

# 2016 Passat

Unforgettable sophistication.

If you want your sedan to convey sophistication, you'll be happy to know that in the 2016 Passat, refinement comes standard. Quality German engineering can be found in every detail, and with a powerful 1.8 TSI® engine or available 3.6 FSI® engine, you know you'll be finding performance too. Add in interior features like leather seating surfaces, and our available Golden Oak interior, and you'll be certain you're getting the whole polished package. Whether it's business outings or family vacations, you'll have a sensible, sophisticated ride that'll get you where you're going – and look good doing it.

## Key Features

### App-Connect†

Think smart, with App-Connect, using either Android Auto™ from Google®, CarPlay™ from Apple®, or MirrorLink™. Its intuitive interface and powerful voice command actions let you easily search online for songs, directions or even your favourite restaurant, so you'll keep your eyes on the road, and not on your screen.

### Available Easy Open trunk\*

Open your trunk without lifting a finger. Simply swipe or kick your foot under the back bumper and it'll lift before your eyes.

### Available Adaptive Cruise Control\*††

Adaptive Cruise Control is genius (if we may say so). It uses sensors to detect the vehicle ahead, and then automatically adjusts your speed to always keep you at a safe distance without ever needing to adjust the gas or brakes.

### Available LED headlights and tail lights\*

Brand new to the Volkswagen lineup, you'll find energy-efficient shining is where these lights shine. Preserve your car battery while enjoying higher visibility – you really can't go wrong.

### Available Lane Assist\*††

Whenever the camera recognizes that the vehicle threatens to leave the predicted lane, Lane Assist provides a haptic warning.

### Available heated rear seats\*

Your passengers will warm up to any drive when they can enjoy the comforts of a heated seat on a cold day.

\*Feature is available on higher trims only and/or as an option. See the Features page for details. †Do not drive distracted. ††Driver assistance feature. Drivers must continue to perform manual checks before proceeding.

**Trendline (TL)**

**Engines:**
