Ebony Black (Solid)

Breezy Blue (Metallic)

Smart Silver (Metallic)

Cerise Red (Mica)

The final outward appearance is down to your personal choice. Solid, metallic and mica options are available.

A metallic finish is achieved by adding aluminium flakes to the paint and then applying a coat of clear lacquer. The mica finish adds an extra depth of lustre with the inclusion of mica particles in the paint layer.

**As the owner of a new Santa Fe or indeed any of the Hyundai family, you will spend as much time admiring the interior as you will the exterior. With this in mind we have designed all aspects of your Santa Fe interior for optimum comfort and practicality.**

All models have adjustable seating and steering column. The car comes complete with cruise control, heated front seats, front wiper de-icer and air conditioning on the CDX, with climate control on the V6. The Santa Fe is luxurious and comfortable allowing you your perfect driving position with responsive, well placed controls that ensure driving is a pleasure.
