

2016

Tiguan

Das Auto.

Unforgettable performance.

You love driving. You need an SUV. You've come to the right place. The 2016 Tiguan is unlike any other SUV on the road, which is a fancy way of saying it's a lot of fun to drive. Look under the hood and you'll find a turbocharged engine. Look inside and you'll find an immaculately crafted interior. Add it all up and you'll find you've got a truly unforgettable ride.

Performance

What if we told you we could build an SUV that was actually fun to drive? Well, we're telling you. The 2016 Tiguan has a 2.0 TSI® turbocharged 200 HP engine and available 4MOTION® All-Wheel Drive. You could say fun comes standard.

Versatility

More sport. More utility. More reasons to get behind the wheel. Welcome to true versatility. The Tiguan is built to handle whatever comes its way. Bring it on.

Design

Thoughtful design isn't typically associated with an SUV. But the 2016 Tiguan is anything but typical. Every shape, surface, and texture has been carefully considered, and just as carefully crafted.

A higher bar for high tech.

Technology is all around us. And now you can surround yourself with the latest technology in the 2016 Tiguan. Stay in the loop. No matter where your drive takes you.

Available App-Connect (Android Auto™, Apple CarPlay™, MirrorLink™)*

Connect to the things that matter most. The intuitive interface and voice command actions let you easily search online for songs, directions or even your favourite restaurant. So you'll keep your eyes on the road, and not on your screen.

Available Fender® Premium Audio System

The 8-speaker system will have you feeling like you've got the best seat in the house. Or in this case, the best seat on the road.

Available Discover Media*

The new Discover Media infotainment system combines next-generation navigation with in-car media entertainment and App-Connect functionality, all controlled from its easy-to-use 6.33" touchscreen colour display.

*Do not drive distracted.

The drive is the destination.

Performance. Handling. Control. Together in an SUV.
No, that's not a typo. It's the Tiguan.

2.0 TSI® engine

This turbocharged engine delivers 200 HP and 207 lb-ft of torque. And it does all that while being ultra-efficient.

Available 4MOTION® All-Wheel Drive

With 4MOTION® All-Wheel Drive, the 2016 Tiguan can navigate unfriendly terrain with ease by instantly reacting to changes in traction at each individual wheel and redirecting power accordingly. The result is better grip, smoother handling and a more peaceful drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI®	13.0	9.0
Automatic	2.0 TSI®	11.7	9.5
Automatic	2.0 TSI® 4MOTION®	11.6	9.3

*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

Paved or unpaved. You choose the road.

You name the destination and the 2016 Tiguan will get you there. Whether it's downtown, uptown, or to a faraway small town, you'll always arrive in style.

Fold-flat front passenger seat and 60/40 split folding and sliding rear seats with pass-through

The Tiguan offers up a world of possibilities. The front passenger seat folds down to accommodate items up to 2.5 metres long. The rear seats fold, recline and slide back and forth, creating ample cargo space for all your gear. All you have to do is choose your next adventure.

Turn heads. Multiple times.

The 2016 Tiguan gets noticed. How could it not? With a sporty design and sharp lines, you can't help but take a second, third, and fourth look. We hope you're good at taking compliments, because you'll be getting a lot of them.

Available Bi-Xenon headlights

They're brighter. They last longer. They consume less energy. And they're smarter. In fact, the Bi-Xenon lights have an Adaptive Front-light System that turns up to 13 degrees around corners before you do. Smart indeed.

Available panoramic sunroof

It's a big world out there. See a whole lot more of it with a panoramic sunroof that spans nearly the entire length of the cabin.

Available R-Line Package

If you're wondering why it's so hard to tear your eyes away from the Tiguan, blame it on the performance-inspired styling of the R-Line Package.

Because drivers are passengers too.

Available Climatronic® dual-zone electronic climate control, heated seats, and interior ambient lighting. There's not a thing we didn't think of when we crafted the interior of the 2016 Tiguan. You'll feel right at home. Even as you pull out of the driveway.

Available heated front seats and washer nozzles

Enjoy the comfort of a warm seat. And the comfort of knowing that the washer nozzles won't freeze, so you can clean your windshield no matter what it's like outside.

