

2017

# Golf

Volkswagen

Exceptional exists for  
less than you think.

From only \$20,940.\*

\*Base MSRP of a new and unregistered 2017 Golf 1.8 TSI® 3-door Trendline with 5-speed manual transmission is \$20,940, \$1,645 freight and PDI and \$100 a/c levy included. Licence, insurance, registration, options, any dealer or other charges and applicable taxes are extra. Dealer may sell for less. Higher trimlines of the 2017 Golf are shown and some include optional equipment.

**This car is just waiting for the fun to start.** And sometimes, that can be a very spur-of-the-moment thing. Which is perfectly okay with the Golf. Its turbocharged engine is ready to take off at a moment's notice. The suspension, steering and handling are all tuned to make busy city streets more fun than frantic. And the price? It's designed to make all that fun affordable.

#### Versatility

Shopping, moving, commuting, weekend getaways, just-for-the-heck-of-it Sunday driving: If only there was a car that was just right for it all. Oh wait, we made one.

#### Performance

To keep your adventures fun, you need a car that delivers a fun drive. With a spirited turbocharged engine and concise handling, the 2017 Golf is ready for any adventure you can throw its way.

#### Design & interior

When your life is filled with fun and adventure, there's nothing better than having a super-comfortable, perfectly designed place where you can recharge your batteries and get ready for what comes next.

# Technology that adds to the fun.

The 2017 Golf has a whole bunch of technology to help you stay connected with friends, stay on track to your destination, or simply crank your best-ever playlist. The 2017 Golf can even help you park. This is one car that can actually keep up with your life.

## Available App-Connect\*

It's intuitive and easy to use. With simple voice commands you can search for your favourite tunes, find an interesting new place to eat, and stay in touch with family and friends. You can also dictate text messages and have incoming texts read to you. Works via Android Auto™, Apple CarPlay™ and MirrorLink™.

## Available Discover Media infotainment system with satellite navigation\*

This is your central command – a 6.5" colour touchscreen with proximity sensor, CD player, voice control, satellite navigation and two SD card slots all at your fingertips.

## Available KESY keyless entry with push-start button

Avoid searching for your keys in your pocket or purse. Simply walk close to your vehicle and the door automatically unlocks when you pull the door handle. Then, the engine can be started by simply pushing the start button.

## Available Park Distance Control\*\*

Sensors in the front and rear of the car let you know if you're getting close to another object – like that parked car, or that wall.

## Standard rearview camera\*\*

Rearview mirrors and turning your head only tell you part of the story. Get a better view of what's behind you so you can avoid otherwise unseen obstacles and reverse into parking spots with greater precision.

## Available Park Assist\*\*

Parallel parking can be tricky. But the 2017 Golf has a trick up its sleeve. Automatic Park Assist steers the car in and out of parallel parking spots for perfect parking every time. Best of all, it's hands free.

\*Do not drive distracted.

\*\*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.

**Spontaneously versatile.**

Things happen, plans change, destiny awaits. Take it all in stride with the incredible versatility of the 2017 Golf. Its ingenious design and clever dexterity keep up with life.

**60/40 split folding rear seats with centre armrest and rear pass-through**

Comfort meets practicality. The fold-flat rear seats and centre armrest give you the room you need, whether it's for your mountain bike or your elbows.

**Adjustable cargo floor**

When you're trying to fit all your gear into the trunk, every centimetre counts. That's why we designed ours to adjust 9 centimetres up and down.

**Available driver's seat storage compartment**

It's the little things that matter. Especially when you can't find them. The driver's seat storage compartment helps keep all those little things perfectly organized.

# Happy, happy, joy, joy, drive, drive.

Whether you're zipping through the urban jungle or taking to the hills, great performance comes standard. Which is very handy when your destination is wherever life takes you.

## 1.8 TSI® turbocharged engine

The 1.8 TSI® turbocharged engine delivers performance on demand and still offers excellent fuel economy. It's the best of both worlds.

## Available automatic or manual transmission

Whether you enjoy the feeling of the 5-speed manual or the seamless, efficient shifting of the 6-speed automatic with Tiptronic®, the choice of transmission is always yours.

Fuel Consumption*	Engine	City L/100 km	Highway L/100 km
Manual	1.8 TSI®	9.3	6.6
Automatic	1.8 TSI®	9.4	6.7

\*Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

# Meet at the intersection of desire and design.

The ideal car should satisfy both sides of the brain. The fun side that wants memorable experiences at every turn. And the sensible side that wants a quality-engineered vehicle that will be with you through thick and thin.

