

2017 Jetta GLI

Exceptional exists
for less than you think.

From only \$36,740.*

For pure driving excitement, put the 2017 Jetta GLI on your must-have list. We've taken our already exceptional Jetta and performance-engineered it to appeal to those who truly enjoy "going for a drive." As soon as your foot touches the aluminum sport pedals, you'll see what we mean. A 210 HP inline four-cylinder turbocharged engine propels you forward. And when the road throws you a curve, finely tuned sport suspension kicks in, letting you handle corners with amazing precision. You can even enjoy the manual transmission experience with the available Tiptronic® transmission that features sports-inspired shifter paddles on the steering wheel. And all this performance comes with a very surprising price.

Key Features

2.0 TSI® engine with 210 HP and 207 lb-ft of torque

TSI® combines the efficiency of direct injection with the added power of a turbocharger. Enjoy near-instant acceleration that lets you power up hills. It also means the 2017 Jetta GLI is extremely efficient when it comes to fuel economy.

Customizable interior ambient lighting

Add a true level of customization after the sun sets. Ambient LED lighting in the door handles, foot wells and centre console add a dash of sophistication and help you find things more easily.

Sport suspension

A lowered body and specifically coordinated springs, shock absorbers and anti-roll bars further enhance the driving pleasure with a high degree of comfort.

Fender® Premium Audio System

Hear the difference a premium sound system can make. This 8-speaker, 400-watt system makes it feel like you're front row centre at a live performance.

XDS (Cross Differential System)

XDS grips the road better when you are cornering fast by reacting quicker to changes in the road surface and adjusting to help prevent wheel spin. You'll benefit from a more agile and precise driving experience.

Auto-dimming interior rearview mirror

Enjoy a better driving experience at night with a mirror that automatically dims to prevent glaring headlights from impeding your vision.

Jetta GLI Autobahn

Engines:

- 2.0 TSI® 210 HP, 6-speed manual transmission
- 2.0 TSI® 210 HP, 6-speed automatic DSG® with Tiptronic®

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
