality, the 2016 Golf Sportwagon offers a package of exciting versatility that's more than ready for any adventure.

#### **Versatility**

Half sport. Half leisure. The new Golf Sportwagon lets you go wherever you want, whenever you want.

#### **Performance**

The Golf Sportwagon's tight handling and thrilling power might not be the first thing you expect from a wagon, but it's the first thing you'll get used to.

#### **Design & interior**

A sharply sculpted exterior. A driver-focused interior. Welcome to the best of all worlds.

# A present from the future.

Like an electronic orchestra, the new Golf Sportwagon is the perfect fusion of refinement and fun. Convenient features like App-Connect make sure that your mobile essentials are elegantly displayed in one place, while the available Fender® Premium Audio System makes sure you're always surrounded by good vibrations.

## App-Connect (Android Auto™, Apple CarPlay™, MirrorLink™)\*

Connect to the things that matter most. The intuitive interface and voice command actions let you easily search online for songs, directions or even your favourite restaurant. So you'll keep your eyes on the road, and not on your screen.

## Available Discover Pro\*

Your technological hub. This 8" infotainment touchscreen with proximity sensors puts satellite navigation and music playback all at your fingertips.

## USB audio input

We added a USB plug to every Golf Sportwagon because no matter how long or short, it's your journey. And you should be able to listen to your music from beginning to end.

## Available Fender® Premium Audio System

The 8-speaker system will have you feeling like you've got the best seat in the house. Or in this case, the best seat on the road.

\*Do not drive distracted.

Grab adventure by the steering wheel.

If exploring your options makes you smart, then the new Golf Sportwagon makes you a genius. It's built to handle anything, which means you'll have the versatility to take on any adventure, no matter how big or small.

**60/40 split folding rear seats with centre armrest and pass-through**

Comfort meets practicality. The fold-flat rear seats and centre armrest give you the room you need, whether it's for your mountain bike, or your elbows.

**Available LED Daytime Running Lights (DRL)**

Lights that start up automatically when your car does, so no matter what lies on the road ahead, you'll always be able to see it coming.

**Roof rails**

If you need some more space for bulky cargo or sporting equipment, you need roof rails. And these aren't just any old roof rails. They're sporty – like your Sportwagon.

**Available integrated front fog lights**

Driving in fog is hard enough. You don't need light reflecting into your eyes to make it harder. That's why these lights point directly at the ground, making it safer for you and everyone else on the road.

# It looks as smooth as it drives.

Style in every fashion. The new Golf Sportwagon is designed with sporty aerodynamic lines to strike the perfect balance between finesse and utility. That way wherever you go, and whatever you do, when you're in the 2016 Golf Sportwagon you'll look good doing it.

Make every trip a power trip.

The 2016 Golf Sportwagon is a welcomed performance surprise. With finely tuned handling, eye-opening acceleration and unbridled power, it's everything you'd expect from a sports car, but in a wagon.

### 1.8 TSI® engine

Power at every turn. The 1.8 TSI® turbocharged engine makes performance both standard and practical with an estimated fuel consumption rating of 6.6 L/100 km (highway).\*

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	1.8 TSI®	9.5	6.6
Automatic	1.8 TSI®	9.3	6.7

\*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

# Built to soothe.

Style and comfort. You never really see them in the same place. Then again, you've never really seen anything like the new Golf Sportwagon. With sharp driver-focused accessories and soft available leather seating surfaces, everything is comfortably within reach. So you won't only look good sitting inside; you'll feel good too.

## **Climatronic® dual-zone electronic climate control**

We've separated the driver and front passenger seats into two temperature zones. Each is adjustable in increments of 0.5 degrees, and you could enjoy more than a 10-degree difference between the two. Because comfortable passengers mean a comfortable driver.

## **Heatable front seats and washer nozzles**

Enjoy the comfort of a warm seat. And the comfort of knowing that the washer nozzles won't freeze, so you can clean your windshield no matter what it's like outside.

## **Available panoramic sunroof**

It's a big world out there. See a whole lot more of it with a panoramic sunroof that spans nearly the entire length of the cabin.

## **Leather-wrapped multifunction sport steering wheel**

Never take your hands off the wheel again. And not just because it's wrapped in leather. The music, navigation and settings are all close at hand.

## **Available interior ambient lighting**

Energy-efficient LED lights make it easy to brighten your day (or night).

## **Available 12-way power driver's seat**

Hopefully you're decisive. Because there are almost an infinite number of seating positions to get comfortable in, which makes the driver's seat perfect for everyone.

## Safety first. And last.

Dramatization.\*

Peace of mind is hard to come by these days, so why not take it with you? With preventative technology like a built-in safety cage and forward collision warning, the 2016 Golf Sportwagon is designed to help protect the family sitting in your car and the next.

### Safety cage

You can't see it, but if a collision becomes unavoidable you'll know it's there. Hidden pillars form a rigid safety cell around the cabin, helping to reduce risk of injury or death.

### Automatic post-collision braking system

Protection for you and your car. An automatic braking system is engaged when the airbags are deployed, helping to reduce whiplash and decrease additional damage.

### Driver and passenger airbags

With front, torso and side curtain airbags for the front seats, and side curtain airbags for the back seats, no matter where you're sitting we've got you covered from multiple angles.

### Intelligent Crash Response System (ICRS)\*\*

Looking out for you when you need it most, this automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

### Standard rearview camera\*

See what lies on the road behind. With a camera installed behind the Volkswagen emblem on the back of the car, you'll be able to see what's behind you when you're reversing.

### Electronic Stability Control (ESC)

Our technology helps keep your vehicle stable, so you can come to grips with low-grip conditions.

\*Not all airbags will deploy, and if multiple airbags do deploy, they will be in various stages of inflating/deflating.

\*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.  
\*\*ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information contained in this brochure is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Volkswagen Canada. Discrepancies may occur between the mapping and the actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2016 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2016 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
