These are just a few examples to get you started. There are over 20 ways to connect with your Tiguan remotely with Car-Net®!

Panoramic sunroof

The available panoramic sunroof covers almost the entire roof and lets you slide or tilt it open with just the touch of a button. Talk about a room with a view.

Digital Cockpit

Choose between the standard VW Digital Cockpit with an 8" instrument cluster screen or the available VW Digital Cockpit Pro with a 10.25" customizable display for full screen navigation, travel times, fuel economy, range, and more.
