Golf SportWagen

Volkswagen

Life's a sport. Golf SportWagen for the win.

From across town to out of town, there's no better way to devour all life's roads than with the 2018 Golf SportWagen. It can offer a nimbler, sportier ride than an SUV – plus all the family- and gear-hauling prowess, along with the power and performance you need. And it's loaded with technology and safety features to help keep you connected – and protected.

Technology

When your itinerary is far from the ordinary, go for some extraordinary technology. Pack in available premium audio, satellite navigation, and smartphone sync-ready connectivity to enhance every adventure.

Versatility

With ever-changing terrain come ever-changing needs. So we made sure you get all the mix-and-match versatility, including multiple seating and cargo configurations, to adapt to any environment.

Performance

Every adventure requires endurance and power to keep exploring. And you've got plenty of fuel-efficient performance, plus more options to expand your horizons – and elevate your expectations.

Technology

Silicon Valley is always close by.

Even when you're far from home, high-tech convenience is close at hand. So you can enjoy concert-quality audio. Stay in touch with friends and family. Even locate that next great scenic outlook.

App-Connect*

Want to access your favourite apps on your dash, and control music, mapping, messaging, and more hands-free? You got it. Just plug in your compatible smartphone and do it all using voice commands, with Apple CarPlay™, Android Auto™ or MirrorLink®.

Available Discover Media infotainment system with satellite navigation*

Keeping every drive lively and informative is easy, with the Discover Media touchscreen infotainment system. Sync multiple compatible phones, access satellite navigation, plus enjoy a CD player and 2 SD card slots to stay in touch, entertained, and on track.

Available Fender® Premium Audio System

The best road trips call for a great soundtrack. And the 400-watt Fender® Premium Audio System delivers with 8 speakers plus a subwoofer, all optimally placed to belt out everything from deep lows to crisp highs and everything in between with concert-hall clarity.

*Do not drive distracted. Drivers must pay full attention to the road and safe driving at all times.

Versatility

Please ensure all cargo is properly secured before driving. Cargo can shift while vehicle is in motion and cause injury or driver distraction.

Versatility. Accept nothing less than more.

Doing more anywhere includes getting more from your 2018 Golf SportWagen. Like more cargo- and passenger-carrying options with 60/40 split folding seats. More visibility with sophisticated available fog lights and cornering lights. And more sunshine and fresh air with an available panoramic sunroof.

60/40 split folding rear seats with centre pass-through

Whether it's passengers, gear or both – pack it to the max. The 60/40 fold-flat rear seats offer lots of options for mixing and matching to suit your needs. Plus, go ahead and pack those skis, lumber, or other longer items with the fold-down centre armrest, and still seat four passengers comfortably.

Available front fog lights with cornering lights

Carve through dense fog and get a clear line of sight on not just what's ahead, but also what's around the bend. This unique feature utilizes a separate halogen bulb that provides illumination over several metres to light up the area you're turning into at an angle of 35 degrees.

Available panoramic sunroof

From magical starscapes to breathtaking sunsets, enjoy more of both with the available panoramic sunroof. You can slide it open for a breath of fresh air. Or, when you want to keep things more on the intimate side, slide the sunshade over at the touch of a button.

Performance

Sportastic performance.

We don't call it the Golf SportWagen for nothing. Everything about its performance impresses with sporty agility, keen cornering, quick pickup, and superb traction and stability. You may just forget you're driving a wagon.

Available 4MOTION® All-Wheel Drive

Adverse road conditions got you feeling jittery? Get a grip, with 4MOTION® All-Wheel Drive. It calculates the optimal drive torque for the rear axle and distributes power accordingly. So you enjoy optimum traction on most surfaces even when the weather turns foul.*

Electronic Stability Control (ESC)

Electronic Stability Control is an ingenious system that senses what your Golf SportWagen is going to do. It calculates yaw rate, steering angle, and acceleration, applying the brakes to wheels independently if slippage is detected.

Available 6-speed automatic DSG® with Tiptronic®

Add an extra element of thrill to every drive, plus gain added control. With a 6-speed automatic Direct Shift Gearbox with Tiptronic®, you get the convenience of an automatic, plus the ability to shift up or down at the touch of a button, making it feel more like a stick shift.

