

2016

# Jetta GLI

Das Auto.

**Unforgettable rush.**

**The word rush is usually reserved for life's most exciting moments, so it's perfect for the new Jetta GLI.** Its dynamic engine and racing-inspired suspension package will deliver exhilarating performance, while the sporty exterior and feature-loaded interior deliver a shock for all the senses. If that's not a rush, we don't know what is.

#### **Technology**

There's a lot of new tech to try out in the Jetta GLI. With KESSY keyless access, satellite navigation and Park Distance Control, you'll always stay ahead of the curve.

#### **Performance**

With a turbocharged engine and sport-tuned suspension, the Jetta GLI is all about breathtaking power and electric agility. If you're looking for excitement, you've found it.

#### **Design & interior**

Sleek, sporty lines and quality German engineering in every last detail. It might be the best-designed vehicle ever. Rocket ships excluded.

## The cutting edge of cutting-edge.

We outfitted the 2016 Jetta GLI with modern technology to deliver a modern rush. Which is why it comes equipped with features like cutting-edge KESY keyless access and an available state-of-the-art Discover Media infotainment system. Because while getting something new is exciting, getting something new that's full of new technology is exhilarating.

### Available Fender® Premium Audio System

The 8-speaker system will have you feeling like you've got the best seat in the house. Or in this case, the best seat on the road.

Speakers shown for information only. Actual speakers vary in shape and size.

### Available Discover Media\*

The new Discover Media infotainment system combines next-generation navigation with in-car media entertainment and App-Connect functionality, all controlled from its easy-to-use 6.33" touchscreen colour display.

\* Do not drive distracted.

### KESY keyless access with push-start button

Start your car without ever taking your key out of your pocket. Perfect for cold days or pretending you have super powers.

# Redefining rush hour.

Sports-car power and precision handling – the 2016 Jetta GLI is anything but your ordinary ride. With a 210 HP turbocharged engine that delivers an exhilarating rush and a sport suspension package that handles like a dream, the only thing you'll be gripping harder than the steering wheel is the road.

## Jetta GLI-tuned sport suspension and Cross Differential System (XDS)

It maximizes traction, reduces understeer and improves overall response around corners. Long story short, it's got a good handle on handling.

## 2.0 TSI® engine

This turbocharged engine delivers 210 HP and 207 lb-ft of torque. And it does all that while being ultra-efficient.

## Available 6-speed DSG® automatic transmission with Tiptronic®

Exhilarating performance, smooth handling and masterful control, all at the flick of a paddle shifter. Yeah, it's as exciting as it sounds.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	2.0 TSI®	10.1	7.2
Automatic DSG®	2.0 TSI®	9.8	7.0

\*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

# It's what's outside that counts.

You want sport? The GLI has it. You want flair? The GLI has it. You want functional? You guessed it, the GLI has that too. With darkened tail lights, custom brake calipers and a unique front end, the 2016 Jetta GLI is designed to give you what you want. No matter which way you look at it.

## Darkened tail lights

Tail lights that add a touch of modernity and mystery to the GLI's slick design.

## Unique GLI front bumper and grille

We gave the Jetta GLI a custom bumper and grille, because if you're going to be sporty and adventurous, you should look the part too.

## Red painted brake calipers

Our red painted brake calipers make you look fast even when you're standing still. The irony isn't lost on us.

## Ready. Sit. Go.

An interior as sharp as the tools that shaped it. The 2016 Jetta GLI features customizable ambient lighting, the premium feel of a soft-touch dash and a modern headliner for a streamlined aesthetic. Get inside and watch people watch you.

### Interior ambient lighting

Who said race cars should get all the cool lights? Turns out, no one did. So we decked out the 2016 Jetta GLI in lights that aren't only cool, but energy-efficient too.

### Black headliner and pillar covering

It's the 2016 Jetta GLI, so not just any roof interior will do. We've created a black headliner for a streamlined aesthetic that ensures the inside is as modern as the outside.

## Built for performance. Founded on safety.

Dramatization.\*

When nobody gets hurt, it can be all fun and games. Innovative safety technology like available Blind Spot Detection and a rearview camera ensure that while the Jetta GLI might be about delivering the thrill of a fun drive, it's built on a foundation of safety.

### Available Blind Spot Detection with Rear Traffic Alert\*

Be certain of your surroundings at all times. Radar sensors trigger a blinking symbol on your side mirrors that warn you when an object enters your blind spot.

### Safety cage

You can't see it, but if a collision becomes unavoidable you'll know it's there. Hidden pillars form a rigid safety cell around the cabin, helping to reduce risk of injury or death.

### Driver and passenger airbags

With front, torso and side curtain airbags for the front seats, and side curtain airbags for the back seats, no matter where you're sitting we've got you covered from multiple angles.

### Intelligent Crash Response System (ICRS)\*\*

Looking out for you when you need it most, this automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

### Standard rearview camera\*

See what lies on the road behind. With a camera installed above your licence plate on the back of your Volkswagen, you'll be able to see what's behind you when you're reversing.

### Park Distance Control\*

Go ahead, try and fit in that spot. Sensors in the front and rear of the car will indicate if you're getting too close to surrounding vehicles.

\*Not all airbags will deploy, and if multiple airbags do deploy, they will be in various stages of inflating/deflating.

\*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.  
\*\*ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

## Standard Wheels

17" Joda Black alloy wheel  
GLI

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2016 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2016 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
