

2016

Touareg

Das Auto.

Unforgettable refinement.

If you've ever wondered what happens when quality refinement is refined even further, the Touareg is your answer. Expertly designed. Meticulously crafted. Everything about it, from its seats to its silhouette, has been carefully curated to fit your refined tastes. It's an SUV that exudes confidence – inside and out.

Design & interior

With the Touareg, we've taken refined amenities to new heights. That way, even if you step outside your comfort zone on your next adventure, it'll feel like you never left comfort behind.

Versatility

It doesn't matter if it's asphalt or gravel – in an SUV this versatile, the end of the road is just the start of a new one.

Performance

Thanks to a powerful engine and 4MOTION® All-Wheel Drive, when you're in a Touareg, you aren't just going places – you're going everywhere.

Refinement at every turn.

Whoever said that there's no accounting for taste never drove a Touareg. Luxurious refinement can be found in every inch. So clear your schedule before you climb in, because once you do, you're not going to want to get out.

Available panoramic sunroof

It's a big world out there. See a whole lot more of it with a panoramic sunroof that spans nearly the entire length of the cabin.

Climatronic® dual-zone electronic climate control

We've separated the driver and front passenger seats into two temperature zones. Each is adjustable in increments of 0.5 degrees, and you could enjoy more than a 10-degree difference between the two. Because comfortable passengers mean a comfortable driver.

Heatable front seats & available heated rear seats

Enjoy the comfort of a warm seat on a cold day. And if keeping your rear passenger seats warm also warms your heart, you can have that too.

Available Vienna leather seating surfaces

There's nothing like relaxing in a soft leather chair after a long day at the office. And now you don't have to wait until you get home to do it.

Available 14-way power driver seat including power lumbar support and memory

Hopefully you're decisive. Because there are almost an infinite number of seating positions to get comfortable in, which makes the driver's seat perfect for everyone.

Available heated steering wheel

Now that you can keep your hands warm at the wheel without needing gloves, we can safely say that we've thought of everything.

Understated design that speaks volumes.

We've designed the Touareg with sleek lines, and bold curves that make a statement, but not a scene. It's a paragon of thoughtful subtlety in an SUV – an achievement in itself.

Silver roof rails

If you need some more space for bulky cargo or sporting equipment, you need roof rails. And these aren't just any old roof rails. They're sophisticated – like your Touareg.

Tire Pressure Monitoring System (TPMS)

The TPMS lets you monitor your tire pressure from the comfort of your driver's seat. By knowing the correct tire pressure, you'll be able to extend the life of your tires and enjoy better fuel efficiency.

Standard rearview camera*

See what lies on the road behind. With a camera installed above your licence plate on the back of your Volkswagen, you'll be able to see what's behind you when you're reversing.

It's a big world out there. Drive it.

Engineered for action, the Touareg is ready for whatever you are. So get in, and get out there. Adventurous isn't just a state of mind, it's the Touareg.

Remote power liftgate & available Easy Open liftgate

Get easy access to your cargo right on your keychain. Or, if you'd prefer not to lift a finger – our Easy Open alternative requires only a simple swipe of your foot under the rear bumper.

Available power rear seat backrest release

Pop down your back seats with the push of a button. With the electric rear seat release, making the most of your cargo space is easy.

Four 12 V power outlets

With four power outlets available, you're always in charge of your phone's charge.

60/40 split folding and sliding rear seats with pass-through

The Touareg offers up a world of possibilities. The rear seats fold, recline and slide back and forth, creating ample cargo space for all your gear. All you have to do is choose your next adventure.

Your first-class ticket to any destination.

3.6L engine

Our 3.6L engine is engineered to give you 280 HP of pure driving pleasure.

You never settle for less, and your SUV shouldn't either. So we outfitted the Touareg with a 3.6L engine and 4MOTION® All-Wheel Drive to ensure you get the ride you expect and your Touareg gets the performance it deserves.

4MOTION® All-Wheel Drive

With 4MOTION® All-Wheel Drive, the 2016 Touareg can navigate unfriendly terrain with ease by instantly reacting to changes in traction at each individual wheel and redirecting power accordingly. The result is better grip, smoother handling and a more peaceful drive.