Cross Differential System (XDS)

A wagon, yes. Sporty, absolutely. Especially with the Cross Differential System, which anticipates inside wheel spin and actively directs power to the outside wheel, for sportier, sharper, more accurate cornering.

Fuel Consumption†	Engine	City L/100 km	Highway L/100 km
Manual	1.8 TSI	TBD	TBD
Automatic	1.8 TSI	TBD	TBD
Manual with 4MOTION®	1.8 TSI	TBD	TBD
Automatic DSG® with 4MOTION®	1.8 TSI	TBD	TBD

*Appropriate all-season or winter tires are required when driving during cold, snowy or icy weather conditions, or else slipping may occur. Winter tires may be mandatory in your province or territory.
 †Fuel consumption figures are estimates based on Natural Resources Canada's approved criteria and testing methods. Your fuel consumption will vary.

Design

Sporty by nature. Refined by design.

Navigating rough terrain is infinitely more enjoyable when you're surrounded by an oasis of stylish sophistication. So we designed the 2018 Golf SportWagen with the perfect blend of practical features and elegant amenities to keep your adventurous spirit firing on all cylinders.

Standard leather-wrapped multifunction steering wheel

Your senses will love the luxurious feeling of a leather-wrapped steering wheel. And your common-sense side will be equally enamoured – you can control your music, phone, and trip info without taking your hands off the wheel.

Available customizable ambient interior lighting

The light outside may be fading, but the inside of your 2018 Golf SportWagen always shines. Ambient LED lighting in the door handles, footwells and centre console offers just the right amount of illumination to find your way around the interior, and highlight its sporty good looks.

Available Climatronic® dual-zone electronic climate control

When you're hot, you're hot. And when you're not, chances are you've got Climatronic® dual-zone electronic climate control. Choose just the right temperature when you're driving, and your front passenger can do the same.

Interior

Enjoy the best of outside with the best inside.

Whether your surroundings are rolling countryside or rugged foothills, surround yourself in comfort, convenience, and style. From comfy climate control, to feels-good ergonomics and intelligent illumination, we've left no stone unturned.

Available LED reading lights

While you're booking it down a country lane, others may be feeling bookish. Available LED reading lights in both the front and the back put reading-ready lighting right where you need it – literally.

Available sport seats with 12-way power adjustable driver seat with power adjustable lumbar support

The 2018 Golf SportWagen goes in so many directions, and that includes the seating. Go for the available sport seats and choose comfort that goes 12 different ways, with adjustable lumbar support – great for those long drives.

Heated front seats and washer nozzles

Comfort is a toasty warm seat. And knowing your washer nozzles will work even when the mercury dips below zero, keeping your windshield clean and clear to enjoy the wintry adventure ahead.

Safety

Standard rearview camera*

The Volkswagen crest at the rear of the Golf SportWagen isn't just for looks – unless you include looking backwards. It flips up and out of the way to reveal a rearview camera, offering a view of what's behind.

Available Front Assist*

A wagon this sporty makes it easy to get ahead. But if you're getting ahead of yourself, this system employs a radar sensor to measure the distance and relative speed of vehicles in front of you, and warns you if it detects the possibility of a rear-end collision.

Available Adaptive Cruise Control*

Cruise control is great for keeping the same speed. This system is even better. It maintains consistent speed and distance, automatically braking when traffic slows, and resuming your set speed when traffic flows. And your feet never need to touch the pedals.**

Available Blind Spot Detection with Rear Traffic Alert*

Whatever your trek, it's only natural to want to see everything. But sometimes you don't. That's where this feature comes in especially handy. Radar and sonar trigger driver alerts, and automatically apply the brakes if needed – great when parking or changing lanes.

Available LED headlights with Adaptive Front-light System (AFS)

Keep your outlook bright – even when it's night. The powerful and fuel-efficient headlights of the Adaptive Front-light System sweep 13 degrees left and right, anticipating what's ahead even before you do.

