**CHRYSLER**  
  
INSPIRATION COMES AS STANDARD

## INDIVIDUALITY...

Your character will have played a subtle, yet important, influence in choosing your Voyager. And when it comes to accessories even more of your individuality will be expressed – from your lifestyle to your life goals. Our aim is to help you get the most out of life and your car. That's why we offer a range of practical and stylish additions for your Chrysler Voyager.

### **Mopar Accessories**

Mopar accessories are specifically designed for your vehicle by Chrysler engineers. The highest standards of quality are achieved by not compromising on materials and through the use of rigorous testing procedures. Plus, all Mopar accessories come with a guarantee to give you peace of mind.

## DIVERSITY...

When it's time to get away from it all – our carrier system range allows complete versatility for the leisure pursuit of your choice. The Sports Utility Bars form the foundation of the system. Once installed add the accessories that suit your needs.

### 1. Basic roof system

Custom-designed to fit and complement the design and style of the roof and vehicle. Required for all Mopar roof-mounted accessories. Individual designs for Voyager and Grand Voyager.

### 2. Bicycle carrier – fork mount

Custom-designed for a secure hold and excellent stability. Made from brushed aluminium. Quick release mechanism for easy use.

A front wheel adaptor is also available.

### Roof bike carrier with integrated bike lift (not shown)

Bicycle carrier with servo-lift.

### Water sports carrier (not shown)

Multiple-position cradles give you the flexibility to carry kayaks, surfboards and windsurfers. Road and load-tested for stability. A mast holder is also available.

### 3. Multi-purpose crossbars

The unique T-slot design forms the basis of a modular system for quick and easy attachment of the carrier system accessories.

### 4. Bicycle carrier – upright mount

Designed for bikes without a quick-release front wheel and manufactured in durable brushed aluminium. Up to two carriers can be attached to the roof bars.

### 5. Ski and snowboard carrier

Manufactured in brushed aluminium. Holds up to six pairs of skis or four snowboards, or a combination of the two. Carrying capacity depends on binding clearance and ski style.

### 6. Roof boxes

Protect your luggage from the elements. Manufactured from heavy-duty polyethylene and lockable for added security. Available in two sizes: 440 litres or 480 litres, both come coloured black. Attaches to the car's original equipment crossbars.

### 7. Towbar-mounted bicycle carrier

Custom-designed to fit the optional towbar and zinc-coated for durability. 7/13 pin combi plug. Carries up to two bikes.

## EFFORTLESSLY...
