Key Features

1.4 TSI[®] turbocharged engine

Great on gas and great on thrills, this compact and lightweight engine is the perfect pairing of power and efficiency, delivering robust horsepower, quick acceleration and impressive fuel economy.

Available App-Connect[†]

It's intuitive and easy to use. With simple voice commands you can search for your favourite tunes, find an interesting new place to eat, and stay in touch with family and friends. You can also dictate text messages and have incoming texts read to you. Works via Android Auto[™], Apple CarPlay[™] and MirrorLink[™].

Available premium colour multifunction display[‡]

Conveniently displays vehicle information like fuel range, outside temperature, trip information, lighting and security settings and more. You can also display information from other systems like radio, navigation and phone.

Available Fender[®] Premium Audio System

Hear the difference a premium sound system can make. This 8-speaker, 400-watt system makes it feel like you're front row centre at a live performance.

Available Climatronic[®] dual-zone electronic climate control

Both driver and passenger can adjust the temperature in increments of 0.5 degrees to enjoy more than a 10-degree difference between zones.

Available Adaptive Cruise Control^{‡‡}

Your speed and distance from cars ahead is automatically regulated without you having to touch gas and brake pedals. You can also specify the distance between you and the car ahead. It's the stress-free way to go for a ride.

[†]Do not drive distracted. [‡]Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road. ^{**}In emergency situations, it is still necessary to apply the brakes manually.