Available Lane Assist*

This invaluable feature helps minimize unsafe lane changes or drifting out of your lane. It picks up on vehicles and road markings, alerting you to unsafe lane changes, even in dark and foggy conditions.

Safety is always on the itinerary.

Adventures often take you into uncharted territory. So we've made sure to pack in plenty of safety and driver assistance features to help minimize risks, help keep you protected, and keep you exploring with confidence.

*Driver assistance features. Drivers must continue to perform manual checks and pay full attention to the road and safe driving at all times. Please review the owner's manual for feature limitations.
**In emergency situations, it is still necessary to apply the brakes manually.

Volkswagen Original Accessories

Ready for anything.
Custom-tailor your
Golf SportWagen.

When it comes to accessorizing a Volkswagen, only the best will do. Built to the same quality standards we build our cars and SUVs to, our accessories are custom-fitted to each vehicle and designed to go the distance.

Many accessories can also be included in your lease and financing arrangements, and easily included in your payments to suit your needs.*

Volkswagen Original Accessories are protected by the new vehicle 4-year/80,000 km limited warranty if they're installed prior to vehicle delivery. Or if purchased afterwards, accessories qualify for the balance of the new vehicle warranty coverage or a 1-year/20,000 km limited warranty, whichever is greater.**

01 Monster Mats®
High-quality all-season mats with rounded retention clips.

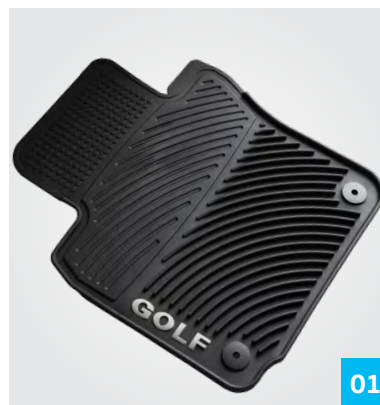

02 Trunk liner
Helps protect your trunk from dirt and spills.

03 Digital media adapter cables
Our digital media adapter cables let you connect compatible devices to your Volkswagen so you can play music and charge on the go.

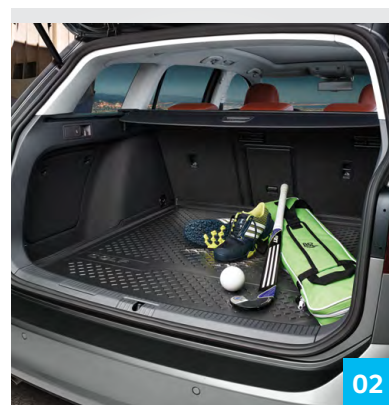

04 Pop-in sunshades
Protect your vehicle interior against sunrays shining in directly without influencing your view or road safety.

05 Child seat protective underlay
These seat covers not only look great; they're also practical.

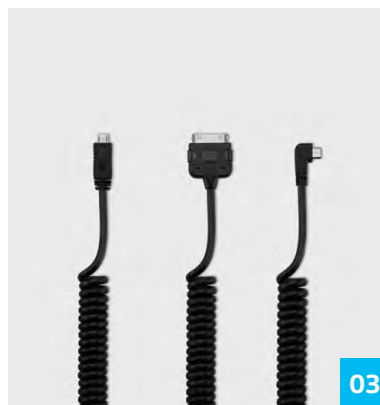

06 Splash guards
Temperature-resistant guards protect against road debris.

© 2017 Volkswagen Canada. Features noted as available are available in optional packages or on higher trimlines. Items, specifications, availability, standard features, options, fabrics and colours are subject to change without notice. Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Fuel consumption ratings are estimates based on Natural Resources Canada's (NRCan) fuel consumption criteria and testing methods for 2018 model year vehicles and are provided for comparison purposes only. Please note that comparisons to seemingly similar vehicles pre-2015 model year will show discrepancies due to the difference in NRCan approved calculation methods for 2014 model year and older vehicles. Please refer to NRCan's Fuel Consumption Guide 2018 for estimated fuel consumption figures. Actual fuel consumption will vary based on driving conditions, driver habits and the vehicle's condition, weight carried and additional equipment.