8-speed automatic transmission

8 speeds that suit almost any driving situation make the Touareg fuel-efficient, and undeniably fun to drive.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Automatic	3.6 FSI®	13.8	10.3

*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

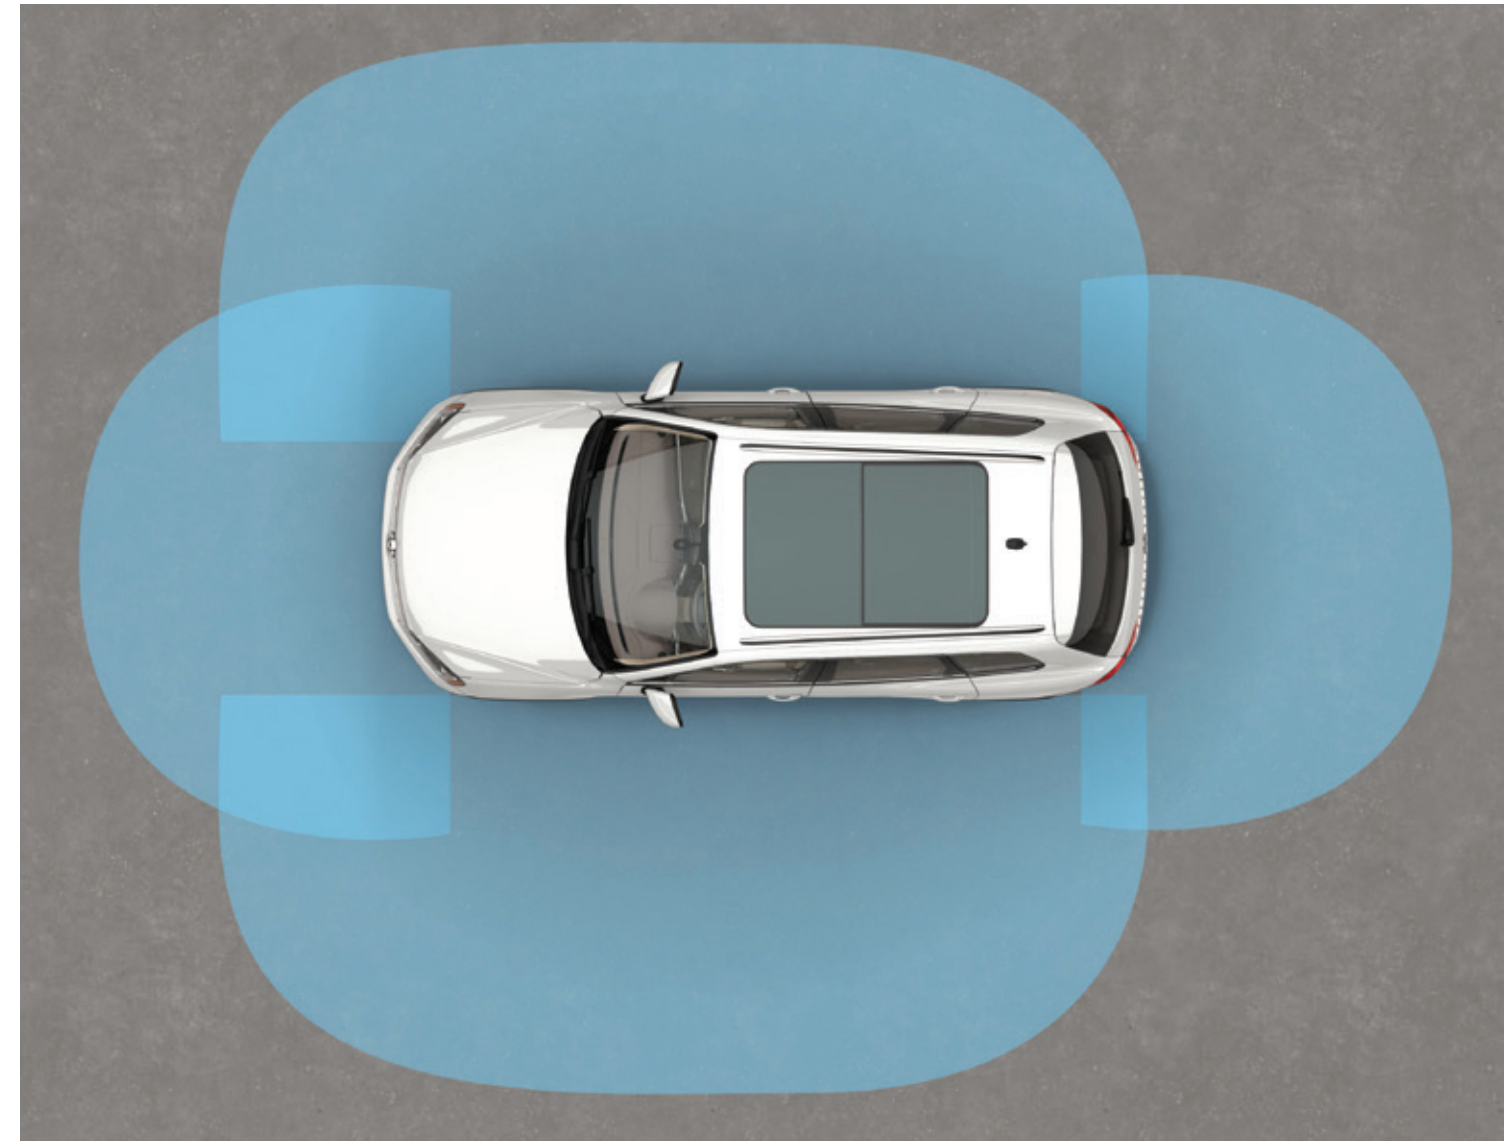

At the forefront of forward thinking.

Available Dynaudio® premium sound system

If taking the sound of a home audio system with you is literally music to your ears, this is your opportunity to bring high-fidelity sound with you anywhere.

Whether you're heading out for a weekend in the woods or just escaping to the streets, when you're surrounded by the latest technology, you'll never miss a figurative or literal beat.

Available Area View 360**

When you're parking, having eyes on the back of your head isn't always enough – so we added cameras to the side, front and back. You can rest easy knowing you'll get the full panoramic picture.

Bi-Xenon headlights

They're brighter. They last longer. They consume less energy. And they're smarter. In fact, the Bi-Xenon lights have an Adaptive Front-light System that turns up to 13 degrees around corners before you do. Smart indeed.

**Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.

Don't leave chance to chance.

It's said that without risk, there's no reward. We beg to differ. There's plenty rewarding about driving a Touareg, and, with its suite of safety features, when it comes to arriving safely, there's not a lot of risk.

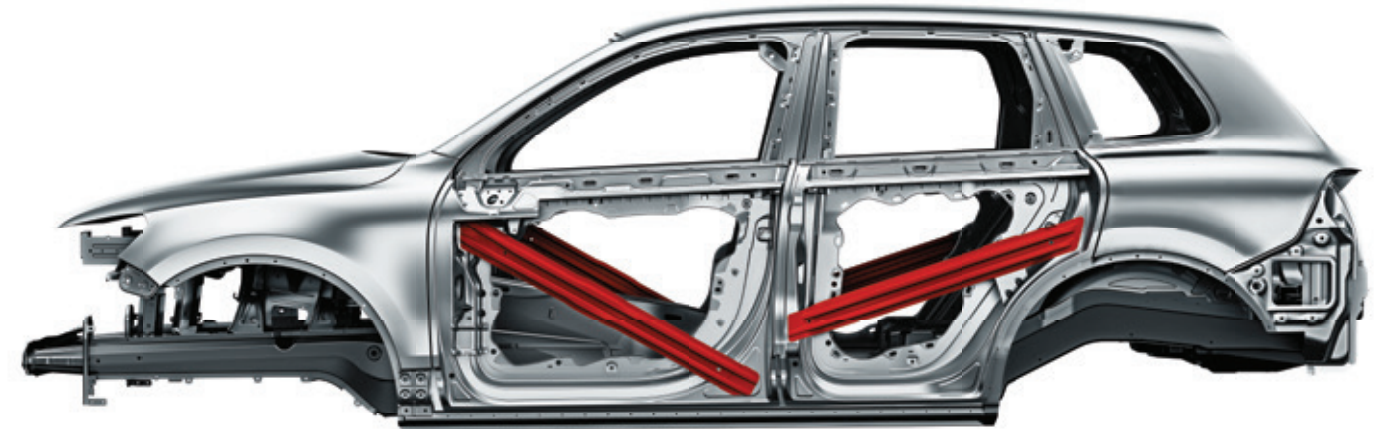

Available Lane Assist*

Sensors send a vibration to your steering wheel when you drift outside of your lane, making sure that when you hit the road, you always stay the course.

Intelligent Crash Response System (ICRS)**

Looking out for you when you need it most, this automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

Available Adaptive Cruise Control*

Adaptive Cruise Control is genius (if we may say so). It uses sensors to detect the vehicle ahead, and then automatically adjusts your speed to help keep you at a safe distance without ever needing to adjust the gas or brakes – even in stop-and-go traffic.

Available Front Assist with Autonomous Braking*

Stop accidents before they happen. A built-in traffic monitor detects situations where the distance to the vehicle in front of you is too close and helps reduce the vehicle's stopping distance when required. At low speeds (up to 30 km/h) the system can automatically brake.

