

Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products, using only genuine Citroën parts.

For added Peace of Mind both Business and Retail customers can purchase a Citroën Ensure Maintenance Contract, which covers routine Service and Parts cost, and which can be enhanced to include items such as tyres and extended replacement vehicle cover.

Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period of 24 or

36 months and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing it or simply returning it to the Dealer. By choosing Elect 3 you can drive a new Citroën every two or three years.

Citroën Fleet and Business Sales

All Citroën Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

Citroën Assist

Whilst Citroën cars are engineered for maximum reliability, you might become stranded through circumstances outside your control. In response to a free telephone call, Citroën Assist brings rapid

expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Alongside UK cover, Citroën Assist also offers a comprehensive European service.

The New Citroën C2

The New C2's eye catching and individual good looks are set to cause more than a few waves. The distinctive and contemporary styling convey an individualistic and adventurous little character. The C2 is Citroën's new contender in the 3 door supermini market.

Of course, groundbreaking design is about more than just good looks. You will be impressed to see how clever the New C2 is. The emphasis on the intelligent application of innovation has created a modular interior with a split opening tailgate and independent sliding and folding rear seats, that are supremely adaptable to your every need.

Compact, easy to handle, and very much at ease in the city, the New C2 offers much more space than you would ever have expected.

In terms of safety, the New C2 is a front runner in its segment with ABS, ESP and up to 6 airbags available.

The model range features three advanced petrol engines and the highly acclaimed HDi diesel engine for unprecedented efficiency.

And, of course, every model comes with the exceptional standards of quality and reliability you've come to expect from Citroën.

Resolutely Modern

Clear cut and modern design reign in the cabin with bright and original colour trim. The New C2 breaks the rules and capitalises on contrasts in reflections and transparencies. The world of the New C2 is unique and unlike any other.

Although compact, the clever use of space means there's ample elbow room, while the elevated roofline creates an ambience of roominess.

The SensoDrive sensation

SensoDrive allows you a choice of driving style – manual or fully automatic. Reacting faster than the most experienced of drivers in just a fraction of a second, manual gear change can be operated either by fixed column mounted paddles located behind the steering wheel or by the floor mounted gear lever with a forward and back movement. The SensoDrive gearbox is fitted as standard on the 1.4i and 1.6i 16V.

Grey leather seats option on SX

Door mirrors on SX and Furio are electrically adjustable whilst on VTR they are also heated and can be automatically folded in tight conditions.

Modularity doesn't come close to describing the flexibility that the New Citroën C2 rear seating can offer. It can be simply adapted to any requirement. The seats are independent of each other and so can slide, fold and be moulded to your every need. Standard on LX and SX, available as an option on Furio/VTR.

Effective simplicity at last! The New Citroën C2 caters to your every need with an innovative split opening tailgate. The boot is easily accessible even when space is at a premium. Ideal for loading up on those shopping trips to town.
