

Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding, via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply returning it.

Citroën DRIVENOW Personal Lease

DRIVENOW Personal Lease is an innovative new way to enjoy a new Citroën without the cost of ownership. With Citroën Assistance, Replacement of Wear & Tear Parts and Extended Warranty as standard for the full term of the agreement, most unforeseen costs that can prove difficult to budget for are taken care of. With leasing which can be arranged for a period of up to 4 years, DRIVENOW Personal Lease offers you a hassle free motoring solution.

Citroën Fleet and Business Sales

All Citroën New Car Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle

decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

Citroën ADVANTAGE

Whether you intend to keep your new Citroën for more than 3 years or simply plan to drive more than 60,000 miles during its first three years, Citroën ADVANTAGE is an extended warranty which offers a similar level of cover to Citroën's new vehicle warranty. For more information, please contact your Citroën Dealer or call 0800 587 9808.

Citroën ADVANTAGE is underwritten by Pinnacle Insurance plc. Conditions apply.

Citroën MAINTENANCE

What if you could relax, safe in the knowledge that for a small one off fee or a low monthly payment, you could benefit from routine servicing, replacement of wear & tear items and roadside assistance? With Citroën MAINTENANCE you can. Simply choose the period & select the mileage and you too could benefit from peace of mind motoring on your terms. For information, contact your Citroën New Vehicle Dealer or Citroën Authorised Repairer.

Citroën ASSISTANCE

In response to a free telephone call, Citroën ASSISTANCE brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service,

replacement vehicle, hotel accommodation and vehicle storage if required. Citroën ASSISTANCE applies to all vehicles registered from 01/01/05. Please note, Citroën ASSISTANCE only applies to incidents covered by the new vehicle warranty. Full details are available on request from Citroën UK via cukcustomer_relations@citroen.com

Comprehensive Warranty

Every new Citroën car offers the benefit of a 3 year* warranty package, plus a 12 year anti-corrosion** warranty and a 3 year paint warranty.

Citroën INSURANCE

Citroën INSURANCE*** is the only motor insurance designed exclusively for Citroën drivers and offers tailored cover at a competitive price. When the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725. Lines open 8am – 8pm weekdays, 9am-5pm Saturdays. Calls may be recorded.

Internet

The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies.

The site address is: <http://www.citroen.co.uk> You can contact Citroën directly via cukcustomer_relations@citroen.com

* 2 years' manufacturer's warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on cars sourced from Citroën UK Limited. Note: dealer provided warranty is limited to 60,000 miles for cars and 100,000 miles for light commercial vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Dealer every two years from its fourth anniversary.

*** Citroën Insurance is arranged by Banque PSA Finance and underwritten by UK Insurance Limited. Conditions apply.

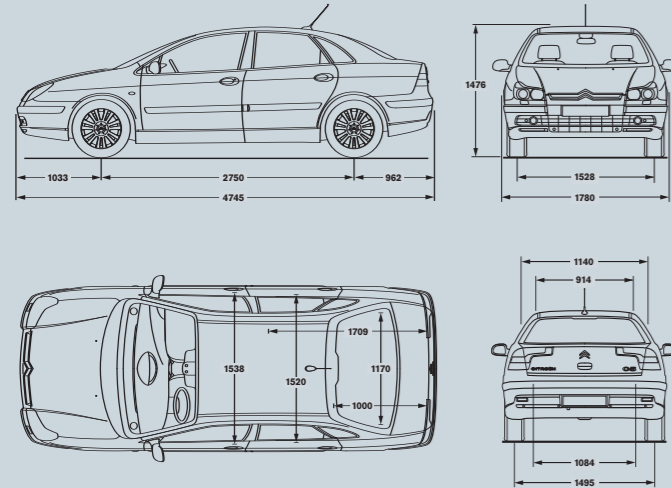

Full details available on request.

Credit subject to status and to over 18's only. A guarantee may be required. Written quotations available on request from Citroën Financial Services, Quadrant House, Princess Way, Redhill, Surrey RH1 1QA. Citroën Financial Services is a trading name of Banque PSA Finance. Telephone calls may be recorded or monitored for training or quality purposes.

NOTE: Every endeavour has been made to ensure that the information and details contained in this specification leaflet were accurate at the time of going to press August 2006. However the company reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details, equipment or accessories. Every effort will be made to bring this leaflet up to date, but in order to avoid any misunderstandings please consult your Dealer. Specifications of all models refer to cars produced from 01/07/06.

Citroën C5

Citroën's remarkable mid-range executive hatchback and estate have been effectively restyled. As well as a new look for the interior, the C5 also features new engines, extra safety equipment, an enhanced and comfortable ride together with innovative new equipment like laminated side glass, Xenon dual-function directional headlamps, Lane Departure Warning System and, of course, the intelligent NaviDrive system.

Welcome to the sophistication of the new C5 VTX+

Now your journey in the new C5 VTX+ can be even more of a pleasure thanks to colour satellite navigation, voice-activated telematics and automatic air-conditioning all coming as standard. And with a metallic paint finish now also available at no extra cost, you can be sure to arrive in style.

Multi-functional communications with NaviDrive

The sophisticated NaviDrive telematics system is especially designed to bring stress-free navigation and communications to the C5 executive driver. Housed in one fully integrated unit that conveniently sits close at hand within the C5's stylish dashboard, NaviDrive features a generous 16:9 full-colour multi-functional screen for clear and legible displays.

