

Getz

A CAR FIRST. A BADGE SECOND

The Getz is Hyundai's supermini. It is stylish, spacious and a true performer. We believe that the Getz is just about as good as they come.

The Getz is as safe, comfortable, reliable and affordable as ever. Available with 3 or 5 doors, there is a model to suit everyone's needs. From the moment you open the door, to the first time you drive the Getz, it will change your opinion of small cars forever.

In 2003, the Hyundai Getz was voted What Car? Budget Car of the Year and Scottish Small Car of the Year. The Getz took on world class opposition and came out on top.

Hyundai Getz: Small car, big heart.

Great
things come in small packages

It will be a pleasant surprise when you first climb into the Getz. With generous legroom, headroom, storage compartments and more, the Getz is built to the highest standards of quality, performance, comfort and safety.

With a superb choice of powerful and economical engines and the option of the versatile GSI, luxurious CDX or the fun and spirit of the Sport, the Getz range has something to suit every individual.

Central locking, electric windows, rear seat headrests and 3 x 3 point rear seatbelts as standard, mean the Getz is equipped to take on the big boys... and win.
