

## The 2020 Golf GTI

# All the power given to you

The iconic, versatile hatch has reached new heights of versatility. Power and style come together in the Golf GTI. The thrilling turbocharged engine with 228 horsepower, sport suspension and a flurry of performance features, plus sport styling, prove European muscle is not an oxymoron. Case in point.

### Top Features

#### 228 HP Turbocharged Engine

Accelerating gets exhilarating with 228 horsepower. To make matters more thrilling, a 6-speed manual transmission or 7-speed dual-clutch Tiptronic® makes taming this much horsepower a driver's dream, no matter your shifting style. Giddy-up!†

#### Driving Mode Selection with Available Dynamic Chassis Control

This advanced system allows you to adjust suspension and steering stiffness according to road conditions and driving style. So you get the optimal ride, with your choice of preset driving modes or mix and match to create your own.

#### Available Panoramic Sunroof

Outdoorsy by nature, the Golf GTI creates an atmospheric drive with a panoramic sunroof that spans two-thirds of the roof. It's time to drive on the bright side.

#### Mechanical Limited-slip Differential

Turn the corner with confidence with the Golf GTI's mechanical limited-slip differential. It gives your outside wheels more traction by allowing them to rotate at different speeds, while also controlling the difference. May the G-force be with you.

#### Available LED Headlights

When you're a driver who appreciates the faster things in life, you need a car that looks the part, too. LED headlights look sharp and shine sharp for a sportier and brighter drive.

†Please drive safely and obey all traffic laws, including speed limits.

# Personalize your Golf GTI

Styling and features you'll love. Options to make it your own. Choose your paint colour, upholstery and wheels to make your Autobahn dream come true.

01

## Paint Colours

Volkswagen Canada is not responsible for errors in typography or photography. Some features may be unavailable when your vehicle is built or available at extra cost. Although we endeavour to ensure that the information is accurate, as errors may occur from time to time, customers should contact their local Volkswagen dealer for details. Tires are supplied and warranted by their manufacturer. The vehicle is sold equipped with four all-season tires. However, please remember that the use of winter tires may be mandatory in your province or territory. Airbags are supplemental restraints only and will not deploy under all accident scenarios. Always use safety belts and seat children only in the rear seats, using restraint systems appropriate for their size and age. The navigation system depends upon signals from the GPS network and is designed to provide you with suggested routes only. Discrepancies may occur between the mapping and the actual location due to changes in street names, construction or other road system changes which are beyond the control of Volkswagen Canada. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route.
