

The new Škoda Fabia Monte Carlo

Škoda. Manufacturer of happy drivers.

Welcome to the new
Škoda Fabia Monte Carlo

The special edition Fabia has been developed to celebrate 100 years of the Monte Carlo rally.

The new Fabia Monte Carlo features a whole array of sporty features and styling offering fantastic value for money.

What really distinguishes the Monte Carlo from the rest of the Fabia range is its black gloss wheel arches, door mirrors, striking black roof and black alloy wheels. Rear seat passengers will also appreciate the comfort of sunset glass from the B-pillar backwards.

This year will be the 100th year of the legendary Monte Carlo rally and Škoda is also celebrating 110 years of participating in motorsport. The Fabia Super 2000 made its debut in 2009 at the Monte Carlo rally so the event is very special to us at Škoda

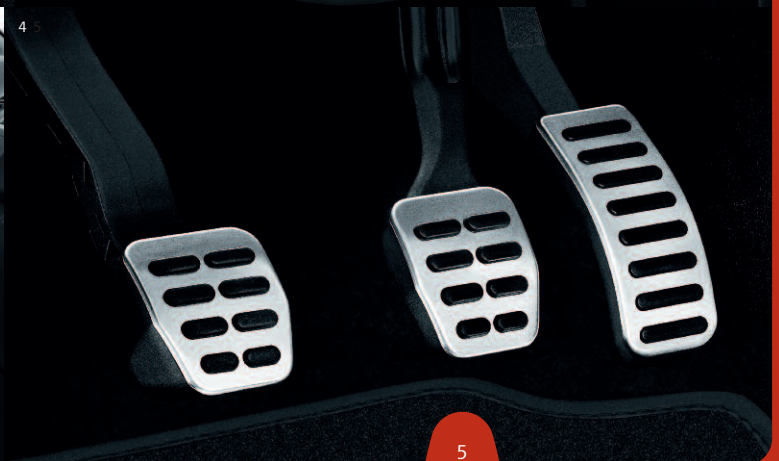

Interior

The Fabia Monte Carlo confidently parades its sporty style and love for racing contests. The high quality interior is complemented by excellent driving characteristics, which together with the sporty TSI and TDI engines bring you immense driving pleasure.

Car shown is not UK specification

- 1 Whilst you are on the move you can enjoy your own personal music playlist thanks to the standard MDI (multi device interface) enabling you to concentrate on the road whilst navigating through your music selection on the Radio Swing system.
- 2 The interior is complemented by figure hugging sports seats in Onyx black or optional red upholstery
- 3 The Fabia Monte Carlo is equipped with a 3-spoke perforated leather steering wheel, decorated with red stitching.
- 4 The stylish sports interior is complemented by these steel sports pedals.

Exterior

The Fabia Monte Carlo has an aggressive black design package. With darkened chrome on top of the grille, gloss black door mirrors and smoked glass headlights all adding to a unique styling. The front fog lights include daytime running lights, to complete a sporty package that will not hurt your pocket !

1 The Fabia Monte Carlo has distinctive Halogen projector headlights with smoked glass and a DE module

2 The front door sills have decorative kick plates and are embedded with the Monte Carlo logo adding to the physical appeal whilst also providing protection.

3 Distinctive 17" black 'Trinity' alloys with sports suspension as standard complete the sporty package.

4 To further enhance the Fabia Monte Carlos appeal a black roof and tailgate spoiler are standard.

M	Over 255	£950	£435

OTR (Recommended On The Road)

* Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

VED (Vehicle Excise Duty)

** All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Skoda UK stock. The VED bands are shown in the table opposite.

¹ First year vehicle licence rates for petrol and diesel cars purchased on or after 1st April 2010. First year rate or 'showroom tax' applies to new car purchases only.

² Rate reverts to the Government's applicable Standard VED rate in subsequent years.

Company car tax is based on your cars carbon dioxide emissions. The higher the car's emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes.

P11D (Expenses and Benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2010/11.

Please confirm figures with your Skoda retailer. Edition: UK 1st March 2011. VAT is calculated at 20%.
