

# 2016 Golf Sportwagon

Unforgettable versatility.

We built the 2016 Golf Sportwagon because we wanted more: more room, more power, and more do-it-all ability. This is the wagon that can pick the kids up from school, pack all your weekend gear, and still have room for the family dog. So point to a place on the map and pick up and go, because with the Golf Sportwagon nothing can stop you. It comes turbocharged and ready for action – all you have to do is choose the kind of adventure you want. The powerful TSI® gas engine drives like a dream. And it looks like one too, with a refined exterior, tasteful interior, and premium features throughout – like standard App-Connect, rearview camera, and a touchscreen infotainment system that will usher you into a new era of civilized travel.

## Key Features

### Available Fender® Premium Audio System\*

A 400-watt masterpiece created specifically for Volkswagen by one of the most legendary names in music.

### Composition Media infotainment system<sup>1</sup>

Our latest Composition Media infotainment system is truly a work of art. Its 6.5" colour touchscreen not only provides high-quality graphics but also lets you play your favourite digital music files, the radio, and more. Plus its wireless Bluetooth® keeps you connected to the outside world from the inside of your car.

### 60/40 split folding rear seats for maximum versatility

The Golf Sportwagon's rear seats offer a world of possibility. With their ability to fold and recline, and slide back and forth, you can either stretch your cargo space or stretch your legs out.

### Power outlet in cargo area

Power comes standard with the 115-volt power outlet located in the cargo area, so you can plug in your favourite devices or appliances like an electric cooler as you normally would. This allows you to take charge of camping, road trips, and everything in between.

### Standard rearview camera<sup>11</sup>

As soon as you shift gears to reverse, a camera pops out from behind the VW badge on the rear hatch to give you a full view of what's going on back there. With a rearview camera that's protected from salt, snow and dirt, you can always see what's happening behind you.

### App-Connect<sup>1</sup>

Think smart, with App-Connect, using either Android Auto™ from Google®, CarPlay™ from Apple®, or MirrorLink™. Its intuitive interface and powerful voice command actions let you easily search online for songs, directions or even your favourite restaurant, so you'll keep your eyes on the road, and not on your screen.

\*Feature is available on higher trims only and/or as an option. See the Features page for details. <sup>1</sup>Do not drive distracted. <sup>11</sup>Driver assistance feature. Drivers must continue to perform manual checks before proceeding.

## Trendline (TL)

### Engines:

- 1.8 TSI® 170 HP, 5-speed manual transmission
- 1.8 TSI® 170 HP, 6-speed automatic transmission with Tiptronic®
- Maximum torque: 185 lb-ft at 1,600–4,200 rpm