Available leather-wrapped steering wheel

Never take your hands off the wheel again. And not just because it's wrapped in leather. The music, navigation and settings are all close at hand.

Available 12-way power driver seat including power lumbar support and memory

Hopefully you're decisive. Because there are almost an infinite number of seating positions to get comfortable in, which makes the driver's seat perfect for everyone.

There is no such thing as too safe.

Dramatization.*

We don't know where you'll take the Tiguan, but we can help make sure you'll get there safely. Because safety is at the heart of everything we do.

Electronic Stability Control (ESC)

Our technology helps keep your vehicle stable, so you can come to grips with low-grip conditions.

Driver and passenger airbags

With front, torso and side curtain airbags for the front seats, and side curtain airbags for the back seats, no matter where you're sitting we've got you covered from multiple angles.

Standard rearview camera*

See what lies on the road behind. With a camera installed above your licence plate on the back of your Volkswagen, you'll be able to see what's behind you when you're reversing.

Intelligent Crash Response System (ICRS)**

Looking out for you when you need it most, this automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

Self-drying disc brakes

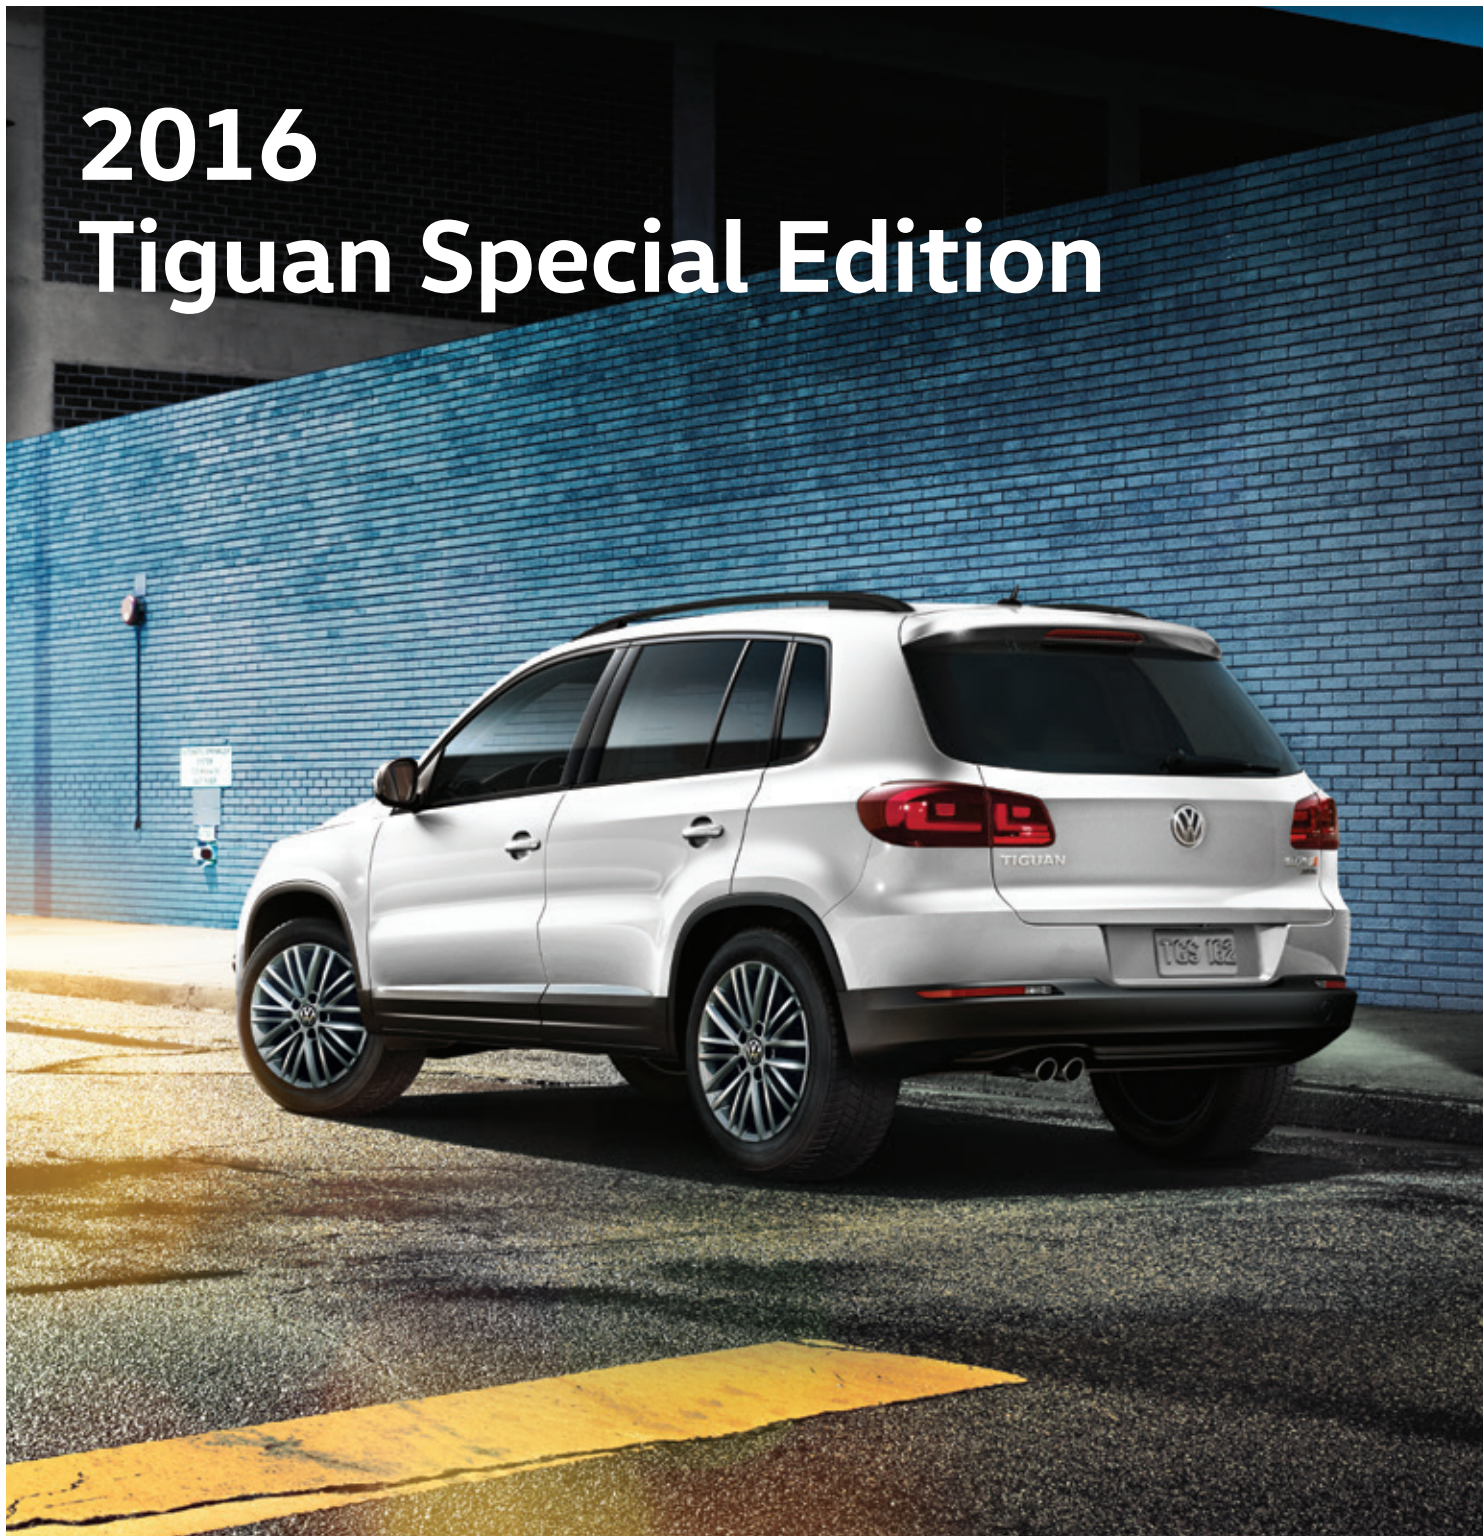

When it's raining outside, this system will pulsate water away from the brakes to keep them dry so they retain their full stopping power.

