Edition: UK April 2008 VAT is calculated at 17.5%.

RRP (Recommended Retail Price)

* Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

** All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock. The VED bands are shown in the table opposite.

The New
Škoda Superb

Škoda. Manufacturer of happy drivers.

Škoda Superb

The original Superb's design was luxurious and elegant both inside and out, built to appeal to the world's leaders and royalty. New Superb takes the sumptuous design cues from its earliest predecessor and offers a completely new car, wholly designed and engineered at the Technical Centre in Mlada Boleslav.

Featuring the familiar three dimensional front grill and sculpted bonnet of the Škoda family, Superb's exterior demonstrates elegance, dynamism and a sophisticated road presence whilst the interior of Superb is designed with comfort in mind. The materials used give the interior a high quality feel and with a combination of ergonomically designed features, soft touch dash boards and cavernous legroom, passengers truly travel in style.

Not only does Superb feature great new design but also fantastic new technology including the unique 'Twindoor' function which allows the car to be both a saloon car and a hatchback at the press of a button, depending on what the users' needs are.

Whilst Superb is all new, with new design and new technology, providing clever solutions for drivers, it still retains the core values of the Škoda brand; outstanding value for money and that extra bit of car.

Specification highlights

Superb S

- 16" 'Spectrum' alloys (7J x 16" 205/55 R16 94V)
- 3.5mm Aux socket
- 4-spoke steering wheel