The advanced NaviDrive technology incorporates a navigation system, dual band GSM telephone, address book and RDS radio/CD player with 6 CD autochanger. The system can either be operated via steering-wheel mounted finger-tip controls or be voice-activated for the ultimate in 'hands free' functionality. In addition, the unit features dedicated buttons for automatically dialling emergency services or Citroën Assistance in the unlikely event of recovery services being needed.

Mapping display

Ditch that tatty old road atlas and forget the multitude of road maps that spill from the glovebox every time it's opened. With the NaviDrive system you'll no longer have to grab at quick look at a paper map when stopped at traffic lights because the map-based system replaces all your road maps at a stroke.

Covering the whole of the UK, you can even zoom in to identify hotels, restaurants, service stations, tourist sites and even car parks in the locality. And the integrated communications system means you can even book your room for the night and arrange for a top-notch meal beforehand in a nearby restaurant before you've even got out of your C5.

Route finding display

Never again need you arrive late and stressed-out for an appointment because you've missed a turning on the way. And you won't have to spend time meticulously planning out a route in advance either, because the NaviDrive system will find the way for you, monitor your progress and give you directions as you go along.

Simply select your destination and NaviDrive will do the rest. You can even save a destination address in the directory, with associated contact telephone number, for future trips and ease of communications.

Telephony display

Staying in touch at all times is a necessity for many and now with NaviDrive's advanced telematics, you can do it in complete safety and stay on the right side of the law. Using advanced voice-activation and voice synthesis technology you can call a pre-set telephone number from your directory and even listen to incoming text messages with your hands on the wheel and your eyes firmly on the road ahead.

Your pre-programmable address book can hold up to 400 together with the option of adding notes so not only can you include all your relevant business contacts, there's lots of room for personal contact details too. So now there's no excuse for being incommunicado with the ultimate in 'hands-free' communications technology at your disposal.

CITROËN C5

Auto-adaptive hydractive suspension

Auto-adaptive Hydractive 3 suspension is unique to Citroën. Combining digital technology with re-designed, simplified hydraulics, it is probably the most advanced suspension system available on any mainstream production car. Hydractive 3 provides the Citroën C5 with levels of road-holding, ride comfort and handling that are simply outstanding. The system uses a number of electronic sensors to continually monitor the state of the road and to analyse driver input, such as braking, steering and acceleration. This information is relayed to C5's Built-in Hydroelectronic Interface (BHI), which reacts to adjust the suspension's spring rate and damping. With the suspension matched to the road conditions and your driving style, C5 smooths out a rough road, gives a poised, balanced ride, superb handling and rock-solid road-holding.

For drivers who favour a more assertive driving style, a 'Sport' setting puts the suspension into performance mode more often and for longer (depending on model).

Accessories you won't want to be without

Whether you wish to enhance the vehicle's appearance, add to its convenience, storage or safety features, or partake of high-quality in-car entertainment including the 6 CD autochanger and satellite navigation systems, we have the accessory solution for you. For information on the full range of accessories available, contact your local Citroën dealer or visit www.accessories.citroen.co.uk.

Citroën C5's cockpit has been re-styled; the centre console has evolved with the integration of the new multifunction screen. More ergonomic in its appearance, the centre console brings modernity to the interior of the Citroën C5.

LX key equipment

- Driver's and passenger's airbags
- Lateral and curtain airbags
- Steering column fitted airbag
- Electronic Stability Programme (ESP)
- Automatic air conditioning (single zone)
- Alarm
- Leather steering wheel
- RD4 Stereo radio/CD player
- 16" 'Azzana' steel wheels
- Multi-function on-board trip computer

Design key equipment (over LX)

- Front fog lights
- Electric rear windows
- Automatic illumination of headlamps
- Automatic front wipers
- 16" 'Hungaro' alloy wheels

VTR key equipment (over Design)

- Pack Look (body coloured bumpers and side mouldings)
- Central rear armrests (with cupholders)
- Automatic air conditioning (dual zone)
- Cruise control with speed limiter
- 16" 'Olympos' alloy wheels

VTX key equipment (over VTR)

- Metallic paint
- Bluetooth®

VTX+ key equipment (over VTX)

- Navidrive: Radio/CD Player/Colour Satellite Navigation/Phone
- 6 CD autochanger

Exclusive key equipment (over VTR)

- 6-CD Autochanger
- Electric front seats (without memory)
- Parking Assistance Pack (front and rear parking sensors, electronic retractable door mirrors, indexable passenger door mirror and electrochrome interior mirror)
- Xenon Dual Function Directional Headlamps
- Laminated acoustic side glass
- Tyre pressure warning
- Ambience Pack (carpet mats, footwell lighting, chrome door sills, boot net and rear sunblind)
- Part Alcantara® seat trim ('Matinal' (beige) or 'Narbonnais' (dark grey), depending on exterior body colour)
- 16" 'Suzuka' alloy wheels

Xenon Dual Function Directional Headlamps

When the Citroën C5 approaches a bend, Directional Headlamps follow the curve of the road by +/-15°.

By lighting 'new' areas this significant safety feature now makes it possible to see other road users and obstacles that were previously hidden. Standard on Exclusive models and available as an option on VTR and VTX+.

Lane Departure Warning System

The Citroën C5 is now available with the Lane Departure Warning System (LDWS). When the car is travelling at more than 50 mph, the LDWS will alert the driver if the vehicle drifts out of lane. This system is overridden when using the indicators. Available as an option on VTR, VTX+ and Exclusive models.

Electronic Stability Programme (ESP) is fitted as standard on all models. This **new generation** ESP detects any understeer or oversteer of the vehicle, and automatically modifies the engine's torque and applies one or more of the brakes to maintain stability and control. It also includes a new 'brake pads drying feature' to optimise the reactivity of the brakes when it is raining.