*Not all airbags will deploy, and if multiple airbags do deploy, they will be in various stages of inflating/deflating.

*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.

**ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

2016 Tiguan Special Edition

A Tiguan is what you get when you cross a tiger with an iguana, and the Special Edition is what you get when the tiger and iguana are animal kingdom royalty. With premium features like KESSY keyless access and standard rearview camera adding a touch of modern elegance to its ferocious performance, the 2016 Tiguan Special Edition is one rare breed.

Available App-Connect (Android Auto™, Apple CarPlay™, MirrorLink™)*

Connect to the things that matter most. The intuitive interface and voice command actions let you easily search online for songs, directions or even your favourite restaurant. So you'll keep your eyes on the road, and not on your screen.

4MOTION® All-Wheel Drive

With 4MOTION® All-Wheel Drive, the 2016 Tiguan Special Edition can navigate unfriendly terrain with ease by instantly reacting to changes in traction at each individual wheel and redirecting power accordingly. The result is better grip, smoother handling and a more peaceful drive.

Climatronic® dual-zone electronic climate control

We've separated the driver and front passenger seats into two temperature zones. Each is adjustable in increments of 0.5 degrees, and you could enjoy more than a 10-degree difference between the two. Because comfortable passengers mean a comfortable driver.

*Do not drive distracted.

- Electronic Stability Control (ESC)
- Exterior temperature display
- Front and rear floor mats
- Front fog lights
- Manual climate control
- Multifunction trip computer and indicator
- Plastic 3-spoke steering wheel, shift knob and handbrake lever
- Power adjustable and heatable exterior mirrors
- Rearview camera
- TPMS – Tire Pressure Monitoring System

Optional equipment:

Convenience Package

- App-Connect smartphone integration (Android Auto™, Apple CarPlay™, MirrorLink™)
- Auto-dimming interior rearview mirror
- Automatic headlights with coming and leaving home function
- Black roof rails
- Composition Media – 6.33" touchscreen infotainment system with proximity sensor, CD player, 8 speakers, and 1 SD card slot
- Heatable front seats and washer nozzles
- Leather-wrapped multifunction steering wheel and shift knob
- Privacy glass
- Rain-sensing wipers
- SiriusXM® Satellite Radio
- USB audio input

Special Edition (SE)

Engine:

- 2.0 TSI® 200 HP, 6-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 207 lb-ft at 1,700–5,000 rpm

Includes Trendline plus:

- 17" Fortaleza alloy wheels with all-season tires
- Auto-dimming interior rearview mirror
- Automatic headlights with coming and leaving home function
- Black roof rails
- Climatronic® dual-zone electronic climate control
- Heatable front seats and washer nozzles
- KESSY – keyless access with push-start button
- Leather-wrapped multifunction steering wheel and shift knob
- Privacy glass
- Rain-sensing wipers
- USB audio input

Optional equipment:

- Panoramic power sunroof

Navigation Package

- App-Connect smartphone integration (Android Auto™, Apple CarPlay™, MirrorLink™)
- Discover Media – 6.33" touchscreen infotainment system with proximity sensor, CD player, satellite navigation, and 2 SD card slots
- SiriusXM® Satellite Radio

Comfortline (CL)

Engine:

- 2.0 TSI® 200 HP, 6-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 207 lb-ft at 1,700–5,000 rpm

Includes Trendline plus:

- 18" Pasadena alloy wheels with all-season tires
- 8-way adjustable driver seat including power recline and manual lumbar support
- App-Connect smartphone integration (Android Auto™, Apple CarPlay™, MirrorLink™)
- Auto-dimming interior rearview mirror
- Automatic headlights with coming and leaving home function
- Black roof rails

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information contained in this brochure is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Changes in street names, construction zones, traffic flow, points of interest or other road system changes are beyond the control of Volkswagen Canada. Discrepancies may occur between the mapping and the actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2016 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2016 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
