

2017

Golf Alltrack

Volkswagen

Exceptional exists for
less than you think.

From only \$37,040.*

*Base MSRP of a new and unregistered 2017 Golf Alltrack 1.8 TSI[®] automatic DSG[®] with Tiptronic[®] 4MOTION[®] is \$37,040, \$1,645 freight and PDI and \$100 a/c levy included. Licence, insurance, registration, options, any dealer or other charges and applicable taxes are extra. Dealer may sell for less. Model shown may include optional equipment.

High road. Low road. No road. They're all waiting for you. And the well-appointed yet affordable 2017 Golf Alltrack is the perfect vehicle to get you there. Standard 4MOTION[®] All-Wheel Drive, extra ground clearance and an "Off-Road" driving mode that optimizes traction on uneven surfaces make adventure time, fun time. Inside, contoured leather seats and a wealth of technology will have you wishing all of your journeys were just a little bit longer. Discover the ready-for-anything Golf Alltrack. It's rugged yet refined, just like you.

Versatility

Ready. Set. Go anywhere. And take whatever you need. With a ton of cargo space, clever folding seats and standard roof racks, you're ready to explore the world again and again.

Performance

With raised ground clearance and all-wheel grip, you're ready to go almost anywhere you want to – which in your case is probably the road less travelled.

Design & interior

The practicality of a family-sized hauler with the go-anywhere ruggedness of an off-road adventurer. What more could you ask for?

The possibilities are endless.

With satellite navigation, messaging, awesome music and more at your fingertips, the 2017 Golf Alltrack is the perfect companion. It's all the freedom you need to truly be you.

Discover Media infotainment system with satellite navigation*

Make your getaway. And make it good. This easy-to-use infotainment system features a 6.5" colour touchscreen with proximity sensor, CD player, voice control, satellite navigation and two SD card slots all at your fingertips.

Available Fender® Premium Audio System

The right tunes can make every drive better. Enjoy uncompromised clarity in high, low and mid ranges with this 400-watt sound system. Plus each of the 8 speakers has been carefully situated to give you the very best listening experience possible.

App-Connect*

Sync with your compatible smartphone and let select apps appear on the dash touchscreen. Then use voice commands to connect, listen, navigate and more. You can also dictate text messages and have incoming texts read to you. It's the ultimate multi-tool. Works via Android Auto™, Apple CarPlay™ and MirrorLink™.

KESY keyless entry with push-start button

Keep your keys in your pocket and unlock your door by just pulling on the handle. Inside, just push the start button and you're ready to go. It's super convenient, and ultra modern.

Switch it up. Then switch it back.

Whether it's people or gear, you'll love how easy it is to reconfigure the 2017 Golf Alltrack to handle whatever life throws your way. Plus, the roof racks provide a base for bringing more of the stuff you want for your adventures.

60/40 split folding rear seats with centre pass-through

Your gear changes with your needs. Be ready. The 60/40 fold-flat rear seats give you plenty of options when you have to get stuff from A to B. The handy fold-down centre armrest lets you carry longer items like skis and still have a seat for four passengers.

Variable cargo load floor

This handy adjustable rear cargo floor lets you store rarely used items like washer fluid neatly out of the way. Or simply take it out to create additional cargo space.

Available LED signature daytime running lights

They give the 2017 Golf Alltrack a distinctive look when someone sees you in their rearview mirror. Plus, LED lights use a lot less electricity than conventional bulbs.

Panoramic power sunroof

Enjoy more of the great outdoors. Turn the control to slide open the sunroof and you're enjoying fresh air and sunshine. If you want a more intimate mood, a full sunshade can cover the entire sunroof at the touch of a button.

Exclusive Alltrack trim

The 2017 Golf Alltrack boasts a rugged, ready-for-anything look with a sculpted front bumper and integrated fog lights, protective black cladding and fender flares, and silver lower accent trim.

This is what adventure looks like.

The 2017 Golf Alltrack was created with the adventurer in mind – whether for a trip across town or across the continent. It's sporty, stylish and sturdy, yet it has all the refinement you'd expect from a Volkswagen.

Conquering the world has never been this fun.

The 2017 Golf Alltrack is ready to take you places. Even if those places don't have paved roads. A rugged, raised suspension and standard 4MOTION® All-Wheel Drive help you take on uneven surfaces with confidence. Yet it never forgets it's still a comfortable family-sized wagon.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Automatic DSG® with 4MOTION®	1.8 TSI®	10.6	8.0

*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

4MOTION® All-Wheel Drive*

Keep your composure on uneven surfaces. If road conditions change, the system calculates the optimal drive torque for the rear axle and shifts power accordingly. It ensures optimum traction on most surfaces even in adverse weather conditions.

