Getz

dynamic

A scenic view of a waterfront promenade. On the left, a marina with several boats is visible, bordered by a black metal railing. In the background, a large building with 'USEU' on its facade is visible. A paved walkway leads towards the water, with a few people walking. On the right, an outdoor cafe area is visible with tables and chairs, and a green trash bin. A sign for 'NUGANS' is hanging from the building. The sky is blue with some clouds.

Stylish and spacious, the all new Hyundai Getz is a true performer. With dynamic new styling and new engine choices, we believe that the Getz is just about as good as they come.

The Getz is as safe, comfortable, reliable and affordable as ever and also comes with Hyundai's unique Five Year Warranty. Available with 3 or 5 doors, there is a model to suit everyone's needs. From the moment you open the door, to the first time you drive the Getz, it will change your opinion of small cars forever.

The new Hyundai Getz: Small car, big heart.

stylish

The entire Getz range comes with a high level of equipment, but, if you are looking for even more, why not opt for the Getz CDX or CDX+. Both come with a host of extras.

In the CDX we have added, as standard, 14" alloy wheels, front fog lights, heated door mirrors, electric rear windows, body coloured door handles and mirrors, side airbags and remote central locking with alarm. The new 1.4 CDX also has an electric tilt and side sunroof.

The CDX+, (CRTD high power diesel only), carries all the comfort and equipment of the 1.4 CDX (excluding the rear electric windows) with the addition of mudflaps, a rear spoiler, a carbon grain centre console and leather steering wheel and gear knob.

Hyundai has also developed a range of complementary accessories to enhance your driving experience. Please consult your Hyundai dealer for further information.

space

When you get inside the Getz, it really holds its own. Surrounded by a host of extras to enhance your driving pleasure, the ride, performance and comfort will put a renewed sparkle into your life.

You can also drive assured in the knowledge that the Getz is equipped with a host of safety features. It comes with driver and front passenger airbags, side impact bars, ABS with EBD, 3 x 3 point rear seatbelts, central locking and engine immobiliser.

To add even more comfort and convenience, leather seats and door trim, and satellite navigation (Smartnav™) are available as customer options. For further information please ask your dealer.

Hyundai Getz: No space too small, no journey too long.

striking

The Getz is a small car with a big presence. We have provided you with a range of exciting colours to choose from with solid, metallic or mica finishes.

A metallic finish is achieved by adding aluminium flakes to the paint and then applying a coat of clear lacquer. The mica finish adds an extra depth of lustre with the inclusion of mica particles in the paint layer.