## Driver-focused interior design

We call it the driver's seat; you may just call it your cockpit. The smart design puts you in total control whether you're on an urban thrill ride or parked overlooking a picture-perfect sunset.

## Available Bi-Xenon headlights

They're brighter. They last longer. They consume less energy. And they're smarter. In fact, the Bi-Xenon lights have an Adaptive Front-light System that turns up to 13 degrees around corners before you do. Smart indeed.

# Comfort headquarters.

Every day may offer new opportunities, but the 2017 Golf will keep you energized with available features like heated seats to ensure you arrive at your destination calm and collected.

## Available 12-way power driver's seat

Hopefully you're decisive. Because there are almost an infinite number of seating positions to get comfortable in, which makes the driver's seat perfect for everyone.

## Available Climatronic® dual-zone electronic climate control

Both driver and passenger can adjust the temperature in increments of 0.5 degrees for more than a 10-degree difference between zones. Now the person on the sunny side can keep their cool.

## Available interior ambient lighting

Bump up your cool factor after hours. Ambient LED lighting in the doors and decorative inserts adds a soft, glare-free glow and helps you find things more easily.

## Available heated front seats and washer nozzles

We know you don't let winter spoil your fun. So be ready for the cold with heated front seats to keep you and your passenger toasty warm, and heated washer nozzles to help keep your view clear when you're on the go.

## Choice of leather, cloth or leatherette seating surfaces

It's wonderful to have choice. That's why the 2017 Golf is available with three different seating surfaces.

**Keep safe out there.**

Dramatization.\*

The 2017 Golf combines passive and active safety features for protection you can count on. It's peace of mind whether you're just going to the store or heading out for a long weekend getaway.

#### **Intelligent Crash Response System (ICRS)\*\***

Looking out for you when you need it most, this automatic safety system disables the fuel pump, turns on the hazard lights and unlocks all doors in the event of a collision.

#### **Available Adaptive Cruise Control\*<sup>†</sup> with Lane Assist\***

Adaptive Cruise Control automatically regulates your speed and distance from cars ahead without you having to touch gas or brake pedals. You can also specify the distance between you and the car ahead. Lane Assist senses if your car is drifting out of your driving lane and gently vibrates the wheel to alert you.

#### **Available Rear Traffic Alert\***

This system lets you know if another car is approaching you from the side when you are backing out of a parking spot. Available in conjunction with Blind Spot Detection.

#### **Available Blind Spot Detection\***

Be certain of your surroundings at all times. Radar sensors trigger a blinking symbol on your side mirrors that warn you when another vehicle enters your blind spot.

\*Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road.

\*\*ICRS will only engage if an airbag is deployed or a safety belt tensioner fires.

<sup>†</sup>In emergency situations, it is still necessary to apply the brakes manually.

\*Not all airbags will deploy, and if multiple airbags do deploy, they will be in various stages of inflating/deflating.

# Volkswagen Original Accessories

Ready for anything.  
Custom-tailor your Golf.

When it comes to accessorizing a Volkswagen, only the best will do. Built to the same quality standards we build our cars and SUVs to, our accessories are custom-fitted to each vehicle and designed to go the distance.

Many accessories can also be included in your lease and financing arrangements, and easily included in your payments to suit your needs.\*

Volkswagen Original Accessories are protected by the new vehicle 4-year/80,000 km limited warranty if they're installed prior to vehicle delivery. Or if purchased afterwards, accessories qualify for the balance of the new vehicle warranty coverage or a 1-year/20,000 km limited warranty, whichever is greater.\*\*

**01 Monster Mats®**  
High-quality all-season mats with rounded retention clip.

**02 Splash guards**  
Temperature-resistant guards protect against road debris.

**03 Lockable wheel bolts**  
Help deter thieves with a set of locking wheel bolts.

**04 Valve stem caps**  
Set of four nickel-plated brass stem caps.

**05 Trunk liner**  
Helps protect your trunk from dirt and spills.

**06 Front valance – primer**  
This front valance accentuates the vibrant lines of your Volkswagen.

<sup>†</sup>Feature available beginning January 2017.

© 2016 Volkswagen Canada. Features noted as available are available in optional packages or on higher trimlines. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCAN) fuel consumption criteria and testing methods for 2017 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCAN approved calculation methods for 2014 model year and older vehicles. Please refer to NRCAN's Fuel Consumption Guide 2017 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
