

2017 Touareg

Exceptional exists
for less than you think.

From only \$53,855.*

Performance, luxury and versatility come together in perfect harmony with the 2017 Touareg. From the get-go, this SUV was designed for the discerning driver who wants to know he or she is in command of a formidable piece of machinery, yet doesn't need to let the world know. Inner satisfaction is the hallmark of the Touareg aficionado. Which is why they drive to their own beat and when given the choice will travel the road less travelled. And it's all packaged for a price that's lower than you might think.

*Black Oak Brown Metallic, Malbec Red Metallic and Tungsten Silver Metallic are not available in combination with R-Line Package.

Key Features

Available panoramic power sunroof

Enjoy the feeling of fresh air and sunshine when you slide open the panoramic roof that spans nearly the entire length of the cabin.

Available Area View 360[†]

With wide-angle cameras front, back and on both sides, you can get a complete 360° high-resolution view around the vehicle. Select different viewing modes including a trailer-hitching function. The system can also create a composite overhead view to provide a unique perspective for determining distances when parking in tight spaces.

Bi-Xenon headlights with Adaptive Front-light System (AFS)

Lights that can handle corners as well as you? Yup. These advanced headlights turn up to 13 degrees around corners before you do. They're also brighter, longer lasting and more energy efficient than conventional bulbs.

Available Adaptive Cruise Control^{††}

Adaptive Cruise Control is genius (if we may say so). It uses sensors to detect the vehicle ahead, and then automatically adjusts your speed to help keep you at a safe distance without ever needing to adjust the gas or brakes – even in stop-and-go traffic.

4MOTION[®] All-Wheel Drive

With 4MOTION[®] All-Wheel Drive, the Touareg provides an extra level of safety over on-demand four-wheel drive systems. Always on, it constantly directs power to the wheels with the best traction, so you'll experience reliable grip and excellent stability on virtually all surfaces and driving conditions.

Conveniences for your busy lifestyle

Save time and make life easier with features like the KESSY locking and starting system, which lets you open and start the vehicle with the keys still in your pocket. Also available are an Easy Open power liftgate, which lets you open the liftgate by swiping your foot under the bumper, and a power rear seat backrest release, which lets you pop down your back seats with the push of a button.

[†]Driver assistance feature. Drivers must continue to perform manual checks before proceeding and pay full attention to the road. ^{††}In emergency situations, it is still necessary to apply the brakes manually.

Sportline (SL)

Engine:

- 3.6L VR6 280 HP, 8-speed automatic transmission with Tiptronic® 4MOTION®
- Maximum torque: 266 lb-ft at 3,000–4,000 rpm

*Base MSRP of a new and unregistered 2017 Touareg 3.6L VR6 Sportline with 8-speed automatic transmission with Tiptronic® is \$53,855, \$1,795 freight and PDI and \$100 a/c levy included. Licence, insurance, registration, options, any dealer or other charges and applicable taxes are extra. Dealer may sell for less. Higher trimlines of the 2017 Touareg are shown and some include optional equipment.

© 2016 Volkswagen Canada. Features noted as available are available in optional packages or on higher trimlines. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