Driver and passenger airbags

With front, torso and side curtain airbags for the front seats, and side curtain airbags for the back seats, no matter where you're sitting we've got you covered from multiple angles.

Electronic Stability Control (ESC)

Our technology helps keep your vehicle stable, so you can come to grips with low-grip conditions.

* Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.
** ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

Features

Sportline (SL)

Engine:

- 3.6 FSI® 280 HP, 8-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 266 lb-ft at 3,000–4,000 rpm

Sportline includes:

- 18" Arica alloy wheels with all-season tires
- 60/40 split folding/sliding rear seats with recline feature and centre armrest
- 8-way power driver and front passenger seat including manual lumbar support
- Auto-dimming interior rearview mirror
- Automatic headlights with coming and leaving home function
- Automatic post-collision braking system
- Bi-Xenon headlights with Adaptive Front-light System (AFS)
- Bluetooth® mobile phone connectivity
- Body-coloured lower bumpers and sills
- Climatronic® dual-zone electronic climate control
- Comfort-opening cargo cover
- Comfort seats with seatback pockets
- Cooling glove box
- Cruise control
- Diversity antenna
- Driver & front passenger front & side airbags and front & rear Side Curtain Protection®
- Electronic Stability Control (ESC)
- Front and rear floor mats
- Front fog lights
- Heatable front seats and washer nozzles
- Illuminated vanity mirrors
- Interior lighting package
- Leatherette seating surfaces
- Leather-wrapped multifunction steering wheel and shift knob with aluminum decorative insert
- LED signature daytime running lights
- MDI – Media Device Interface with iPod® connectivity
- Multifunction trip computer and indicator
- Power adjustable and heatable exterior mirrors
- Power liftgate
- Power outlets: four 12 V and one 115 V
- Privacy glass
- Rain-sensing wipers
- Rearview camera
- RNS 850 – 8.0" touchscreen radio with 3D mapping, climate control, and 1 SD card slot
- Scuff plates in plastic

- Silver roof rails
- SiriusXM® Satellite Radio
- TPMS – Tire Pressure Monitoring System
- Trailer hitch preparation (wiring, bumper & ventilation)

Optional equipment:

Outdoors Package

- Panoramic power sunroof
- Towing hitch with 7-pin connector (ball mount and ball not included)

Comfortline (CL)

Engine:

- 3.6 FSI® 280 HP, 8-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 266 lb-ft at 3,000–4,000 rpm

Includes Sportline plus:

- Easy Open power liftgate*
- Heatable steering wheel
- KESSY – keyless access with push-start button
- LED tail lights
- Panoramic power sunroof
- Park Distance Control (PDC)
- Side Assist
- Towing hitch with 7-pin connector (ball mount and ball not included)

Optional equipment:

Technology Package

- Adaptive Cruise Control
- Front Assist with Autonomous Emergency Braking
- Lane Assist

Highline (HL)

Engine:

- 3.6 FSI® 280 HP, 8-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 266 lb-ft at 3,000–4,000 rpm

Includes Comfortline plus:

- 19" Salvador alloy wheels with all-season tires
- 14-way power driver seat including power lumbar support and memory function
- Auto-dimming exterior mirrors with memory function
- Centre armrest (2-piece, slideable)
- Door sill plates in stainless steel
- HomeLink®
- Interior décor: Sapelli Mahogany
- Leather seating surfaces
- Power rear seat backrest release

Optional equipment:

Technology Package

- Adaptive Cruise Control
- Area View 360°
- Front Assist with Autonomous Emergency Braking
- Lane Assist

*R-Line Package**

- 20" Mallory alloy wheels with all-season tires
- Aluminum interior trim
- Black roof liner (available with black interior only)
- Chromed oval tailpipes
- R-Line aluminum door sills
- R-Line badge in grille
- R-Line body-coloured rear spoiler
- R-Line exterior design package (front and rear bumpers and side skirts)
- R-Line heatable sport steering wheel with paddle shifters
- Sport suspension
- Stainless steel pedals

Execline (EL)

Engine:

- 3.6 FSI® 280 HP, 8-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 266 lb-ft at 3,000–4,000 rpm

Includes Highline plus:

- 20" Masafi alloy wheels with all-season tires
- Adaptive Cruise Control
- Area View 360°
- Dynaudio® – 600-watt digital sound package (12 speakers)
- Front Assist with Autonomous Emergency Braking
- Heatable rear seats

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCan) fuel consumption criteria and testing methods for 2016 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCan approved calculation methods for 2014 model year and older vehicles. Please refer to NRCan's Fuel Consumption Guide 2016 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