Driver profile selection

Depending on your driving preference and the situation, you can select from four distinct driving modes including an Off-Road mode that adds hill-descent control and optimizes traction for better control on uneven terrain.

6-speed automatic DSG® with Tiptronic®

Enjoy the driving excitement of a manual transmission without needing a clutch. Move the shift lever to the Tiptronic® position and change gears using the gear shift.

Alltrack raised suspension

The 2017 Golf Alltrack has a raised chassis, giving it additional ground clearance over a standard Golf. This means you can explore more adventurous roads with confidence.

*Appropriate all-season or winter tires are required when driving during cold, snowy or icy weather conditions, or else slipping may occur. Winter tires may be mandatory in your province or territory.

Can rugged be comfortable? Absolutely.

Sure, it's got rugged good looks, but wait till you get inside. The 2017 Golf Alltrack is all comfort. It starts in the luxurious leather driver seat, which can be adjusted the fit your body to a T. It's also heatable, so you can warm up fast on chilly days. Going on a big adventure doesn't mean leaving comfort behind.

Climatronic® dual-zone electronic climate control

Comfort counts. Both driver and passenger can set individual temperatures for their side of the cabin. For example, if the passenger feels hot, they can simply adjust their temperature control for a cooler blast of air. It's ideal when one side of the cabin has the sun coming in.

Heatable front seats and washer nozzles

Driver and passenger can enjoy the comfort of a warm seat. And the comfort of knowing that the washer nozzles will work on the coldest of days, so the windshield stays clear when you're on a winter adventure.

12-way power driver seat including power adjustable lumbar support

Create your perfect seating position and make those long drives ache-free. Easy-to-use controls let you adjust the seat height and depth plus the seat and backrest angles for an almost infinite number of positions. Also, the lumbar support helps reduce loads on the spinal column.

Customizable ambient LED interior lighting

Highlight the interior of your 2017 Golf Alltrack when your drive takes you into the night. Ambient LED lighting in the door handles, foot wells and centre console help you find things more easily and look totally cool.

Leather-wrapped multifunction steering wheel

This multifunction steering wheel is exceptionally user-friendly and lets you control your phone, your music, the radio and more without taking your hands off the wheel. The leather part makes it super comfy to hold.

Top leather sport seats

Awesome comfort and extra support for you when taking curves.

Ready for the unexpected.

Dramatization.*

The 2017 Golf Alltrack is equipped with numerous safety systems designed to help keep you and your passengers safe, whether you're simply backing into a parking spot or cruising down the highway on a week-long road trip. Like the old boy-scout motto says, "be prepared."

Available Front Assist with Autonomous Emergency Braking*

A radar sensor measures the distance and relative speed of vehicles in front of you and provides you with a warning if it detects the possibility of a rear-end collision.

Available Park Distance Control*

Backing into a tight spot is easier thanks to sensors that emit a beeping sound that changes tone the closer you get to a solid object.

Intelligent Crash Response System (ICRS)**

This automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

Available Adaptive Cruise Control (ACC)*†

With ACC engaged, your speed is automatically regulated if the vehicle ahead is moving slower. You don't have to touch the gas or brake pedals. You can also specify the distance between you and the car ahead.

Standard rearview camera*

Helps you avoid obstacles you may not notice using the mirrors or by turning your head.

Available Light Assist

This is a very convenient feature when you are driving outside of the city and are using the high beams. The system can automatically turn off the high beams temporarily when there is a vehicle ahead of you in your lane or coming toward you in the oncoming lane.

*Not all airbags will deploy, and if multiple airbags do deploy, they will be in various stages of inflating/deflating.

*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.

**ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

†In emergency situations, it is still necessary to apply the brakes manually.

Volkswagen Original Accessories

Ready for anything. Custom-tailor your Golf Alltrack.

When it comes to accessorizing a Volkswagen, only the best will do. Built to the same quality standards we build our cars and SUVs to, our accessories are custom-fitted to each vehicle and designed to go the distance.

