

# 2016 Tiguan

Unforgettable performance.

Take everything you know about SUVs and throw it out the window of the 2016 Tiguan, because it's designed with one word in mind – performance. Its available 4MOTION® All-Wheel Drive provides superior handling of the road, giving you better control in all conditions. But that's not all the Tiguan has to offer – with 60/40 split folding and sliding seats, it's got versatility built right in, so you'll have enough space for your sports equipment, camping supplies, and more. It's the SUV for drivers unwilling to sacrifice what they love – an unforgettable driving experience and everything that comes with it.

## Key Features

### 60/40 split folding and sliding rear seats with recline feature

The Tiguan's rear seats offer a world of possibility. With their ability to fold, recline, and slide back and forth, you can either stretch your cargo space or stretch your legs out.

### Available Discover Media infotainment system\*†

The new Discover Media infotainment system combines next-generation navigation features with in-car media entertainment and App-Connect functionality, all controlled from its easy-to-use 6.33" touchscreen colour display.

### Available KESSY – keyless access with push-start button\*

It's easy to lose your keys at the bottom of your purse, or not have a hand free to reach the keys in your pocket. But with KESSY keyless access, you can lock or unlock your doors and start your Volkswagen without having to search for your keys. You don't even have to know what pocket they're in.

### Available R-Line Package\*

If you're wondering why it's so hard to tear your eyes away from the Tiguan, blame it on the performance-inspired styling of the R-Line Package.

### Available App-Connect\*†

Think smart, with App-Connect, using either Android Auto™ from Google®, CarPlay™ from Apple®, or MirrorLink™. Its intuitive interface and powerful voice command actions let you easily search online for songs, directions or even your favourite restaurant, so you'll keep your eyes on the road, and not on your screen.

### Standard rearview camera††

We concealed a tiny camera on the back of the SUV, to help you see things that are hidden behind you. Like, for instance, someone who can't stop staring at your Tiguan.

\*Feature is available on higher trims only and/or as an option. See the Features page for details. ††Do not drive distracted. †††Driver assistance feature. Drivers must continue to perform manual checks before proceeding.

Trendline (TL)
