

Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply returning it.

Citroën DRIVENOW Personal Lease

DRIVENOW Personal Lease is an innovative way to drive a new Citroën based on usage rather than ownership. Simply choose the right car for you and arrange to lease the vehicle over a four year period. With Citroën Assistance, Wear and Tear and Extended Warranty included as standard for the full term of the agreement, most unforeseen costs, that can prove difficult to predict and budget for, are taken care of. DRIVENOW Personal Lease is the hassle free motoring solution.

Citroën Fleet and Business Sales

All Citroën New Car Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

Citroën Advantage

Whether you intend to keep your new Citroën for more than 3 years or simply plan to drive

more than 60,000 miles during its first three years, Citroën Advantage represents a superb solution to protect your investment. Citroën Advantage is an extended warranty that offers a very similar level of cover to the manufacturer's warranty and can be paid for by a single upfront payment. For more information, please contact your Citroën dealer or call 0800 587 9808.

Citroën Advantage is underwritten by Pinnacle Insurance plc. Conditions apply.

Citroën Maintenance

What if you could relax, safe in the knowledge that for a small one off fee or low monthly payment, Citroën Maintenance will cover all of your routine servicing, replace wear and tear items and provide you with roadside assistance cover to keep you moving. You pick the period and specify the mileage. This is complete motoring peace of mind on your terms... For more information, contact your Citroën New Vehicle Dealer or Authorised Repairer.

Citroën Assistance

In response to a free telephone call, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Citroën Assistance applies to all vehicles registered from 01/01/05. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty. Full details are available on request from Citroën UK via cukcustomer_relations@citroen.com

Comprehensive Warranty

Every new Citroën car offers the benefit of a 3 year* warranty package, plus a 12 year

anti-corrosion** warranty and a 3 year paint warranty.

Citroën Insurance

Citroën Insurance*** is the only motor insurance designed exclusively for Citroën drivers and offers tailored cover at a competitive price.

When the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725. Lines open 8am – 8pm weekdays, 9am-5pm Saturdays. Calls may be recorded.

Internet

The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies. The site address is: <http://www.citroen.co.uk> You can contact Citroën directly via cukcustomer_relations@citroen.com

* 2 years' manufacturer's warranty. No-fee customer option of 1 year's Dealer provided extended warranty, only on cars sourced from Citroën UK Limited. Note: dealer provided warranty is limited to 60,000 miles for cars and 100,000 miles for light commercial vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Dealer every two years from its fourth anniversary.

*** Citroën Insurance is arranged by Banque PSA Finance and underwritten by UK Insurance Limited. Conditions apply.

Full details available on request.

Credit subject to status and to over 18s only. A guarantee may be required. Written quotations available on request from Citroën Financial Services, Quadrant House, Princess Way, Redhill, Surrey RH1 1QA. Citroën Financial Services is a trading name of Banque PSA Finance. Telephone calls may be recorded or monitored for training or quality purposes.

CITROËN NEW TECHNOLOGY

Lane Departure Warning System (LDWS)

This remarkable piece of equipment makes long tedious journeys on motorways or major roads so much safer. When the car is travelling at more than 50mph, the LDWS will alert the driver if the vehicle drifts out of lane. Available on New Citroën C4 and Citroën C5 according to model.

Xenon Dual Function Directional Headlamps

When approaching a bend, Xenon Dual Function Directional Headlamps follow the curve of the road by +/-15°. By lighting 'new' areas this significant safety feature now makes it possible to see other road users/obstacles that were previously hidden. Available on New Citroën C4 and Citroën C5 according to model.

Electronic Stability Programme (ESP)

This new generation ESP detects any understeer or oversteer of the vehicle, and automatically modifies the engine's torque and applies one or more of the brakes to maintain stability and control. It also includes a new 'brake pads drying feature' to optimise the reactivity of the brakes when it is raining. Standard on Citroën C5.

Scented Air Freshener

Sit back in comfort and take in the air. The pleasant scented air of the innovative air freshener that's stylishly integrated into the dashboard design. So now, you have the option of indulging yet another one of your senses in the new C4. All models except LX/VT.

Multi-functional Fixed-Centred Controls Steering Wheel

The steering wheel has multiple controls which remain fixed in the centre whatever the position of the wheel. So, when a driver has to operate any of the different functions, their hands don't have to leave the wheel and their eyes can remain on the road. Another major benefit, is the world's first anatomically shaped airbag. As the airbag is always at the correct angle for deployment, it is shaped to give the maximum possible protection to the driver. Standard on New Citroën C4.

Performance with care for the environment

With its sophisticated and technologically advanced range of engines, Citroën is well placed to reconcile performance with low taxation levels and reduced environmental impact.

Today more than ever, this means that when choosing a Citroën vehicle you are guaranteed access to superb value for money motoring.

Graduated Vehicle Excise Duty (Road Fund Licence)

The Graduated VED bands classify all new cars first registered from 1st March 2001 into one of six Vehicle Excise Duty bands, depending on their type of fuel and carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km).

For example, the new Citroën C2, when specified with the 1.4HDi diesel engine produces only 113 g/km of CO₂ and therefore qualifies for the B band of vehicle excise duty. In addition most other models, when specified with the highly acclaimed 2.0 litre High Pressure Diesel Direct Injection engine and manual gearbox qualify for the C band VED and produce a level of CO₂ emissions that guarantees the lowest level of Benefit-In-Kind Taxation Charges.

Band	CO ₂ g/km	Petrol Car	Diesel Car
A	Up to 100	£0	£0
B	101 to 120	£40	£50
C	121 to 150	£100	£110
D	151 to 165	£125	£135
E	166 to 185	£150	£160
F	186 to 225	£190	£195
G*	over 226	£210	£215

*For vehicles registered after 23rd March 2006

Company Car Benefit-In-Kind Taxation Charges

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO₂ emissions, measured in grams per kilometre (g/km). The table opposite shows the percentage of the car's list price to be taxed (P11D value[†]).

For example: The Citroën C5 1.6HDi 16V LX Hatchback has a CO₂ emissions figure of 142 g/km and a P11D figure of £15,642.

The BIK value would therefore be 18% x £15,642 = £2,815.56

Fuel Scale Benefit Charge

The taxable value of free fuel provided for private usage is linked to CO₂ emissions.

The taxable benefit will be assessed using the same scale as for BIK, and the percentage applied against a set figure. For the tax year 2005/6 this figure is set at £14,400.

For example:

The Free Fuel Benefit for the Citroën C5 1.6HDi 16V LX Hatchback would be 18% x £14,400 = £2,592.00

An individual driver would pay tax on these figures at their marginal tax rate.

More information about the Company Car Benefit-In-Kind Taxation Charges can be found on www.citroen.co.uk/fleet or by contacting Citroën Fleet Connect on 08457 940 940.
