Key Features

60/40 split folding and sliding rear seats with pass-through

The rear seats fold, recline and slide back and forth, creating ample cargo space for all your stuff. The gear pass-through also lets you carry longer objects, like hockey sticks, without sacrificing rear seat space.

Available Discover Media infotainment system†

The Discover Media infotainment system combines next-generation navigation with in-car media, all controlled from its easy-to-use 6.33" touchscreen colour display.

Available 4MOTION® All-Wheel Drive

With 4MOTION® All-Wheel Drive, the Tiguan provides an extra level of safety over on-demand four-wheel drive systems. Always on, it constantly directs power to the wheels with the best traction, so you'll experience reliable grip and excellent stability on virtually all surfaces and driving conditions.

Available panoramic sunroof

Whether it's a big blue sky or a starlit night, see a whole lot more of it with a panoramic sunroof that spans nearly the entire length of the cabin.

Available App-Connect (Android Auto™, Apple CarPlay™, MirrorLink™)‡

Connecting to what matters has never been easier. The intuitive interface and voice command actions let you easily search online for songs, directions or even your favourite restaurant. You can also dictate text messages and have incoming texts read to you. So you can keep your eyes on the road, and not on your screen.

Standard rearview camera‡

Rearview mirrors only tell you half the story. Complete the full picture, avoid otherwise unseen obstacles, and reverse into parking spots with greater precision with the help of this handy camera.