Many accessories can also be included in your lease and financing arrangements, and easily included in your payments to suit your needs.*

Volkswagen Original Accessories are protected by the new vehicle 4-year/80,000 km limited warranty if they're installed prior to vehicle delivery. Or if purchased afterwards, accessories qualify for the balance of the new vehicle warranty coverage or a 1-year/20,000 km limited warranty, whichever is greater.**

01 Monster Mats®
High-quality all-season mats with rounded retention clip.

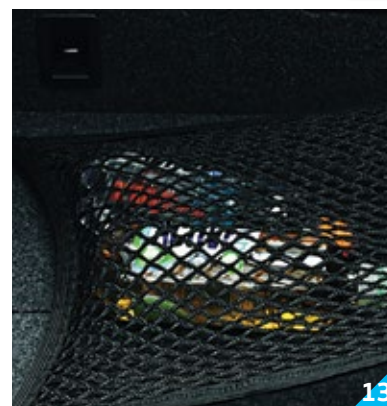

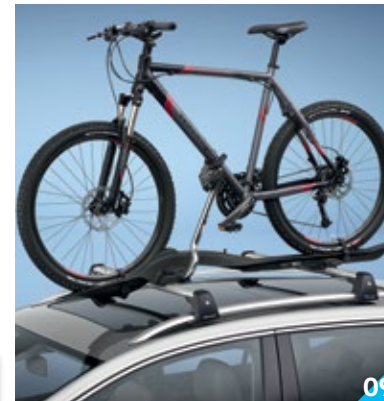

02 Lockable wheel bolts
Help deter thieves with a set of locking wheel bolts.

03 Child seat protective underlay
These seat covers not only look great, but they are also practical.

04 Splash guards
Temperature-resistant guards protect against road debris.

05 Pop-in sunshades
Protect your vehicle interior against sunrays shining in directly without influencing your view or road safety.

06 Rear bumper protection plate
A brushed-aluminum-look, durable, self-adhesive shield.

07 Base carrier bars
Bring along your skis, snowboards, kayak, bikes or cargo boxes with the help of these base carrier bars.[†]

08 Kayak holder attachment
Rubber-coated single-kayak holder with tie straps.

09 Bike holder attachment
Rugged single-bike holder with built-in lock.

10 Ski, snowboard and wakeboard attachment
Carries up to six pairs of skis or one wakeboard or four snowboards and installs on T-Slot base carrier bars (required and sold separately).^{††}

11 Roof box
Maximize your Volkswagen's storage capacity with an optimized and aerodynamically designed roof box.

12 Volkswagen Original Ski Bag
The Volkswagen Original Ski Bag can accommodate up to four pairs of skis and poles.

13 Cargo net
Designed to help prevent movement of cargo in your vehicle's trunk.

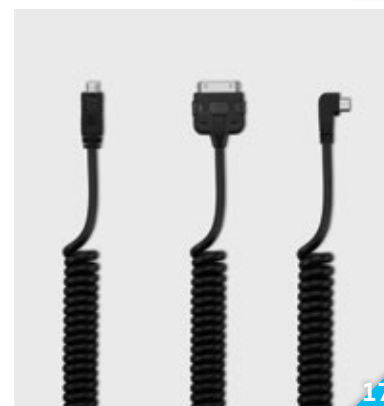

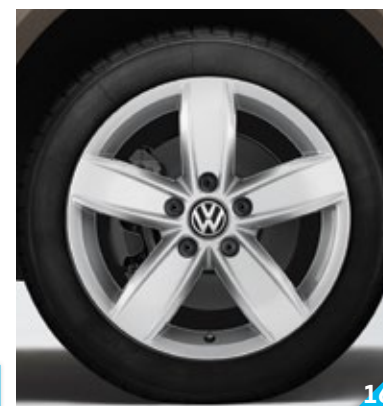

14 Trunk liner
Helps protect your trunk from dirt and spills.

15 17" Blade wheel – black and silver
Five-spoke wheel featuring clean lines and diamond-cut accents.

16 17" Corvara wheel
The 17-inch Corvara winter alloy wheel in brilliant silver features a striking five-spoke design that complements your vehicle.

17 Digital media adapter cables
Our digital media adapter cables let you connect compatible devices to your Volkswagen so you can play music and charge on the go.

18 Volkswagen Original Tire Bags
Volkswagen Original Tire Bag set protects tires during transport and storage of tires in the garage or cellar.

*Accessories must be dealer installed and approved by Volkswagen Finance. Certain conditions may apply. Contact your approved dealer for full details.
**Limited warranty is supplied by Volkswagen Group Canada Inc.

Availability of accessories shown is subject to change. Accessories may not fit all models.
[†]Separate attachments required to carry different types of items.
^{††}Number of items that can be carried will vary based on the size of each item.

© 2016 Volkswagen Canada. Features noted as available are available in optional packages. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2017 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2017 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
