RRP (Recommended Retail Price)

* Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £38), petrol/diesel, and apply to the United Kingdom only.

** All vehicles will be subject to vehicle excise duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). The weight of a vehicle will influence the level of CO₂ emitted. As a result, vehicles with higher levels of specification may emit higher levels of CO₂. Once a car has been built it will be given its own specific CO₂ emission on which the Vehicle Excise Duty will be charged. The VED bands are shown in the table on the page below.

[◇] Where Law Permits.

Band	CO ₂ Emission figure (g/km)	Petrol	Diesel
A	Up to 100	£65	£75
B	101 - 120	£75	£85
C	121 - 150	£105	£115
D	151 - 165	£125	£135
E	166 - 185	£150	£160
F	Over 185	£165	£170

The New Škoda Octavia Sport

Effective from 1st June 2005

LEADING FROM
THE FRONT

The new Škoda Octavia Sport has arrived and is set to cause more than a few ripples from the very start. In fact this new urban contender not only has the kind of good looks that are bound to make it a real crowd pleaser, it can also turn in an impressive star performance. First, stand back and prepare to admire the sporting elegance and style of a natural athlete. Then sit back and enjoy. Because once you're behind the wheel of the Octavia Sport you can be sure off getting off to a flying start each and every time.

Of course, as this is a Škoda, you know that as well as the sheer pleasure of the driving experience, you'll also be getting a quality player that will bring you comfort, intelligent technology, extensive equipment, safety and reliability. After all, consistency is crucial ingredient to any truly great performer.

**NO
COMPROMISE!**

You just need to take one look at the all new Octavia to be able to tell that it's a sure-fire winner. Its sleek sophisticated lines combine with a robust and original design that is unmistakable. With the new Sports hatch model, there's an edge of authentic urban style that will set it aside from some of the more second-rate players who might be just a little past their best.

With distinctive front and rear bumpers, air dam, rear spoiler, front fog lights and twin chrome exhaust pipes, this new Octavia Sport is most definitely in its prime. The 17" Pegasus alloy wheels don't just look great. Along with the efficient sports suspension system and Electronic Stability Programme, they'll give you the sort of road-handling that's an absolute necessity when you're out, about and on the move.

Of course, it's not just about looking good. Being able to deliver on demand and when it counts makes all the difference. With a choice between the 2.0 TDI PD diesel (manual or DSG) and 2.0 FSI petrol engine, you can be sure of getting the right kind of performance whatever your fuel preference.

The Octavia Sport doesn't compromise when it comes to comfort or equipment levels either. In fact, you might be pleasantly surprised when you discover exactly how much comes all-inclusive with this stylish sporting edition. For starters there's power steering, remote-controlled central locking, electric front and rear windows, climatic air conditioning, CD autochanger, on-board computer, a handy tyre pressure monitoring function and a whole lot more. And for that sporty 'hands-on experience' the leather-clad steering wheel and gear knob still have undeniable appeal.

The Octavia Sport is available in Diamond Silver or Graphite Grey Metallic, Black Magic Pearl Effect and Corrida Red.
