

New **Škoda** Octavia  
Original Accessories

## YOUR DECISIVE STEP ...

If you have already purchased a Škoda Octavia, you couldn't have made a better decision. Your Octavia offers you design elements which underline not only safety and functionality but also details which emphasise its attractive design.

Škoda are aware, however, that your requirements for a car's equipment and specification can be highly specific. We know that all of our drivers, and their families, have entirely different lifestyles. We have therefore created a range of Škoda Original and Approved Accessories, designed to allow you to customise your Octavia to suit your individual needs.

Designed to enhance the extraordinary level of standard equipment to be found on the Octavia, from spare bulb kits to in-car DVD systems,

Škoda Accessories are manufactured with Škoda's strict safety standards in mind and with a two year warranty\*, you can be assured they've been designed to last.

In this brochure you will find a selection of our more popular accessories for the New Octavia Hatch and Estate. We have many more products available than can be displayed in these pages and these are all available to view at [www.skoda.co.uk](http://www.skoda.co.uk). Many of the products featured here will require fitting by your local Retailer or Authorised Repairer so you should always ask for a fitted price - our RRP's printed here are for guidance only.

Škoda Original Accessories - just one of the many products and services available from your Škoda Retailer or Authorised Repairer.

\*The two year warranty is extended to three years when purchased at the same time as a new vehicle.

## ... ON THE ROAD TO ORIGINALITY

## A COMBINATION OF ELEGANCE, DYNAMISM ...

Do you long for a more sporty look for your new Octavia? In that case, why not consider the sports styling kit, including front and rear bumper spoilers, boot spoiler and chromed

exhaust pipe end piece? We also have a comprehensive range of alloy wheels and lowered suspension kits to complete the sports upgrade.

Model shown includes front bumper spoiler (FAA 610 001) and 17" Sputnik alloy wheels (CCA 600 002)

Model shown includes rear bumper spoiler (FAA 610 002), rear boot spoiler (FAA 610 003), decorative exhaust pipe (FDC 610 003) and 17" Sputnik alloy wheels (CCA 600 002)

In addition to an impressive appearance, the body styling kit of the new Octavia ensures improved aerodynamic parameters resulting from lower wind resistance. When looking at the rear of the car, several features will attract your attention: the understated boot spoiler, decorative

exhaust pipe end piece and, last but not least, the cat's eyes – reflectors in the rear bumper spoiler which reinforce the dynamic appearance of the rear of the car and increase its visibility.

## WE THINK OF BOTH THE EXTERIOR ...

The front bumper spoiler harmoniously develops the design of the front of the car, and the covering of all unpainted parts contributes to even greater compactness, not to mention a more aggressive look (FAA 610 001)

The rear bumper spoiler for Octavia with its proprietary cut-out for the exhaust pipe end piece and with integrated "cat's eyes" (FAA 610 002)

Boot spoiler for Octavia Hatch (FAA 610 003)

All body styling components require painting and fitting at extra cost.

£30.00

Not only the exterior of your car can be enhanced with Škoda Original Accessories. A quality leather steering wheel, gearshift handle and a gearshift sleeve serve to give a feeling of

cosiness and a flavour of luxury to the interior. In addition to fulfilling an aesthetic function, door sill covers are also practical because they prevent damage to the paintwork.

... YOUR DELIGHT ...

... AND THE PLEASURE OF YOUR SENSES

**In car DVD System**  
 Keeping your family entertained on long journeys is no longer a problem with the Škoda in-car DVD system. A cinema quality performance is delivered by a 7inch 16.9mm high brightness LCD flat panel monitor, whilst simulated surround sound is delivered via wireless headphones – two sets are provided as standard but up to eight pairs are supported! All conveniently housed in one small unit with a screen which folds away when not in use, the system is fitted in just over an hour.  
 (ZGB 1Z3 035 582 A) £750.00\*  
 Additional sets of wireless headphones (ZGB 000 035 583) £42.30

After our leather trimmed accessories have satisfied your sense of touch, we have also prepared various audio based products to please your sense of hearing. Even the most demanding customers will struggle to fault the standard audio equipment in the Octavia but should you wish to play Audio Cassettes, choose from up to 6 CDs in the front of your vehicle or

even listen to a playlist on your iPod, we have systems available designed to preserve the interior styling of your Octavia. And to please your sense of hearing even more, why not consider the Škoda DVD system which will keep our younger passengers amused on long and short journeys alike?

Storage box which fits behind the  
back seats for Octavia Estate  
(DMB 620 001) €25.00

You can improve the already fantastic and well-designed luggage space of the new Octavia still further with Škoda Original Accessories. For those who love cleanliness, we recommend the rubber/textile boot mat or the plastic boot dish with a raised edge. If you need to prevent

luggage or four legged friends from intruding into the passenger compartment we have a luggage partition and dog restraint. Other intelligent solutions are the folding false boot floor, storage box which fits behind the back seats, folding boot hook, the parcel shelf storage

bag, the two Velcro storage bags for small items, and a practical ski sack for up to 4 pairs of skis. That should solve most problems!

If you want to go skiing in the winter, you can be sure that with Škoda Original Accessories you won't have to deal with the dilemma of where to put your sports equipment. If you choose one of the two ski racks, you can safely transport at least 4 pairs of skis or 2 snowboards. If you

choose the roof box, your transportation capacity is increased to 5 pairs of skis or 4 snowboards. The luggage box has an impressive storage space of 360 litres – leaving your boot free for something else!

# YOU DECIDE ABOUT THE SAFETY OF YOUR LITTLE ONES

Original Škoda child seats have undergone demanding tests and simulations with excellent results, carried out by Euro NCAP

Child seat Isofix Duo Plus (DDA 000 003A) £255.00

Child seat Kid (DDA 000 004) £127.00

There is no doubt that the basic function of a child seat is to protect our youngest passengers from danger. But for a child seat to perform its function successfully, it must suit the size and weight of the child. Škoda child seats are available for all age categories of children up to 12 or up to 36 kg. Your Octavia is also equipped as standard with a proprietary

system for attaching two child seats with the safety system ISOFIX. This makes it possible to fix child seats of this type directly to the car body, which represents the highest level of safety currently available. Child seat Bimbo Fix can be fixed to the passenger's seat, if equipped with ISOFIX brackets – which can be fitted by your Retailer or Repairer.
